16 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

17 **SECTION 1. Findings:**

18 A. In 2016, state of Washington voters passed Initiative 1433 to increase the
 19 state's hourly minimum wage rate and have it annually adjusted for inflation. Initiative

Ordinance 19762

20 1433 also required state of Washington employers to provide paid sick leave to
21 employees. The 2024 hourly minimum wage rate for Washington state is \$16.28 per
22 hour.

23 B. According to the 2023 National Low Income Housing Coalition's Out of
24 Reach data, an employee making Washington's minimum wage would have to work 103
25 hours each week to afford a modest one-bedroom rental home at fair market rent in King
26 County.

27 C. According to The Self-Sufficiency Standard for Washington State, developed
28 in partnership with the University of Washington's Center for Women's Welfare and the
29 Workforce Development Council of Seattle-King County, the state's minimum wage is
30 insufficient to meet the basic needs of working families in King County. In 2023, for a
31 dual-income household of two working adults and two school-aged children living in
32 King County and earning the state's minimum wage, the family would fall short on
33 average \$36,442 to meet the basic needs of the household. In other words, both working
34 adults would need to have a minimum wage of \$24.50 per hour to meet the basic needs of
35 the household.

36 D. In King County, falling short to meet the basic needs of the household
37 disproportionately impacts Black, Indigenous, and People of Color, which are also known
38 as BIPOC, communities. According to 2021 census data, in King County, 23 percent of
39 households earn less than the state's minimum wage, however, for Black households this
40 increases to 46 percent; for Indigenous households it is 42 percent; and for Latinx
41 households it is 32 percent. Moreover, the median household income for King County is
42 \$110,586, which is 109 percent of the Self-Sufficiency Standard for a dual-income

Ordinance 19762

43 household of two working adults and two school-aged children, however, for Black
44 households it is \$57,437, which is 56 percent of the Self-Sufficiency Standard; and for
45 Latinx households it is \$74,357, which is 73 percent of the Self-Sufficiency Standard.

46 E. RCW 49.46.120, codified by Initiative 1433, declares that the state's minimum
47 standards for wages, paid sick leave, and working conditions are supplementary to local
48 law or ordinance which may be more favorable to employees and therefore the more
49 favorable minimum standards shall be in full force and effect and enforced.

50 F. In 2013, before Initiative 1433 was adopted by the state of Washington, voters
51 from the city of SeaTac approved local Proposition 1 that established an hourly minimum
52 wage rate of \$15.00 per hour and other benefits and rights for employees in the
53 hospitality and transportation industries, including those that were employed in the
54 Seattle-Tacoma International Airport. The city of SeaTac was one of the first local
55 jurisdictions in the country to increase the hourly minimum wage rate. The city of
56 SeaTac's 2024 hourly minimum wage rate is \$19.71 per hour for employees in the
57 hospitality and transportation industries.

58 G. In 2014, the city of Seattle enacted Ordinance 124490 to increase the hourly
59 minimum wage rate and minimum compensation rates for employees performing work in
60 the city. The city of Seattle's 2024 hourly minimum wage rate for employers with 501 or
61 more employees is \$19.97 per hour.

62 H. On May 19, 2014, the council adopted Motion 14131 to affirm that it is
63 county policy that a living wage should be paid to county employees and to the
64 employees of persons, businesses, organizations, and other entities that receive
65 procurement contracts, tax exemptions or credits, or other financial benefits from the

Ordinance 19762

66 county. Subsequently, on October 6, 2014, the county enacted Ordinance 17909 to
67 require that a living wage be paid to county employees and to the employees of certain
68 county contractors. To avoid conflicts for county employees who work in the city of
69 Seattle and reduce the administrative burden on county contractors, the ordinance
70 followed the city of Seattle's minimum wage ordinance by setting variable living wage
71 rates based on the size, which is the number of employees, of the contractor, and whether
72 health benefits were provided to employees by the contractor. The county's 2024 hourly
73 living wage rate for county employees and contractors with 501 or more employees is
74 \$19.97 per hour.

