672	2. Upon the death of a domestic partner.))
673	C. ((All affidavits of marriage/domestic partnership,)) All marriage certificates,
674	certifications of Washington state registered domestic partnerships, and notices of
675	termination of marriage ((+)) or state-registered domestic partnership ((, and any

676	information contained in said affidavits)) submitted to the county shall be confidential and
677	subject to disclosure only upon express written authorization by the persons identified in
678	the forms or if otherwise required by law.
679	SECTION 8. Ordinance 12014, Section 10, and K.C.C. 3.12.050 are each hereby
680	amended to read as follows:
681	All career service employees shall be members of the county career service
682	mandated by Section 510 of the charter. The recruitment, selection, and promotion of
683	((such)) career service employees shall be competitive and shall be based on merit. Career
684	service employees shall have ((such)) the rights, working conditions, and benefits as are
685	specified by this chapter.
686	SECTION 9. Ordinance 12014, Section 11, as amended, and K.C.C. 3.12.060 are
687	each hereby amended to read as follows:
688	If the functions of another governmental entity are assumed by the county, and if
689	former employees of that entity become county employees, then the director shall
690	determine whether ((such)) the employees will be members of or exempt from the career
691	service. In making this determination, the director shall apply the standards contained in
692	Section 550 of the charter. The <u>career service</u> status of each employee shall be equivalent
693	to that which the employee would have had, had the employee been a county employee
694	during the term of the former employment. Nothing in this section shall derogate from the
695	county's power to eliminate positions and lay off employees because of lack of work, lack
696	of funds, or considerations of operational efficiency.
697	SECTION 10. Ordinance 4324, Section 14, and K.C.C. 3.12.080 are each hereby
698	amended to read as follows:

699	Appointment of ((eounty)) executive-branch employees ((within the executive

704	SECTION 11. Ordinance 12014, Section 12, and K.C.C. 3.12.090 are each
705	hereby amended to read as follows:
706	A. The director shall establish ((examination)) selection procedures for filling
707	existing and anticipated vacant <u>career service</u> positions ((in the career service)).
708	((Examinations)) Selection procedures may be open or promotional, depending upon which
709	will best serve the interests of the county.
710	B. All ((examinations)) selection procedures for career service positions shall be
711	competitive.
712	SECTION 12. Ordinance 12014, Section 13, as amended, and K.C.C. 3.12.100
713	are each hereby amended to read as follows:
714	A. ((There)) All employees in career service positions shall ((be)) serve a
715	probationary period, during which time ((a)) the appointing authority shall evaluate the
716	probationary employees ((shall be evaluated by the appointing authority)) to determine
717	qualification for entry into the career service. Except as otherwise provided in this section,
718	an individual's appointment, promotion, demotion, or transfer by competitive process to a
719	career service position is not final unless the employee successfully completes the

721	be not less than six months or more than one year of actual service, and shall be served by

722	those employees who have been newly hired or reemployed or have moved from another
723	((career service)) position, whether through promotion, demotion, or transfer except:
724	1. There shall not be a probationary period following a reclassification;
725	2. If an employee is hired into a career service position and served in a special
726	duty capacity in the same position or doing substantially similar work within one year of
727	that hire, the employee shall receive credit towards the employee's probationary period for
728	the time served in the special duty role;
729	3. An appointing authority who hires a temporary employee into a career service
730	position, may count all prior continuous employment in the same position or time
731	performing the same work toward satisfying the probationary period requirement;
732	4. A furloughed employee's probationary period shall not be extended as a result
733	of a budgetary furlough; and
734	((2-)) 5. A career service employee who transfers to a position within the
735	employee's same classification, pay range, and department or agency shall not be required
736	to serve a probationary period unless the director of the department of human resources or
737	its successor or the director's designee makes a written finding, in advance of the transfer,
738	that the essential functions of the new position are substantially different from those of the
739	employee's previous position, taking into consideration: the specific duties of the position;
740	the work setting; the skills, training, and experience needed; the level of available support
741	and supervision; and any other factors the director or designee deems relevant.
742	B. A probationary employee may be separated from county service at any time
743	during the probationary period without right of appeal to the personnel board.
744	Notwithstanding any other provisions of this section, an employee who does not

successfully complete the probationary period in a position to which the employee had	
been promoted or transferred may be restored to the employee's former position. Such	
restoration is not mandatory, but is optional at the discretion of the former appointing	
authority within the limits of available authorized positions. Such restoration shall include	
restoration of the employee's former salary and all other benefits to which the employee	
would have been entitled if the promotion or transfer had not occurred.	
SECTION 13. Ordinance 12014, Section 14, as amended, and K.C.C. 3.12.110	
are each hereby amended to read as follows:	
A. It shall be the policy of the county to provide, within budgeted appropriations,

772	any county officer or employee from the performance of any duty imposed upon the officer
773	or employee by any other law of this county, or from the rendering of service at such times
774	and places as are necessary in order to properly perform the functions of the officer or
775	employee's office or employment.
776	B. Except as otherwise provided by ordinance, t)) The official workday shall
777	consist of eight hours of work for all full-time ((regular and full-time probationary))
778	employees. The ((lunch hour)) meal period shall not be considered ((as)) part of the
779	workday. ((The official workday for other employees shall be determined)) Alternative
780	workdays may be approved by the director. In the case of service reductions resulting in a
781	budgetary furlough, departments may reduce work hours or county offices may be closed.
782	$((C_{\cdot}))$ <u>B.</u> $((Except as otherwise provided by ordinance, t)) The official$
783	((workweek)) work week shall consist of five working days for all full-time ((regular and
784	full-time probationary)) employees. ((The official workweek)) Alternative work weeks for
785	((other)) employees ((shall)) may be determined by the director. In the case of service
786	reductions resulting from a budgetary furlough, county offices may be closed, resulting in
787	the reduction of the ((workweek)) work week.

((D. The county recognizes that there is an occasional need for an employee to
return to work outside of the employee's normal workday. The personnel guidelines shall
contain procedures relating to call duty.

A career service employee who accepts an appointment to an exempt position effective on or after January 1, 1996, and which position and appointment resulted from the reorganization of the executive branch as reflected in the creation of certain new positions contained in Attachment A to Ordinance 12013 shall retain the employee's career service status and rights while holding such exempt position and have the restoration rights set forth in this section. This provision is not intended to provide the career service employee with a right to the exempt position. But, such employee, if selected for the exempt position, could be terminated from the position only for just cause.

