### Ordinance 19886

**Proposed No.** 2024-0281.2

**Sponsors** Dembowski

1           AN ORDINANCE authorizing the executive to execute a  
 2           new, longer term service agreement with Puget Sound  
 3           Energy for the purchase of renewable energy, replacing the  
 4           existing service agreement approved under Ordinance  
 5           18472.

6           STATEMENT OF FACTS:

7           1. King County is a major electricity customer of Puget Sound Energy,  
 8           purchasing more than ten million dollars a year in electricity to operate  
 9           county buildings and facilities within Puget Sound Energy's electricity  
 10          service territory. Approximately forty-six percent of the electricity supply  
 11          in the Puget Sound Energy electricity service territory through its standard  
 12          electricity offerings is supplied by carbon-based sources, including  
 13          twenty-three percent coal and twenty-three percent natural gas.

14          2. The 2020 Strategic Climate Action Plan calls for reducing greenhouse  
 15          gas emissions from government operations by fifty percent by 2025 and  
 16          eighty percent by 2030, through measures including increasing the  
 17          percentage of energy from renewable sources used in county operations to  
 18          seventy percent by 2020, eighty-five percent by 2025, and ninety-five  
 19          percent by 2030.

Ordinance 19886

20 3. Puget Sound Energy developed and received approval from the  
21 Washington state Utilities and Transportation Commission in September  
22 2016 for Tariff Schedule No. 139 Voluntary Long Term Renewable  
23 Energy, known as Green Direct, offering one-hundred-percent renewable  
24 electricity to municipal and large commercial electricity users from the  
25 Skookumchuck wind facility in western Washington that began operation  
26 in November 2020 and the Lund Hill solar facility that went into operation  
27 in eastern Washington in December 2022.

28 4. Puget Sound Energy offered different options for Green Direct energy  
29 contracts, including ten- and twenty-year service agreements. The cost of  
30 energy was less for the longer-term agreements.

31 4. Ordinance 18472 authorized the executive to enter into a ten-year  
32 service agreement for the purchase of one hundred percent renewable  
33 electricity with Puget Sound Energy through Green Direct for a term of  
34 ten years. The ten-year service agreement is due to expire in 2030.

35 5. Purchasing renewable electricity through Green Direct has reduced  
36 direct greenhouse emissions for King County operations by sixteen  
37 percent from 2019 to 2022.

38 6. The executive now finds it is in the county's interest to switch from the  
39 ten-year service agreement to the twenty-year service agreement option.  
40 Puget Sound Energy is willing to allow the county to switch to this  
41 twenty-year option. Extending the period of the service agreement will  
42 result in additional benefits to the county, including supporting the King

Ordinance 19886

43 County achievement of renewable energy consumption and greenhouse  
44 gas emission targets beyond 2030.

45 7. The parties agree that King County may replace its existing ten-year  
46 term contract with a twenty-year term option with a starting date of 2020  
47 and end date of 2040, and have agreed to the identified county facilities  
48 currently served by the existing Green Direct agreement with electricity  
49 supplied by Puget Sound Energy that will continue to be subject to the  
50 new service.

51 8. Timely execution of the attached service agreement is needed for King  
52 County to secure power through the Green Direct option through 2040.

53 9. King County will remain a full-service Puget Sound Energy customer  
54 and will continue to partner with Puget Sound Energy on energy  
55 efficiency and other efforts.

56 10. The actual electrons generated from the wind and solar facility may  
57 not directly supply King County operations but will flow to the electrical  
58 grid. King County will receive equivalent renewable electricity under the  
59 service agreement.

60 11. Renewable Energy Certificates associated with the wind and solar  
61 energy resource will be retired, ensuring that King County's electricity  
62 purchase is supporting development of additional renewable energy supply  
63 and that associated reductions in greenhouse gas emissions can be counted  
64 in King County's greenhouse gas emissions inventory. The retirement of  
65 the Renewable Energy Certificates will be verified by the Western

---

66 Renewable Energy Generation Information System, an independent  
67 tracking system.

68 12. Participation in the ten-year Green Direct contract has reduced King  
69 County electricity costs. The price of the renewable resource is  
70 established by contract term and calendar year is fixed in the service  
71 agreement with Puget Sound Energy. Total projected savings by changing  
72 to the twenty-year agreement is estimated to exceed \$1,000,000. Savings  
73 result from a modest reduction in the price of electricity in the twenty-year  
74 agreement over the current ten-year agreement, resulting in approximately  
75 \$350,000 in savings through 2030, as well as additional savings from  
76 enrolling in Green Direct for the additional ten years through 2040.

