Metropolitan King County Council Staff Report

Committee:	Budget and Fiscal Management Committee		
Agenda Item:	5	Analyst:	Olivia Brey
Proposed No.:	2026-0086	Meeting Date:	September 23, 2026

OVERVIEW

TOPIC: Proposed Ordinance 2026-0086 would authorize the imposition of a one-hundredth of one percent sales and use tax for services that assist children and their families, as authorized in Section 202, Chapter 221, Laws of Washington 2026.

LEGISLATION SUMMARY

During the 2026 legislative session, the Washington State Legislature adopted Engrossed Substitute House Bill 2442 (ESHB 2442), which had several components, but, of note for this proposed ordinance, authorized local governments to impose a new sales and use tax for providing services that assist children and their families.

Proposed Ordinance 2026-0086 would impose a countywide 0.01% sales and use tax for services that assist children and their families, effective January 1, 2027. An interim forecast from the Office of Economic and Financial Analysis estimated that the proposed ordinance is anticipated to generate approximately \$10.3 million in 2027 if the County is the only jurisdiction to impose the tax. Because a county is required to credit cities that also impose the tax, the estimated revenue has the potential to decrease.

If approved, all tax proceeds would be directed to the Housing and Community Development fund. Proposed Ordinance 2026-0086 states that collected revenues would be allocated to the eligible uses authorized in ESHB 2442.

KEY ISSUES FROM THE ANALYSIS

- A. **Undefined Spending Plan.** Proposed Ordinance 2026-0086 provides the Executive broad authority to determine how proceeds resulting from the sales and use tax would be allocated. Whether to provide direction for allocation of revenues collected from the proposed ordinance represents a policy choice.

AMENDMENTS

- **Amendment 1** would clarify the relevant section of the state law pertaining to this ordinance and fix the RCW reference, which has been codified since the proposed ordinance was introduced.
- **Title Amendment T1** would remove an erroneous parenthesis, correct an ordinance number, and clarify the RCW reference.

BACKGROUND

[↑ BACK TO TOP](#)

Engrossed Substitute House Bill 2442. During the 2026 legislative session, the Washington State Legislature adopted Engrossed Substitute House Bill 2442 (ESHB 2442),¹ which authorized multiple local government tax resources and amended taxing authority for several existing local government tax resources. Of note for this proposed ordinance, ESHB 2442 authorized local governments to impose a new sales and use tax for providing services that assist children and their families. Eligible services include:

- Child care;
- Perinatal support services;
- Before-school and after-school based youth services that address mental, social, behavioral, and physical health;
- Workforce capacity building;
- Shelter and rental assistance; and
- Client transportation.

ESHB 2442 was silent on the definitions or limitations for expenditures for these services.

The authorizing section of ESHB 2442 for this sales and use tax, codified as RCW 82.14.542,² becomes effective on January 1, 2027.

If a city imposes this sales and use tax where a county has already imposed it, the county is responsible for crediting each city, with the combined tax rate not to exceed 0.01%.

Existing Funding Sources. Several of the eligible services have existing funding sources in King County. The following list is neither comprehensive nor an indication of need fulfillment or not:

- Best Starts for Kids (BSK) levy: The implementation plan for the 2022-2027 BSK levy allocates funds to services like child care subsidy programs, perinatal and lactation support services, childhood and other care practitioner workforce support, and youth and family homelessness prevention.³
- Parks Levy: The 2026-2031 Parks levy allocates funding for youth sports facilities and activities and other learning activities for youth.⁴
- Employment and Education Resource (EER) Fund: The EER Fund provides education, job placement, training, and other services to youth and adults through a combination of contracted services and services provided directly by King County employees. Services are funded through federal and state funding, the BSK levy, the General Fund, and other sources.⁵
- Medicaid: Public Health – Seattle & King County (PHSKC) supports the administration of the First Steps Maternity Support Services provided through Medicaid.⁶
- Funding for permanent and emergency housing operating and services includes Health through Housing, Continuum of Care, and Trueblood funding.
- Funding for rental assistance comes from state Document Recording Fees, Mental Illness and Drug Dependency sales tax, the Veterans, Seniors, and Human Services Levy, lodging tax for youth, and other state funds.

RCW 82.14.542 and only for the purpose of providing the additional services listed in RCW 82.14.542 that assist children and their families.