G. A career service employee who accepts a transfer or promotion to an exempt position before December 1, 1979, shall, upon separation from the exempt position, be allowed to re-enter career service at a position comparable in terms of responsibilities and salary or wage (including normal cost of living increases) to the career service position formerly held by the employee.)) C. A career service employee accepting ((such)) a transfer or promotion ((on or after December 1, 1979)) to a career service exempt position, shall have ((such)) a right to ((restoration)) reenter career service, but only if:

1. The ((right to restoration)) reentry is exercised within four calendar years from the effective date of the transfer or promotion to a((n exempt)) position exempt from career service; and

811	2.a. $((\mathfrak{t}))$ The former appointing authority, at the appointing authority's discretion,
812	approves the restoration within the limits of available authorized positions; or
813	b. a different appointing authority, having jurisdiction over comparable authorized
814	positions, and at the different appointing authority's discretion, approves the restoration
815	within the limits of available authorized positions.
816	((H. Matters involving wages and hours, including but not limited to minimum
817	wage and overtime compensation, shall be determined in accordance with applicable state
818	and federal laws and regulations.
819	L)) D. A career service employee who resigns in good standing or accepts another
820	career service position may be rehired in the same classification or in a lower classification
821	in the same classification series without a competitive hiring process, if the employee is
822	rehired within two years after resignation and the employee meets the current education,
823	experience, and physical qualifications for the position. The employee must serve a
824	probationary period. Employees eligible for comprehensive leave benefits who are rehired
825	within two years may be eligible for restoration of their vacation accrual rate and previous
826	sick leave balances in accordance with K.C.C. 3.12.190 and 3.12.220.
827	E. Overtime work may be authorized by the ((department director)) appointing
828	authority where necessary to maintain or perform ((vital)) county services. ((and shall be
829	paid in accordance with appropriate state and federal law.
830	J_{-})) F_{-} If ((a)) the county ((agency or the benefits, payroll and retirement operations
831	section of the central employee services division)) has determined that an overpayment of
832	wages to a nonrepresented employee has occurred, the ((agency or the benefits, payroll and
833	retirement operations section of the central employee services division)) county shall

834	provide written notice to the nonrepresented employee consistent with ((state law)) RCW
835	<u>49.48.210</u> .
836	$((K_{-}))$ <u>G</u> . The following adjudicative process is available $((, subject to subsection K.)$
837	1. through 12. of this section,)) after a decision regarding a nonrepresented employee's
838	challenge to an initial determination of an overpayment of wages:
839	1. A nonrepresented county employee who is dissatisfied with the decision
840	regarding the employee's challenge to the overpayment determination must submit to the
841	manager ((of the benefits, payroll and retirement operations section)) of the central
842	employee services division a written request for an adjudicative proceeding consistent with
843	RCW 49.48.210;
844	2. The request must comply with RCW 49.48.210;
845	3. A county agency's determination concerning an overpayment to a
846	nonrepresented employee shall be final if the nonrepresented employee fails to request an
847	adjudicative proceeding in the manner prescribed by RCW 49.48.210;
848	4. The manager of benefits, payroll and retirement operations section of the
849	central employee services division shall log the date and time of the request and forward
850	the request to the agency and to the manager of the central employee services division, who
851	shall be responsible for the adjudicative proceeding;
852	5. Within forty-five business days of receipt of the nonrepresented employee's
853	written request for an adjudicative hearing, the manager of the central employee services
854	division shall conduct an adjudicative hearing to review the decision regarding the
855	challenge to the overpayment determination and to determine the final amount of the
856	overpayment, if any, received by the nonrepresented employee. However, the manager of

the central employee services division may, under extenuating circumstances, schedule the adjudicative hearing at a time that is more than forty-five days after the receipt of the request for a hearing. The manager of the central employee services division shall set the time and place of the hearing and give not less than fifteen business days advance written notice to all parties; notice to the nonrepresented employee shall be by certified mail, return receipt requested;

- 6. At the hearing, evidence may be presented by the nonrepresented employee, the agency, and the benefits, payroll and retirement operations section of the central employee services division, but any documents must be provided to the other parties at least five business days before the hearing;
- 7. If the nonrepresented employee fails to attend or participate in the hearing, upon a showing of valid service, the manager of the central employee services division may enter an administrative order declaring the amount claimed, in the notice sent to the employee after the employer's review of the employee's challenge to the overpayment determination, to be assessed against the employee and subject to collection action by the employer as provided in RCW 49.48.200;
- 8. Within thirty business days after the hearing, the manager of the central employee services division shall issue an administrative order that determines the final amount of the overpayment, if any, received by the nonrepresented employee. The manager of the central employee services division shall send a copy of the administrative order, by certified mail, return receipt requested, to the nonrepresented employee at the employee's last known address, to the agency, and to the manager of benefits, payroll and retirement operations section of the central employee services division; however, the

000	manager of the central employee services division may, under extenuating circumstances,
881	issue an administrative order more than thirty days after the hearing;
882	9. The administrative order issued by the manager of the central employee
883	services division shall be final;
884	10. Once a final administrative order determining the final overpayment amount
885	owed by the nonrepresented employee has been entered, a payroll deduction to recover the
886	overpayment may begin as authorized by state law;
887	11. Nothing in this section precludes an agency or the benefits, payroll and
888	retirement operations section of the central employee services division from entering into a
889	voluntary agreement with a nonrepresented employee to repay any overpayment of wages,
890	consistent with state law; and
891	12. The manager of the central employee services division may be recused from
892	conducting an adjudicative hearing, at the manager's discretion, to avoid any real conflict of
893	interest. If this occurs, the director of the department of human resources or designee shall
894	assume responsibility for the hearing.
895	SECTION 15. Ordinance 12014, Section 34, as amended, and K.C.C. 3.12.123
896	are each hereby amended to read as follows:
897	((The council desires to continue the weapons policy established by the
898	Municipality of Metropolitan Seattle prior to assumption of metropolitan functions on
899	January 1, 1994, by the county and continued by the council during the 1994 - 1995
900	transition period.)) The council recognizes that employees in the Metro transit department
901	interact daily with the public in providing public transportation services, are expected to
902	avoid any potentially volatile situation or confrontation, and are required to contact the

appropriate authority for assistance when necessary. In conjunction with the behavior expected of such employees, it is also the policy that the use, threatened use, or possession of a weapon concealed, licensed or otherwise, by such an employee while in the performance of the employee's official duties or while on county property is strictly prohibited and ((will)) shall result in termination. This policy does not apply to commissioned police officers under contract with or employed by the county for investigatory, undercover or enforcement reasons.