77 13. The county will continue to work in partnership with utilities, cities,  
78 and businesses to seek further energy conservation and clean, renewable  
79 energy supplies for all Puget Sound Energy customers.

80 14. The term of the proposed service agreement, extends beyond current  
81 budget appropriation authorized by the King County council.

82 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

83 SECTION 1. The county has determined that changing from existing ten year to  
84 the twenty-year service agreement option for the purchase of renewable electricity under  
85 the Green Direct program offered by Puget Sound Energy advances the county's  
86 renewable energy and greenhouse gas emission reduction goals adopted as part of King  
87 County's 2020 Strategic Climate Action Plan.

Ordinance 19886

88            SECTION 2. Contingent upon the executive's verification that execution of the  
89 new service agreement by both parties will result in the termination of the existing  
90 service agreement authorized by Ordinance 18472, the executive is authorized to execute  
91 a service agreement, with a termination date in 2040, for the purchase of renewable  
92 electricity with Puget Sound Energy, substantially in the form of Attachment A to this

**SCHEDULE 139  
VOLUNTARY LONG TERM RENEWABLE ENERGY SERVICE AGREEMENT**

**Attachment "A" – Service Agreement**

THIS SCHEDULE 139 VOLUNTARY LONG TERM RENEWABLE ENERGY SERVICE AGREEMENT ("Service Agreement"), dated as of the January 1, 2025, is made and entered into by and between **KING COUNTY** (the "Customer") and PUGET SOUND ENERGY, a Washington Corporation, (the "Company"), for service under the Company's Electric Tariff G Schedule 139. Terms defined in Schedule 139 and in the General Rules and Provisions (Schedule 80) of the Company's tariff for electric service shall have the same meanings where used in this Agreement.

**RECITALS**

- A. The Company is a public service company engaged in the sale and delivery of electric energy pursuant to its Electric Tariff G.
- B. Customer is receiving Electric Service under the Company's Electric Tariff G, Schedule 24, 25, 26, 31, 40, 43, 46 or 49, and desires to participate in the Company's Voluntary Long Term Renewable Energy program offered under Schedule 139.
- C. The Company and the Customer have worked jointly to encourage the development of Renewable Energy projects that (i) could provide clean energy to customers at a long-term contracted rate, (ii) support the local economy, and (iii) could be publicized and leveraged for external benefit. The Parties agree that the Solar & Wind: 20 Year Option (13902SW20) (the "Resource Option") should meet these criteria, and the Parties thus now agree to enter into this Service Agreement with each other, for mutual benefit.
- D. The Company will sell and the Customer will purchase from the Company Renewable Energy Credits (RECs), where applicable, and Renewable Energy at a volume equal to 100% of the actual load of all meters located at each subscribed service address as listed in Section 5, with such amount to be allocated from Renewable Energy generated by the Resource Option, pursuant to one of the contracted rates described.

**AGREEMENT**

- 1. **Request and Acknowledgement.** The Customer requests service under Schedule 139 and acknowledges that Schedule 139 requires a minimum term. Service under Schedule 139 will be billed on the Customer's existing statement. The Resource Option Energy Charge is fixed as shown in Section 7. The Energy Charge Credit will be updated with each general rate case, power cost only rate case or other power-related filings.
- 2. **Resource.** Under this Service Agreement the Company will receive Renewable Energy into its Balancing Authority Area from where it can serve the Customer.
- 3. **Renewable Energy Credits.** The Company will acquire the RECs that are created with the electricity production, where applicable. The Company will transfer the RECs to the Customer

which must be retired in WREGIS. Alternatively, at the Customer's request, the Company will retire the RECs in WREGIS. As the Customer is receiving a retail product, the RECs may not be resold or transferred to another party.