Section 5 of the proposed ordinance requires that proceeds be deposited into the Housing and Community Development (HCD) fund. The Department of Community and Human Services (DCHS) is the manager of the fund and it is primarily used for housing-related capital and operating expenses, rental assistance, and other housing services. Section 8 of the proposed ordinance amends the allowable expenditures for the HCD fund to include services listed in RCW 82.14.542.

A. Key Issue A. Undefined Spending Plan.

Proposed Ordinance 2026-0086 provides the Executive broad authority to determine how proceeds resulting from the sales and use tax would be allocated. Whether to provide additional direction for allocation of revenues collected from the proposed ordinance, either through an amendment to the proposed ordinance or expenditure restrictions in future budget ordinances, represents a policy choice.

Fiscal Impact. The most recent forecast from the Office of Economic and Financial Analysis (OEFA) was completed in July 2026.⁷ For the purposes of this proposed ordinance, OEFA completed an interim forecast to estimate potential revenue. The 0.01% sales tax imposed under the proposed ordinance is anticipated to generate approximately \$10.3 million in 2027 if the County is the only jurisdiction to impose the tax.⁸

Because a county is required to credit cities that also impose the tax, the estimated revenue has the potential to decrease. OEFA estimates that the City of Seattle generates approximately 38% of the taxable sales and other cities average approximately 1.5% of taxable sales each. Based on preliminary research, no other cities have passed legislation to impose the sales tax, but the City of Shoreline and the City of Woodinville have discussed it during city council meetings. The City of Des Moines will also have the sales tax on a city council agenda for the first time on September 24. Staff analysis is ongoing.

An additional factor that has the potential to decrease the estimated revenue in the future is Engrossed Substitute Senate Bill 6346, which makes tax base reductions beginning in 2029.⁹ OEFA forecasts will continue to estimate the impact of these expected reductions.

⁷ OEFA Forecast. <https://kingcounty.gov/en/independents/governance-and-leadership/economic-financial-analysis>

⁸ Estimate assumes collections begin January 1, 2027.

⁹ Engrossed Substitute Senate Bill 6346.
<https://app.leg.wa.gov/billsummary/?BillNumber=6346&Year=2025&Initiative=false>

Consumer Impact. Retail sales taxes currently average 9.88% in King County.¹⁰ It is estimated that the increase in sales tax by 0.01% would have an annual impact of \$4 on the median income household. This estimate is based on the 2025 OEFA analysis that the median household income is \$122,000 and a sales tax ratio of 32.9%, meaning that the median household spends a total of \$40,138 each year on goods subject to the sales tax. With the current sales tax rate, this would result in approximately \$3,966 in sales tax owed; therefore, an increase of 0.01% to the sales tax would add \$4 on average to the total sales tax.

Timeline. State law states that a local sales and use tax change may take effect only on the 1st day of January, April, or July and 75 days after the Department of Revenue (DOR) has been notified of the change.¹¹ As a result, in order for this proposed ordinance to take effect on January 1, 2027, DOR must receive notice of the change by October 16, 2026.

The proposed ordinance aligns with HB 2442 and does not take effect until January 1, 2027. Executive staff state that an ordinance does not need to be effective on the day DOR is notified.

AMENDMENTS

3 221, Laws of Washington 2026); amending Ordinance
4 175752, Section 12, as amended, and K.C.C. 4A.200.355,
5 adding a new chapter to K.C.C. Title 4A, and establishing
6 an effective date.

7 PREAMBLE:

8 In 2020, there were 10,101 extremely low-income households and 11,741
9 low-income households in King County containing at least one child aged
10 six years old and younger. Low-income and cost-burdened households are
11 at higher risk of housing instability.

12 In 2024, there were 1,959 children under 18 years old and 1,555 parents
13 experiencing homelessness in King County, while there are approximately
14 900 emergency shelter beds available for households with adults and
15 children.

16 Additional funding is required to address the urgent need for shelter and
17 rental assistance for families with children in King County.

18 In November 2015, King County declared a state of emergency to address
19 the homelessness crisis.

20 In the 2026 Regular Session, the Washington state Legislature approved,
21 and the Governor signed, Engrossed Substitute House Bill 2442, which
22 became Chapter 221, Laws of Washington 2026 ("the Act").

23 The Act authorizes the legislative authority of a county to impose a sales
24 and use tax for providing additional services that assist children and their
25 families, including child care, perinatal support services, before-school
26 and after-school based youth services, workforce capacity building, shelter
27 and rental assistance, and client transportation.