SECTION 16. Ordinance 12077, Section 3, as amended, and K.C.C. 3.12.125 are each hereby amended to read as follows:

A. Notwithstanding any other provision of this chapter, in the event the number of hours in the standard work week of a position occupied by a full-time regular employee, part-time regular employee, or((5)) term-limited temporary employee is increased, the sick leave and vacation leave accruals of such employee at the time of the increase shall be adjusted upward so as to insure that the equivalent number of sick leave and vacation leave days accrued does not change. For example, if the standard work week of such a position is increased from thirty-five to forty hours, and if at the time of such change the employee occupying the position had accrued seven hours of sick leave, the sick leave accrual of that employee would be adjusted upward to eight hours. ((This section shall apply to all employees eligible for comprehensive leave benefits occupying positions where the standard work week of the position was increased on or after July 1, 1991.)) After such an increase, such employees shall accrue vacation and sick leave in accordance with the otherwise applicable provisions ((of K.C.C.)) this chapter ((3.12)).

925	B. Separate accounts shall be maintained for any vacation or sick leave accrued
926	before an increase in the number of work-week hours. The "adjusted leave account" shall
927	be used for leave accrued before an increase in the number of work-week hours. The
928	"unadjusted leave account" shall be used for leave accrued subsequent to an increase in the
929	number of work-week hours. Leave in the adjusted leave account shall be used first.
930	C. In the event the number of work-week hours is reduced for any employee whose
931	vacation and sick leave accruals have been adjusted upward under the terms of this section,
932	the remaining hours in the adjusted leave account shall be reduced in the same proportion
933	as the work-week hours are reduced. Under no circumstances shall the adjusted leave
934	account be reduced by a greater proportion than the proportion of the previous upward
935	adjustment. Any leave accrued in the unadjusted leave account shall not be affected by this
936	reduction.
937	D. No adjustment to reduce sick leave or vacation accruals for a furloughed
938	employee shall be made as a result of a budgetary furlough.
939	SECTION 17. Ordinance 12014, Section 16, and K.C.C. 3.12.130 are hereby
940	repealed.
941	SECTION 18. Ordinance 4324, Section 38, and K.C.C. 3.12.140 are each hereby
942	amended to read as follows:
943	((Cost-of-living)) General wage increases as passed by the council annually for
944	county employees shall include elected officials whose salaries are not set by the state.
945	SECTION 19. The following are hereby repealed:
946	A. Ordinance 4324, Section 37, and K.C.C. 3.12.150;
947	B. Ordinance 4324, Section 34, and K.C.C. 3.12.160; and

948	C. Ordinance 12014, Section 17, as amended, and K.C.C. 3.12.170.
949	SECTION 20. Ordinance 12014, Section 18, as amended, and K.C.C. 3.12.180
950	are each hereby amended to read as follows:
951	A. For purposes of this section:
952	1. "County work force" means persons employed by King County executive
953	departments;
954	2. "Job group" means a grouping of jobs as defined by the United States
955	Department of Labor;
956	3. "Labor force availability rate" means the percentage of persons of color or
957	women with requisite job skills in King County as reported by the United States Census
958	Bureau;
959	4. "Persons of color" means persons in each of the following groups: Blacks;
960	Hispanics; Asian/Pacific Islanders; and Native Americans; and
961	5. "Placement goal" shall equal the labor force availability rate.
962	B. The county is an equal opportunity employer and shall carry out federal, state
963	and local laws and regulations prohibiting discrimination in employment on the basis of
964	race, color, religion, religious affiliation, creed, national origin, ancestry, sex, sexual
965	orientation, gender identity or expression, age (except by minimum age and retirement
966	provisions), marital status, honorably discharged veteran or military status, or the presence
967	of a sensory, mental or physical disability. Further, it is the intent of the county to ensure
968	that employment is based on the principle of equal opportunity and that such a principle

C. In order to comply with federal contracting requirements and to ensure equal opportunity for all persons, all county departments shall establish and maintain an effective equal employment opportunity affirmative action plan, as adopted by the council by ordinance. Such an equal employment opportunity affirmative action plan shall promote the objectives of public policy set forth in applicable federal and state laws relating to nondiscrimination, equal employment opportunity, affirmative action and civil rights. Specifically, the plan shall promote the objectives of the State Law Against Discrimination, chapter 49.60 RCW (applicable parts), and provisions of the Washington Administrative Code adopted thereunder. As part of the county's equal employment opportunity affirmative action plan, the executive shall submit by June 1 of every fourth year, commencing with 2018, a proposed ordinance for the approval of an equal employment opportunity affirmative action plan pertaining to executive county departments and agencies to be approved, or modified, by the council by ordinance, or rejected by the council, by January 1 following the plan's submittal to council. The equal employment opportunity affirmative action plan shall include:

- 1. Information related to county work force statistics, which shall include:
- a. a comparison of labor force availability for women and persons of color to the county's actual labor force for women and persons of color as a summary across all departments. The plan shall also compare labor force availability for women and persons of color to the county's actual labor force for women and persons of color by departments

and job group. The plan shall also summarize the percentage of total goal setting areas which meet or exceed the labor force availability rate;

- b. a summary of the county work force by job group and by race and gender;
- c. a discussion of the methodology by which the labor force availability and county work force data is developed and a listing of the county job classifications that are included in each job group;
- d. the total number of persons with disabilities in each job group within the county work force and the total number of persons with disabilities by department voluntarily reported by individuals for equal employment opportunity affirmative action purposes. The plan shall include the number of positions for which an accommodation is currently in effect;
- e. the total number and percentage of employees by salary range and by race and gender. Salary ranges shall be reported in a manner consistent with the equal employment opportunity data reported by the United States Census Bureau. The plan shall include data reported by the United States Census Bureau on the total number and percentage of the labor force working in King County by salary range and by race and gender;
- f. an analysis by race and gender of the positions filled by promotion during the prior plan period. For the purposes of this subsection, "promotions" means those instances in which an individual advances in salary level because the individual changed to a position with a higher pay range assignment either through a competitive process or through a reclassification;