75 I. In 2022, voters from the city of Tukwila, approved local Initiative Measure 1
76 that established a minimum wage equal to the minimum wage rate in the city of SeaTac
77 for employees performing work in the city. However, the city of Tukwila's 2024
78 minimum wage rate is \$20.29 per hour, due to the varied approach on calculating the
79 annual inflation rate. Currently, the city of Tukwila has the highest minimum wage rate
80 in the country according to the University of California, Berkley Labor Center.

81 J. According to the department of local service's 2022 Business Survey, an online
82 survey for the unincorporated King County business community, sixty-seven percent of
83 the respondents supported an increase in the hourly minimum wage rate, with many
84 respondents saying they already paid employees above the hourly minimum wage rate or
85 that the owner was the only employee and therefore the business would not be affected
86 by an hourly minimum wage rate increase.

87 K. Some employers, particularly small businesses and nonprofit organizations,
88 may have initial difficulty accommodating the increased costs due to the increased hourly

Ordinance 19762

89 minimum wage rate and a gradual phase-in approach may be beneficial.

90 L. K.C.C. 2.10.210.B. defines the county's fourteen determinants of equity as the
91 social, economic, geographic, political, and physical environment conditions in which
92 people in our county are born, grow, live, work, and age that lead to the creation of a fair
93 and just society. Access to the determinants of equity is necessary to have equity for all
94 people and inequities are created when barriers exist that prevent individuals and
95 communities from accessing these conditions and reaching their full potential. Access to
96 jobs that have the ability to make sufficient income for the purchase of basic necessities
97 to support themselves and their families is one of the fourteen county determinants. The
98 council finds that it is necessary for the county to enact policies to ensure the well-being
99 of all residents by ensuring their access to the determinants of equity.

100 SECTION 2. Sections 3 through 6 of this ordinance should constitute a new

367 apply:

369 section shall not include franchisees associated with a franchisor or a network of

370 franchises with franchisees that employ five hundred employees or more in aggregate,

373 regardless of geographic location; and

374 c. The number of employees shall be calculated by determining the average

379 department or have it available for a proceeding involving an aggrieved employee

394 strategy, and budget, or its designee, shall annually convene a workgroup to: evaluate

395 whether the current hourly minimum wage rate as established by this chapter is sufficient

396 to meet the basic needs of working households in King County; and analyze the current

397 hourly minimum wage rate's impact to the region's economy. The workgroup's

398 evaluation and analysis shall include, but not be limited to, the following considerations:

- 399 1. The Self-Sufficiency Standard for Washington State, developed in
- 400 partnership with the University of Washington's Center for Women's Welfare and the

- 405 Income Tax Credit, the Washington State Working Families Tax Credit, and any other
- 406 government benefits that are provided to low- and middle-income households; and
- 407 4. Disproportionate impacts to Black, Indigenous, and People of Color
- 408 communities, if any.

409 B. Workgroup membership shall include, but not be limited to, the following:

424 contracting with the county; and
425 4. Organizations that represent employees and employers in unincorporated
426 King County.

427 D. On behalf of the workgroup, the executive shall transmit a report of its
428 findings and a recommendation, if any, to modify the hourly minimum wage rate
429 established by this chapter. The executive shall electronically file the report and any
430 proposed ordinance that would amend this chapter and any other chapters related to the
431 hourly minimum wage rate of county employees and county contractors to implement the
432 hourly minimum wage rate as recommended by the workgroup no later than June 30 of
433 each year with the clerk of the council, who shall retain an electronic copy and provide an

Ordinance 19762

434 electronic copy to all councilmembers, the council chief of staff, and the lead staff for the
435 transportation, economy, and environment committee, or its successor. The executive
436 shall electronically distribute the report to all government entities in the county and to
437 relevant state and federal agencies, including, but not limited to, the Washington state
438 Department of Labor and Industries, or its successor.