28 The metropolitan King County council has determined that imposing the
29 sales and use tax to provide shelter and rental assistance for children and
30 their families will benefit the county's residents.

31 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

32 **SECTION 1. Findings:**

33 A. RCW 82.14.055 states that a local sales and use tax change may take effect no
34 sooner than seventy-five days after the department of revenue receives notice of the
35 change and only on the first day of January, April, or July.

36 B. RCW 82.14.055 further states that a "local sales and use tax change" means
37 enactment or revision of local sales and use taxes.

38 C. Chapter 221, Laws of Washington 2026 authorized the legislative authority of
39 a county or city to impose a one-hundredth of one percent sales and use tax solely for the
40 purpose of providing additional services that assist children and their families. Revenues
41 from this sales tax can be used for child care; perinatal support services; before-school

42 and after-school services that address mental, social, and physical health; workforce
43 capacity building; shelter and rental assistance; and client transportation.

44 SECTION 2. Sections 3 through 7 of this ordinance should constitute a new
45 chapter in K.C.C. Title 4A.

46 NEW SECTION. SECTION 3. For the purposes of this chapter, unless the
47 context clearly requires otherwise, "proceeds" means the principal amount of moneys
48 received from the Washington state Department of Revenue from the collection of the
49 additional sales and use tax authorized by this chapter and RCW 82.14.XXX (Chapter
50 221, Laws of Washington 2026, Section 202) and any interest earnings on the moneys.

51 NEW SECTION. SECTION 4.

52 A. To provide necessary moneys for the purposes identified in section 6 of this
53 ordinance, an additional one-hundredth of one percent sales and use tax is hereby levied,
54 fixed and imposed on all taxable events within King County as defined in chapter 82.08
55 or 82.12RCW.

56 B. The tax shall be imposed upon and collected from those persons from whom
57 sales tax or use tax is collected by the state in accordance with chapter 82.12 RCW, and
58 shall be collected at the rate of one-hundredth of one percent of the selling price, in the
59 case of a sales tax, or value of the article use, in the case of a use tax.

60 C. The additional sales and use tax shall be in addition to all other existing sales
61 and use taxes currently imposed by the county.

62 D. The budget director shall immediately provide notice to the state Department
63 of Revenue of the tax imposed by this chapter as required by RCW 82.14.055 and is

64 authorized to execute any necessary agreement with the state Department of Revenue
65 concerning the collection and administration of the tax imposed by this chapter.

66 NEW SECTION. SECTION 5. The proceeds shall be deposited in the housing
67 and community development fund.

68 NEW SECTION. SECTION 6.

69 A. Proceeds shall be expended and apportioned among eligible uses set out in
70 and in a manner consistent with Chapter 221, Laws of Washington 2026 as now existing,
71 hereafter amended or as superseded.

72 B. Proceeds shall be used solely for the purpose of providing additional services
73 as listed in RCW 82.14.XXX (Chapter 221, Laws of Washington 2026 , Section 202),
74 that assist children and their families.

75 NEW SECTION. SECTION 7.

76 If, in accordance with RCW 82.14.XXX (Chapter 221, Laws of Washington 2026,
77 Section 202), a city located within the county imposes a sales and use tax, the county
78 must provide a credit against the tax the county shall impose under section 4 of this
79 ordinance to the extent the total county and city tax rate under this chapter would exceed
80 0.01 percent.

81 SECTION 8. Ordinance 175752, Section 12, as amended, and K.C.C.
82 4A.200.355 are hereby amended to read as follows:

83 A. There is hereby created the housing and community development fund.

84 B. The fund shall be a first tier fund. It is a special revenue fund.

85 C. The director of the department of community and human services shall be the
86 manager of the fund.

87 D.1. The fund shall be used to collect revenue from federal, state and other
88 funding sources to support housing and community development projects.

89 2. Moneys in the fund shall be expended consistent with applicable funding
90 sources to support:

91 ~~((a))~~ a. noncounty organization projects that acquire, renovate or construct
92 housing for very low to moderate-income individuals and families, including homeless
93 households and households with special housing needs;

100 e. provide those additional services listed in RCW 82.14.XXX (Chapter 221,
101 Laws of Washington 2026, Section 202) that assist children and their families.

102 3. When moneys in the fund are used to support housing projects identified in
103 subsection D.2.a. of this section, the noncounty organization shall grant King County a
104 property interest in each project, in a form acceptable to the county.

105 SECTION 9. Severability. If any provision of this ordinance or its application to