1014	g. a summary by year for the prior plan period on executive-branch
1015	discrimination complaints by basis of complaint and complaint status. The summary
1016	shall also include data by department on the number of complaints filed by complaint
1017	type and the number of people filing complaints; and
1018	h. historical data on the county work force by race and gender. Historical data
1019	before 2014 is required only to the extent it is readily available;
1020	2. Placement goals for the plan period. For those job groups within departments
1021	where the actual number of women and persons of color employed is less than projected
1022	by labor force availability, a placement goal by race and gender shall be established for
1023	the entire plan period. A placement goal shall equal the labor force availability rate.
1024	Placement goals are used to measure progress toward achieving equal employment
1025	opportunity. Placement goals may not be quotas, which must be met, nor do they create
1026	set-asides for specific groups. Placement goals may not be used to supersede merit
1027	selection principles. Further, existence of a placement goals does not constitute evidence
1028	of discrimination. If a placement goal has been established, the plan shall identify the
1029	labor force availability rate;
1030	3. Implementation plans for departments. Each implementation plan shall:
1031	a. identify the activities proposed each year during the plan period to meet the
1032	department's placement goals. The plan shall discuss how the proposed activities will
1033	help the department achieve its placement goals;
1034	b. identify the activities proposed during the plan period by year to recruit,
1035	retain and promote women and persons of color in the work force: and

c. identify the specific activities during the plan period, by year, that each
department will undertake to increase its hiring, retention, and promotion of persons with
disabilities; and
4. A summary of the results of the prior equal employment opportunity
affirmative action plan, which shall include:
a. a description of the progress of each department in completing the activities
listed in subsection C.3. a. through c. of this section proposed in the previous
implementation plan. The outcomes of each activity shall be reported. The department
of human resources shall provide an evaluation of the effectiveness of each department's
implementation activities during the plan period;
b. the status of each placement goal established in the prior equal employment
opportunity affirmative action plan. For each identified placement goal, the status report
shall report the:
(1) labor force availability rate;
(2) total number of positions filled for the corresponding job group within a
department;
(3) of the total number reported under subsection C.4.b.(2) of this section, the
number of positions that were filled by each race and gender category; and
(4) an actual hiring rate for each race and gender category calculated by
dividing the number of positions filled by the number of positions filled by each race and
gender category; and
c. a separate listing of those placement goals for the plan period that were not
achieved. Placement goals are considered not achieved when the actual hiring rate is less

than the availability rate for the overall plan period. For each placement goal not achieved, the plan shall provide an analysis of why the goals were not met including whether the planned implementation activities were completed. Placement goals shall only be considered not achieved in those instances in which the total number of hires is large enough such that it is statistically reasonable to expect under conditions of equal employment opportunity that the number of hires by race and gender will reflect work force availability.

D. The executive shall submit a proposed ordinance approving a new four-year equal employment opportunity affirmative action plan to the council within twelve months of the publication of the appropriate data from the ten-year United States Census.

1277	each hereby amended to read as follows:
1278	A. Employees eligible for comprehensive leave benefits who have been
1279	employed with the county for at least six months of continuous service at the time of a
1280	birth, adoption, or foster-to-adopt placement of a minor child, and are either
1281	nonrepresented or represented by a union that has signed a paid parental leave
1282	memorandum of agreement with the county, are eligible for up to twelve weeks of paid
1283	parental leave.
1284	B. If both parents work for King County, then each employee is entitled to up to
1285	twelve weeks of paid parental leave.
1286	C. An employee's supplemental paid parental leave benefit shall be calculated
1287	based on the employee's accrued paid leave balances at the time of the qualifying event.
1288	The employee shall receive the equivalent of the employee's full salary for up to a total of
1289	twelve weeks, when combined with the employee's accrued leaves, except for one week
1290	of sick leave and one week of vacation leave, or the equivalent for benefit time off. For
1291	example, if an employee has two weeks of accrued vacation and three weeks of accrued

sick leave at the time of the qualifying event, the employee shall be granted nine weeks of supplemental paid leave, bringing the total available paid parental leave to twelve weeks.

- D. An employee may use supplemental paid leave and accrued paid leave in any order and is not required to use any of the accrued paid leave as paid parental leave.
- E. An employee on paid parental leave shall be compensated at the employee's base rate of pay.
- F. An employee should provide notice to the designated representative of the employee's department that the employee intends to participate in the program. The notice should meet the notice requirements for taking family and medical leave under federal law.
- G. Paid parental leave must begin and end within twelve months after the qualifying event. In the case of adoption or foster-to-adopt placement, leave must be taken within one year of the child's birth or placement in the employee's home. The department of human resources shall have the discretion to administer paid parental leave in a way that supports the employee and child, including allowing use of leave after more than one year of the child's birth or placement in the employee's home to address special circumstances in the case of adoption or foster-to-adopt placement.
- H. The employee and the employee's supervisor shall agree upon a schedule for taking paid parental leave that is consistent with the county's operational needs. An employee may use the paid parental leave on a part-time or intermittent basis as long as it is consistent with the county's operational needs and is approved in writing by the supervisor before the leave begins.

1315	I. Paid parental leave shall run concurrently with King County family and
1316	medical leave, as well as federal and state family and medical leave, to the extent
1317	permitted by law.
1318	J. During the time that an employee is on leave in the program, the employee's
1319	job shall be protected to the same extent that an employee's job is protected while the
1320	employee is on family or medical leave under federal or state law. No retaliatory action
1321	may be taken against an employee for participating or planning to participate in the
1322	program or for exercising the employee's rights under Ordinance 18408. In particular,
1323	permission to use accrued paid leave shall not be denied or delayed on the basis that the
1324	employee intends to participate in the program. This is a general statement of county
1325	policy that cannot form the basis of a private right of action.
1326	K. Taking leave under the paid parental leave program shall not affect an
1327	employee's health benefits or an employee's accrual of paid leave, which shall continue
1328	during the period of paid parental leave.
1329	L. Employees shall not be compensated in any manner for not using the
1330	supplemental paid parental leave.
1331	M. An employee who does not return to work for at least six months of
1332	continuous service following the paid parental leave, shall be required to reimburse King
1333	County for the supplemental paid parental leave funds received. This does not apply to
1334	an employee whose employment ends involuntarily, such as if the employee is laid off or
1335	medically separated.
1336	If an employee is taking paid parental leave intermittently, the six months begins
1337	after the last day the employee used paid parental leave. An employee whose position is

scheduled to end in a timeframe that would not enable the employee to return to work for	<u>or</u>
six months following the leave, is not entitled to take paid parental leave.	