4. **Resource Option.**  
 Number: 13902SW20  
 Description: Large Wind project in Thurston & Lewis County. Large Solar project in Klickitat County.
5. **Customer Service Address and Account Numbers.** The Customer requests service under this Service Agreement for the service addresses, account numbers and meter numbers listed in Attachment B.
6. **Term.** The term of this Service Agreement shall commence in the year 2025, on the first day of the Customer's normal billing cycle, in the first month following the commencement of commercial operation of the Resource Option, and delivery therefrom of energy to the Company sufficient to satisfy the obligations set forth in this Service Agreement. This Service Agreement terminates in the year 2040 after 10 billing cycles.
7. **Rates.** Schedule 139 rates are in addition to all charges under the Customer's existing Electric Service schedule. Rates include a charge per kWh for the contracted energy as outlined in Table 1 and a credit for the energy-related power cost component of the Energy Charge set forth in Schedule 24, 25, 26, 31, 40, 43, 46 or 49 of the Electric Tariff WN U-60 under which the Customer is taking Electric Service. The Energy Charge Credit will be updated with each general rate case, power cost only rate case, or other power-related filings, while the Resource Option Energy Charge will remain fixed as outlined in the Table 1. below.

8. **Early Exit Fee.** Customers may elect to terminate this Service Agreement prior to the Termination Date with 60 days' notice to the Company. Customers who choose to discontinue their service under this Schedule will be charged for the net cost of the remaining Renewable Energy that was to be delivered to the Customer under the remaining term of the Service Agreement. This amount will be based on: 1) the remaining term of the Service Agreement, 2) the amount of estimated annual Renewable Energy needs of each of the discontinued

Customer' locations as listed in Section 5 of the Service Agreement, 3) the estimated output of the Resource, 4) the contracted energy rates agreed to in Section 7 of the Service Agreement, and 5) a credit for PSE's then-current avoided costs (filed consistent with WAC 480-107-055). Termination of service under this Schedule will follow receipt and processing of the termination request by the Company.

- 9. **Resource Option Inadequacy.** If the Resource Option will not be available at the start of the commencement year, the Customer's agreement will be delayed to align with the Resource Option. If the Renewable Energy produced by the Resource Option and purchased by the Company is insufficient in any calendar year to satisfy the full requirements of the Customer, the Company will work with the Customer to source and retire for the Customer RECs from alternative resources, with costs for the RECs limited to the net amount to be collected under Schedule 139 from the Customer for the remainder of the calendar year. If, at the Company's determination, the Resource Option will not be adequate to meet the full requirements of the Customer, then this Service Agreement will be terminated with no liability to the Customer or to the Company. If a replacement project can be sourced and mutually agreed upon, a new Service Agreement will be created.
- 10. **Credit.** Customer authorizes that the Company may run a credit report on Customer and/or request audited financial statements for the purpose of determining the Customer's creditworthiness for this service.
- 11. **Energy Efficiency Services.** The Customer and the Company will continue to partner on mutually beneficial energy efficiency projects which will reduce energy demand on an annual basis. These services will have no bearing on the cost of energy as proposed in Table 1.
- 12. **Electrical Work.** In order to ensure continued qualification for service under Schedule 139, the Customer must contact the Company through their business account services representative when any electrical work is being conducted.
- 13. **Governing Law.** This Service Agreement will be governed by and interpreted, construed and enforced in accordance with the laws of the State of Washington.

IN WITNESS WHEREOF, the Parties, by their duly authorized representatives, have executed this Agreement as of the date first written above.

Electronic Record and Signature Disclosure
--

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, King County-Department of 02 (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

### **How to contact King County-Department of 02:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [cipriano.dacanay@kingcounty.gov](mailto:cipriano.dacanay@kingcounty.gov)

### **To advise King County-Department of 02 of your new email address**

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at [cipriano.dacanay@kingcounty.gov](mailto:cipriano.dacanay@kingcounty.gov) and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

### **To request paper copies from King County-Department of 02**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to [cipriano.dacanay@kingcounty.gov](mailto:cipriano.dacanay@kingcounty.gov) and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

### **To withdraw your consent with King County-Department of 02**

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to [cipriano.dacanay@kingcounty.gov](mailto:cipriano.dacanay@kingcounty.gov) and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

### **Required hardware and software**

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

### **Acknowledging your access and consent to receive and sign documents electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to ‘I agree to use electronic records and signatures’ before clicking ‘CONTINUE’ within the DocuSign system.

By selecting the check-box next to ‘I agree to use electronic records and signatures’, you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify King County-Department of 02 as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by King County-Department of 02 during the course of your relationship with King County-Department of 02.