439 NEW SECTION. SECTION 13.

440 A. An employer shall not interfere with, restrain, or deny the exercise of, or the
441 attempt to exercise, any right protected under this chapter by an employee. Also, an
442 employer shall not take any adverse action against an employee or to discriminate against
443 an employee because the employee has exercised in good faith the rights under this
444 chapter. The rights shall include, but are not limited to, the right to:

- 445 1. File a complaint with any entity or agency about an employer's alleged
446 violation of this chapter;
- 447 2. Inform the person's employer, union, or similar organization, the person's
448 legal counsel, or any other person about an alleged violation of this chapter;
- 449 3. Cooperate in any investigation of alleged violations of this chapter;
- 450 4. Testify in a proceeding related to violations of this chapter; and
- 451 5. Inform other employees of the rights protected under this chapter.

452 B. For the purposes of this section, "adverse action against an employee"
453 includes, but is not be limited to actions:

- 454 1. Relating to an employee's employment including pay, work hours,
455 responsibilities, or other material change in the terms and conditions of employment;
 - 456 2. Relating to an employee's immigration or citizenship status; and
-

Ordinance 19762

457 3. Dissuading an employee from exercising any right afforded by this chapter.

458 NEW SECTION. SECTION 14.

459 A. An aggrieved employee may bring a civil action in a court of competent
460 jurisdiction against an employer for violating this chapter and, upon prevailing, may be
461 awarded reasonable attorneys' fees and costs and such legal or equitable relief as is
462 appropriate to remedy, which shall include, but not be limited to, the payment of any
463 unpaid wages plus interest, as specified in subsection D. of this section, due to the
464 employee and liquidated damages, which shall include, but not be limited to, up to twice
465 the unpaid wages. An aggrieved employee shall be entitled to liquidated damages
466 without a finding that the violation of this chapter was willful and an aggrieved employee
467 may recover both liquidated damages and prejudgment interest. If the court finds that an
468 employer's violation of this chapter was willful then a penalty shall be payable to any
469 aggrieved employee of up to five thousand dollars.

470 B. Before filing a civil action against an employer for violating section 11 of this
471 ordinance, an aggrieved employee or the employee's representative shall give notice by
472 certified U.S. mail with return receipt requested or a comparable method to the employer
473 demanding that the employer pay the hourly minimum wage rate as required by section
474 11 of this ordinance and provide payment of any unpaid wages plus interest, as specified
475 in subsection D. of this section, to the aggrieved employee. An employer's refusal to
476 accept or read the letter is not a failure to send the letter. If the employer fails to pay the
477 unpaid wages plus interest within fourteen days of the return receipt date of the notice,
478 then the aggrieved employee may file a civil action as specified in subsection A. of this
479 section.

Ordinance 19762

481 who claims to have been injured by an employer's violation of this chapter.

482 D. For the purposes of this section, interest shall be twelve percent per year or the
483 maximum rate permitted under RCW 19.52.020, whichever is higher, and accrue from
484 the date the unpaid wages were first due.

485 NEW SECTION. SECTION 15.

486 A. The director is authorized to enforce and implement this chapter.

487 B. The director may adopt rules and procedures, in accordance with K.C.C.
488 chapter 2.98, to implement this chapter and ensure compliance of this chapter. If the
489 director adopts appropriate rules and procedures, before giving public notice of the rules
490 and procedures as required by K.C.C. chapter 2.98, the director shall seek feedback of the
491 rules and procedures from organizations that represent employees and employers in
492 unincorporated King County.

493 C.1. If the executive determines that the enforcement and implementation of this
494 chapter by the county is cost prohibitive due to the budgetary constraints of the county's
495 general fund, the executive is requested to explore other enforcement and implementation
496 methods. As part of this effort, the executive shall also explore methods to support
497 aggrieved employees who may be reluctant to bring a civil action.

498 2. If the executive determines a cost effective approach to implementing and
499 enforcing this chapter, other than what is required by subsections A. and B. of this
500 section, then the executive shall transmit a letter notifying to the council of the
501 executive's plans for implementation and enforcement. The executive shall electronically
502 file the letter with the clerk of the council, who shall retain an electronic copy and