SECTION 29. Ordinance 12014, Section 21, as amended, and K.C.C. 3.12.220 are each hereby amended to read as follows:

Progressive measures are not required and there shall be no formal right of appeal for any corrective action taken by the county. The services of a volunteer for the county may be terminated at any time by either the volunteer for the county or by the county for any reason without cause or notice;

- 4. The use of county resources and property by a volunteer for the county is limited to the conduct appropriately required to deliver the volunteer services within the scope of work identified for the volunteer and uses that are available to the general public as provided in K.C.C. 3.04.020;
- 5. For each program that uses volunteers for the county, departments shall develop a code of conduct. The department shall provide volunteers for the county with a copy of the relevant code of conduct or post the code of conduct in an area where volunteers report for work. Codes of conduct shall include the principles of behaving with respect toward other volunteers for the county, behaving with respect toward members of the public, behaving with respect toward county employees and behaving with respect for individuals, animals or property that are the focus of the program using volunteers for the county. Individuals who violate the code of conduct shall be subject to the corrective measures in subsection C.3. of this section; and
- 6. The departments, in consultation with the director of the department of human resources, shall be responsible for the administration of volunteer programs and the management of volunteers for the county in accordance with the policies and standards established by this chapter.

2222	SECTION 55. Ordinance 12943, Section 13, and K.C.C. 3.12A.010 are each
2223	hereby amended to read as follows:
2224	The council finds that both operational efficiency and fair and equitable
2225	employment practices are advanced by the use of regular, career service employees where
2226	appropriate. Therefore, it is the policy of King County to have ongoing, relatively stable,
2227	and predictable bodies of work necessary to the provision of services to the public
2228	performed by career service employees, and to minimize its use of part-time and temporary
2229	employees. This is not meant to limit the number of employees employed in part-time
2230	regular positions or to contract out work in appropriate situations. To achieve that goal, the
2231	council hereby adopts the procedures set forth in this chapter.
2232	SECTION 56. Ordinance 12943, Section 14, as amended, and K.C.C. 3.12A.020
2233	are each hereby amended to read as follows:
2234	The definitions set forth in K.C.C. chapter 3.12 are hereby incorporated in this
2235	chapter. Words not defined in K.C.C. chapter 3.12 or in this chapter shall have their
2236	ordinary and usual meanings. In the event of conflict, the specific definitions set forth in
2237	this chapter shall presumptively, but not conclusively, prevail.
2238	A. "Committee" means the career service review committee, which shall consist
2239	of:
2240	1. The following three permanent members:
2241	a. the county executive or designee;
2242	b. the chief officer of the office of performance, strategy, and budget or
2243	successor organizational unit or designee; and

2244	c. the director of the department of human resources or successor organizational
2245	unit or designee; and
2246	2. One member representing the department whose body of work or employees
2247	are then under review.
2248	SECTION 57. Ordinance 12943, Section 15, and K.C.C. 3.12A.030 are each
2249	hereby amended to read as follows:
2250	The executive shall conduct an annual review as described herein. By March 1 of
2251	each year, ((beginning March 1, 1999,)) each executive department and administrative
2252	office shall prepare and submit to the committee a comprehensive report documenting its
2253	use of part-time and temporary employees, other than probationary and provisional
2254	employees, in the preceding calendar year.
2255	Within ((60)) sixty days of submission of the ((above)) reports required under this
2256	section, the committee shall make a factual determination as to whether an ongoing,
2257	relatively stable, and predictable body of work on an annualized basis has been identified.
2258	If the committee determines that such a body of work exists, the committee may
2259	recommend: (1) the creation of any new part-time or full-time regular career service
2260	position(s); or (2) the filling of an existing vacant career service position in which the
2261	work is being performed by a temporary or part-time employee(s); or (3) the creation of a
2262	term-limited temporary employee position; or (4) the cessation of the work. If the
2263	committee identifies such a body of work, but the committee does not make any of the
2264	recommendations described ((above)) in this section, the department must discontinue the
2265	use of part-time or temporary employees to perform that work. If the committee
2266	recommends creation of a regular career service position, but the executive does not

2267	recommend or the council does not create such a position, the department shall discontinue
2268	performance of the pertinent body of work by temporary or part-time employees.
2269	Any regular career service position created as a result of this process ((will)) shall
2270	be filled by a competitive hiring process.
2271	The reports of each department and of the committee and the records of ((their)) the
2272	committee's proceedings shall be considered disclosable public records and shall also be
2273	made available to the council upon request.
2274	SECTION 58. Ordinance 12943, Section 16, and K.C.C. 3.12A.040 are each
2275	hereby amended to read as follows:
2276	Part-time and temporary employees, other than probationary, provisional, and term-
2277	limited temporary employees, who exceed the calendar year working hour thresholds set
2278	forth in the definitions contained in K.C.C. chapter 3.12 shall receive pay in lieu of benefits
2279	as provided in K.C.C. <u>chapter</u> 3.12. ((Provided, that)) <u>However</u> , exceeding the threshold
2280	hours does not confer career service status on any employee.
2281	SECTION 59. Ordinance 12943, Section 17, as amended, and K.C.C. 3.12A.050
2282	are each hereby amended to read as follows:
2283	A. <u>1.</u> Part-time and temporary employees, other than probationary and provisional
2284	employees, who exceed the ((ealendar-year)) working-hour thresholds set forth in the
2285	definitions contained in K.C.C. chapter 3.12 may seek conversion of a body of work ((in
2286	which)) they perform into a part-time or full-time regular career service position by appeal
2287	to the committee. Conversion decisions shall be based on whether the work performed by
2288	the employee is an ongoing, relatively stable, and predictable body of work that is half time
2289	or more, even though the work was not perceived as such previously, and whether it should

2290	be performed by a regular part-time or full-time career service employee. The committee
2291	shall also decide, if the body of work does not warrant a career service position, whether
2292	the position should be converted to a term-limited temporary employee position. The
2293	committee shall determine whether the work performed by the employee shall:
2294	((1.)) <u>a.</u> $((R))$ remain outside career service as part-time or temporary;
2295	((2.)) <u>b.</u> $((B))$ <u>be</u> converted to a term-limited temporary employee position that
2296	receives benefits; or
2297	((3.)) c. $((B))$ be converted to a part-time or full-time regular career service
2298	position.
2299	B. The committee shall make its determination within forty-five days of the
2300	employee's request. In the event of a tie vote by the committee, where half the committee
2301	finds that the body of work should be converted, the appeal shall be deemed to have
2302	prevailed. The committee shall make a recommendation to the executive for
2303	recommendation to the council. The executive's recommendation shall be submitted to the
2304	council if the executive decides the body of work should be performed by a career service
2305	employee and that further position authority is required. If the council does not approve the
2306	additional position, the work shall promptly be discontinued and not performed by
2307	temporary or part-time employees.
2308	If the committee finds that the work performed by the employee should remain
2309	part-time or temporary, the employee may appeal within ten days from the date of receipt
2310	of the committee's finding by filing a notice of appeal with the committee. The committee
2311	shall direct the appeal to be considered by a hearing examiner of the county or, at its
2312	option, the committee may direct the appeal be considered by an independent, neutral

arbitrator who ((will)) shall make a final determination. The arbitrator shall be chosen by the director and the appellant, and shall be paid by the employing department or administrative office.

