1           A MOTION extending the waiver of requirements for  
2           competitive bidding and solicitation requirements for  
3           contracts relating to the King County department of adult  
4           and juvenile detention distributed antenna system  
5           evaluation and corrections.

6           WHEREAS, the King County executive on January 17, 2025, issued a  
7           proclamation of emergency declaring that the ability of department of adult and juvenile  
8           detention personnel to use an effective radio communications system directly implicates  
9           health and safety concerns, both for department of adult and juvenile detention personnel  
10          and residents, and

11          WHEREAS, in accordance with the authority granted the executive upon issuing  
12          the proclamation of emergency, the executive ordered that the public advertising and  
13          competitive procurement requirements of state law and K.C.C. chapter 2.93, all  
14          applicable executive policies and procedures and K.C.C. chapter 12.19, are waived  
15          relating to county contracts for purchases or leases of: tangible personal property; public  
16          works as defined by RCW 39.04.010; and services, including professional or technical  
17          services, and

18          WHEREAS, under K.C.C. 2.93.080 and K.C.C.12.52.030.C., the waiver of  
19          competitive procurement requirements of state and county law stays in effect until the  
20          waiver expires, which shall be twenty-one calendar days after the waiver's issuance,

---

21 unless terminated sooner by order of the executive or action of the council by motion.

22 However, the council, by motion, may extend a waiver beyond the twenty-one-day

23 period, and

24 WHEREAS, an extension of the waiver from the competitive procurement

25 requirements is necessary since it is clear that a contract to address this complex situation

26 will not be ready for execution by February 7, 2025, and there is an urgent need to

27 quickly procure the services and equipment needed to respond to this emergency;

28 NOW, THEREFORE, BE IT MOVED by the Council of King County:

29 The waiver from competitive bidding and solicitation requirements of state and

30 county law as in the January 17, 2025, proclamation of emergency issued by the

Motion

---

- 31 executive is extended until either the executive terminates the proclamation of the  
32 emergency or the council by motion terminates this waiver.