The hearing examiner's or arbitrator's decision shall be limited to either upholding the committee's finding or overturning the committee's finding. The decision shall be based on whether the work performed by the employee is an ongoing, relatively stable, and predictable body of work and is half-time or more, under the same standards applicable to the committee, or on whether the work meets the definition of term-limited temporary position. Employees covered by a grievance procedure contained in a collective bargaining agreement may elect either to use the grievance procedure, if the applicable collective bargaining agreement permits it, or to use the appeal procedure described above, but not both procedures.

If the hearing examiner or arbitrator overturns the committee's findings, any new career service or term-limited temporary position must be absorbed by the department within its authorized position level, or within funds available for term-limited temporary position work, provided that the department may request additional position or budget authority. The appealing employee ((will)) shall be placed in the career service position as a provisional appointee, with insured benefits and comprehensive leave benefits, until a competitive hiring process, which substantially takes into account and weighs the experience of the employee performing the tasks of the position, is completed. If the appealing employee is selected for the position, the employee's start date ((will)) shall be the date of the provisional appointment for all purposes, including seniority and/or a probationary period, except that those employees covered by a collective bargaining

agreement the date of the appointment shall be determined in accordance with the collective bargaining agreement or by the collective bargaining process. If the employee is placed in a term-limited temporary position, the employee's start date ((will)) shall be the date of the employee's appointment to the term-limited temporary position for all purposes, except for those employees covered by collective bargaining agreements, whose start date ((will)) shall be determined by the collective bargaining agreement or by the collective bargaining agreement process.

((B·)) <u>C.</u> Appeal Procedure ((F)) for Term-Limited Temporary Employees. A term-limited temporary employee who exceeds the employee's term may appeal to the committee to have the body of work converted to a career service position. The committee shall decide whether the body of work still warrants a term-limited temporary position designation or should be converted to a career service position. If a majority of the committee finds that the body of work should continue as a term-limited temporary position, the employee may appeal within ten days from the date of receipt of the committee's finding by filing a notice of appeal with the committee. In the event of a tie vote, the appeal shall be deemed to prevail. The appeal process shall be the same as for part-time and temporary employees (((+))₂ other than probationary and provisional employees((+), provided,)); however, if the employee prevails in the appeal, the employee shall be placed in a career service position, not a provisional appointment, and the employee shall not be required to serve a probationary period.

SECTION 60. Ordinance 12943, Section 18, and K.C.C. 3.12A.060 are each hereby amended to read as follows:

2358	Nothing in this chapter shall restrict King County's ability to terminate part-time
2359	and temporary employees who exceed the calendar year working hour thresholds or term-
2360	limited temporary employees who exceed the calendar years threshold set forth in the
2361	definitions contained in K.C.C. <u>chapter</u> 3.12; ((provided,)) however, ((that)) if an employee
2362	seeks conversion of ((their)) the employee's position by appeal to the committee,
2363	termination of that employee for reasons related to the appeal shall be deferred until the
2364	conclusion of the appeal process described ((herein)) in this chapter. If the employee's
2365	appeal is successful, the employee shall not be terminated but rather be assigned to a
2366	position as required by the appeal process described herein.
2367	SECTION 61. Ordinance 18696, Section 2, and K.C.C. 3.12S.010 are each
2368	hereby amended to read as follows:
2369	A. The executive is hereby authorized to establish a program in agencies
2370	identified by the executive that incentivizes retirement-eligible employees to voluntarily
2371	leave county employment, but only if:
2372	1. The voluntary separation program will enable the agency to avoid a budget
2373	shortfall that would result in program cuts or reductions in force, or the voluntary
2374	separation program will result in labor cost savings; and
2375	2. The agency will not fill the separating employee's position or will fill the
2376	position at a lower wage rate that is expected to result in a net twenty percent annual
2377	salary cost savings.
2378	B. The executive is further authorized to enter into or extend agreements with
2379	labor organizations to provide the same incentive program as provided for
2380	nonrepresented employees under this chapter. If such an agreement addresses no other

2381	subject or additional terms, it shall have the force of law upon execution by the parties,
2382	without enactment by ordinance.
2383	C. <u>1.</u> $((In order t))$ To be eligible for the program, the employee must:
2384	a. have at least five years of <u>current continuous regular</u> county service((;
2385	must)) <u>:</u>
2386	<u>b.</u> not be a temporary employee ((and must));
2387	c. be eligible to apply for a pension from the Law Enforcement Officers and
2388	Firefighters Retirement System, Public Employees Retirement System, Public Safety
2389	Employees Retirement System, or the ((eity of Seattle Retirement Plan)) Seattle City
2390	Employees' Retirement System, before December 31 of the calendar year in which the
2391	employee applies for the program; and
2392	d. have not previously retired from King County government.
2393	2. While the employee must be retirement-eligible and must separate from the
2394	county, the employee need not actually begin drawing a pension to be considered eligible
2395	for the program. An employee who has resigned, retired, or submitted written
2396	notification of the employee's intent to do so before the employee's employing agency has
2397	announced its intention to participate in the program, is ineligible to participate in the
2398	program.
2399	D. Participation in the program by employees is entirely voluntary.
2400	E. As a financial incentive, the county shall pay to currently employed,
2401	retirement-eligible employees who request, and are authorized by the executive, to
2402	voluntarily separate from county service, a one-time payment equal to twenty-six-weeks
2403	of the Washington state employment security department's maximum weekly

unemployment benefit amount in effect as of January 1 of each calendar year. This one-
time payment amount issued to the eligible participant ((will)) shall be in the amount
effective for the year the participant was approved for the program and separates from the
county. For part-time employees, this one-time payment ((will)) shall be prorated based
on the percentage that employee works as measured against a full-time employee.

- F. The program shall require that participating employees enter into a written agreement with King County that sets forth the terms and conditions of their voluntary separation, including but not limited to:
- 1. Any employee approved to participate in the program must leave county employment by written resignation or retirement no later than December 31 of the year in which the employee applies for the program. Agencies may establish deadlines and procedures, which may vary by agency for employee participation in the program;
- 2. The employee ((will)) shall not seek reemployment with the county in any county position;
- 3. The employee agrees that the employee is not eligible for, and ((will)) shall not apply for, unemployment compensation and signs a waiver of any claim for unemployment compensation; and
- 4. The employee must sign a waiver or release of any claim under the Age Discrimination in Employment Act and the Older Worker Benefit Protection Act.
- G. The executive's approval of any employee request to participate in the program is discretionary, and consideration will be given to the impact to service delivery, retention of a skilled employee or employees, cost of refilling a position or

2426	positions, short-term and long-term budget savings, and the employee's length of service
2427	with the county.
2428	H. All decisions to approve or deny the requests of individual employees to
2429	participate in the program shall be in writing and shall report the savings impacts, either
2430	short-term or long-term, or both, if the request is approved or denied. Decisions to
2431	approve or deny a request shall not be the subject of a grievance.
2432	I. The executive shall include, as part of the program, a clear designation of who
2433	is authorized in each agency to approve or deny employee requests to participate in the
2434	program. Employees of agencies headed by elected officials, other than the executive,
2435	are ineligible to participate in the program unless their request is approved by both the
2436	executive and the head of the applicable agency.
2437	SECTION 62. Ordinance 12014, Section46, as amended, and K.C.C. 3.14.010 are
2438	each hereby amended to read as follows:
2439	The powers and duties of the ((sheriff's)) civil service commission under chapter
2440	41.14 RCW are hereby assigned to the department of human resources except those powers
2441	and duties set forth in RCW 41.14.120 and outlined in K.C.C. 3.14.020.

2459	B. Except to the extent they are inconsistent with the provisions of this chapter,
2460	the current rules and regulations of the sheriff's civil service commission, which are on

2462	part hereof and adopted for the administration of the sheriff's personnel system. The
2463	executive shall review such rules and regulations and report periodically to the council

2481	positions in the office of the sheriff and the department of assessments allocated to a
2482	classification approved by the council.
2483	A.1.)) Except as otherwise provided by ordinance, the ((schedule of pay ranges))
2484	salary table shall consist of ninety-nine pay ranges, each containing ten steps as approved
2485	by ordinance annually.
2486	((2. On a continuing three-year cycle, the executive shall assess market conditions
2487	and determine whether to make adjustments, if any, to pay ranges assigned to existing
2488	classifications.

2564	shall be placed at the same step in the new pay range as the employee was in the previous
2565	pay range.
2566	4. If the pay range of the classification decreases due to a pay range adjustment,
2567	and the pay is the same or less than the top step of the new range, the incumbent employee
2568	shall be placed at the step closest to their current pay rate that is not lower than their current
2569	pay rate. If the employee's pay rate is greater than the highest step of the new pay range,
2570	the incumbent employee shall be placed at the top step of the new range.
2571	SECTION 73. K.C.C. 3.15.120, as amended by this ordinance, is hereby

2637	classification;

- H. A pay increase as a result of a reclassification may not exceed the top step of the new range, unless the employee's former pay includes above-Step-10 merit pay. If the employee's former pay includes above-Step-10 merit pay, the employee's new pay is calculated using the above-Step-10 amount. If the increase from reclassification results in pay that is above the top step of the new range, the

pay shall be reduced to the top ste	p of the new range at the end of the incentive
period, unless the employee requa	lifies for above-Step-10 merit award.

- I. Implementation of a reclassification and any related pay change shall be effective at the start of the pay period following receipt of the completed reclassification request form at compensation and classification services in the department of human resources, except a reclassification to a lower pay grade shall be effective at the start of the pay period at least thirty calendar days after notification of the classification determination from the department of human resources.

2705	rate of the incumbent employee shall be increased to the first step of the pay range of the
2706	new classification or the step that is at least five percent above the former rate of pay,
2707	whichever is greater. The promoted employee may be placed at a higher step in the pay

2714	((incentive)) merit pay, the employee's new pay is calculated upon the above-Step-10
2715	amount. If the increase from a promotion results in pay that is above the top step of the
2716	new range, the pay shall be reduced to the top step of the new range at the end of the
2717	((incentive)) merit period unless the employee requalifies for an above-Step-10
2718	((incentive)) merit award.
2719	C. Implementation of a promotion and any related pay change shall be prospective
2720	and is effective when the promotion is approved by the director.

2726	A.1. A department director and, when required, the director of the department of
2727	human resources, may assign an employee in a regular position to an existing
2728	classification for a limited term when the duties and responsibilities of the other
2729	classification comprise the majority of the work performed for a minimum of thirty
2730	calendar days. This is called a special duty assignment.
2731	2. Temporary employees, including term-limited temporary employees, are not
2732	eligible for special duty assignments.

2735	2. Assignments may be approved for up to a term of twelve months if
2736	authorized in advance by the department director to backfill for a vacant regular position,
2737	or to provide additional staffing needed:

2739	is routinely expected, but the work is of a limited duration;
2740	b. due to work that is unanticipated due to unique circumstances that are not
2741	expected to reoccur; or
2742	c. to either develop or implement, or both, a new function, system, or proposal.
2743	3. Assignments may be approved for up to a term of up to three years if

2/44	authorized in advance by the director to perform a significant or substantial body of

2751	medical reason;
2752	(2) an employee is absent because of military service; or
2753	(3) an employee is absent because of a special duty or another assignment;

2758	employee's absence.
2759	6. Special duty assignments to salaried classifications shall be made in full-
2760	week increments, from Saturday through Friday.
2761	7. An employee's special duty assignment shall end when management becomes
2762	aware that the employee's absence will exceed thirty calendar days or at the conclusion of
2763	a thirty-day absence, whichever occurs first.
2764	C. A special duty assignment must be made in writing to the employee before the

2766	description and must list the specific duties that the employee is to perform and the

duration of the assignment. The written notice must also include a statement that the
assignment does not confer on the employee any new privilege, right of appeal, right of
position, transfer, demotion, promotion, or reinstatement. A special duty assignment may
be revoked at any time at the discretion of the appointing authority. Special duty pay
may not be assigned retroactively.

- D. If the special duty assignment is to a higher-level classification, the pay increase shall be to the first step of the pay range of the higher-level job classification or a flat five percent above the base rate of pay, whichever is greater.
- E. If the employee was receiving above-Step-10 merit pay, the pay for the special duty assignment is calculated using the merit pay and may result in merit pay while in the special duty assignment.
- F. If an assignment is to a lateral or lower-paying classification, the employee shall continue to receive their current rate of pay for the assignment.
- G. While on special duty assignment, the employee shall continue to be eligible for step increases in the employee's regular position. If the employee is at Step-10 in the employee's regular position, the employee shall be eligible for step increases in the special duty classification.
- H. Any accrued compensatory time shall be cashed out before an hourly employee begins a salaried special duty assignment, and before an employee in an hourly special duty assignment returns to a salaried regular position.
- I. When the special duty assignment is completed, the employee's pay shall revert to the rate of pay the employee would have received if the employee had not been assigned to special duty.

J. Special duty pay shall not be considered part of an employee's base rate of pay
for purposes of placement within a salary range as a result of promotion or
reclassification, for purposes of cashing out vacation or sick leave, or when making
vacation or sick leave donations. If the special duty position is converted to a regular
position while the employee is serving in the special duty assignment, and the employee
is promoted into the regular position, the employee's rate of pay shall not be lower than
the rate of pay the employee received during the special duty assignment. The promoted
employee may be placed at a higher step in the pay range if the employee's department

3148	costs are consistently greater than the commuting costs associated with overnight vehicle

STAFF REPORT

Agenda Item:	6	Name:	Gene Paul
Proposed No.:	2025-0085	Date:	June 10, 2025

SUBJECT

Proposed Ordinance 2025-0085 would amend nine of the 21 chapters in King County Code Title 3, which pertains to personnel.

SUMMARY

Article 5 of the King County Charter requires the County to "establish and maintain an effective personnel system." The Charter further directs that the Executive shall administer the personnel system in accordance with the rules adopted by the Council by ordinance. These personnel rules shall provide for, among other things, the classification of employees, a pay plan, the methods for determining appointment and promotion, removal of employees, hours of work, vacation and sick leaves, and procedures for grievances and disciplinary actions.²

Title 3 of the King County Code contains 21 chapters that pertain to personnel. Proposed Ordinance (PO) 2025-0085 would make numerous policy and technical changes to the following nine chapters to align those chapters with current state and federal law as well as current County business practices:

- 3.12 Personnel System
- 3.12A Career Service Review
- 3.12S Voluntary Separation Program
- 3.14 Civil Service Commission
- 3.15 Pay Plan and Classification of Positions
- 3.16 Labor and Employee Relations
- 3.28 Compensation for Use of Privately Owned Vehicles
- 3.30 Use of County Vehicles to Commute
- 3.36 Charitable Contributions from County Employees

² Section 530, King County Charter

BACKGROUND

Article 5 of the King County Charter requires the County to "establish and maintain an effective personnel system." The Charter further directs that the Executive shall administer the personnel system in accordance with the rules adopted by the Council by ordinance. These personnel rules shall provide for, among other things, the classification of employees, a pay plan, the methods for determining appointment and promotion, removal of employees, hours of work, vacation and sick leaves, and procedures for grievances and disciplinary actions.

Title 3 of the King County Code contains 21 chapters that pertain to personnel. Chapter 3.12, the Personnel System, and Chapter 3.15, Pay Plan and Classification of Positions, are two chapters that are particularly impactful. Much of the language used in the King County Personnel Guidelines, which implements personnel policies for employees assigned to Executive agencies, is quoted directly from these two chapters. Other chapters in Title 3 provide the rules for things such as the Employee Code of Conduct, the Personnel Board, the Civil Service Commission, labor relations, work-related travel, and employee charitable contributions.

Although there have been changes to Title 3 over time, such as to align the code with Coalition Labor Agreements⁶ or establish new policies like the County paid parental leave⁷ or the voluntary separation program,⁸ the Executive has transmitted a proposed ordinance that would more thoroughly update nine chapters in Title 3.⁹ Because portions of these chapters retain their original language from when they were enacted 30-40 years ago, the proposed ordinance would more holistically update these chapters to align with current state and federal law as well as current County business practices. Assuming passage of this proposed Title 3 update, the Personnel Guidelines, which became effective in April 2005, could then also be comprehensively updated.

ANALYSIS

Proposed Ordinance (PO) 2025-0085 would make numerous policy and technical changes to the personnel code found in King County Code Title 3. This staff report provides analysis of the proposed changes to each of the following chapters:

- 3.12 Personnel System
- 3.12A Career Service Review
- 3.12S Voluntary Separation Program
- 3.14 Civil Service Commission
- 3.15 Pay Plan and Classification of Positions

⁹ Proposed Ordinance 2024-0143, the first proposed update to Title 3 that was transmitted by the Executive, was introduced in May 2024 but lapsed in February 2025. Proposed Ordinance 2025-0085 is largely the same ordinance with a few technical updates. The technical updates are noted by highlighted text in the Summary of Proposed Changes, Attachment 4.

- 3.16 Labor and Employee Relations
- 3.28 Compensation for Use of Privately Owned Vehicles
- 3.30 Use of County Vehicles to Commute
- 3.36 Charitable Contributions from County Employees

The Title 3 Update Matrix, which is Attachment 5 to this staff report, provides a table that combines the summary of changes that was transmitted along with the proposed ordinance with the existing code and proposed changes to the code.

3.12 Personnel System. Chapter 3.12, which currently contains 57 sections, governs the personnel system. The chapter contains an extensive list of over 70 definitions that apply to the personnel system. The chapter also has provisions for, among other things, the selection and training of employees, employee benefits like holidays and leave, working conditions, the disciplinary process, and the general administration of the personnel system.

The PO includes about 140 proposed changes to Chapter 3.12, which amounts to roughly two-thirds of the total modifications in the Title 3 update. The following items are the more substantive changes proposed in the ordinance for this chapter.

Statement of Intent (Section 1 of PO, Change #1 in Attachment 5).¹⁰ The PO would update the statement of intent for Chapter 3.12 currently found in K.C.C. 3.12.005. The existing statement was written in 1989, and Executive staff indicated that the proposed version articulates a more positive statement about the County's commitment to equity and social justice, including that "King County is determined to be a leader in the implementation of equitable, and racially and socially just employment programs and policies." The updated language would also ensure compliance with state laws enacted after 1989 and with recent Supreme Court decisions that pertain to discrimination and preferential treatment.¹¹

Definitions (Section 2 of PO, Changes #2-37 in Attachment 5). The PO would update or add new entries for 35 definitions in the chapter. While the majority of these definition updates are technical in nature, there are also some substantive and clarifying changes proposed. These include:

- Updating "administrative interns" (Change #2) to add participants in the Lift Every Youth program and reflect the policy decision to extend ORCA card benefits to program participants.
- Updating definitions such as "appointing authority," "career service employee,"
 "career service exempt employee," and "employee" to clarify that these terms

¹⁰ The Title 3 Update Matrix, Attachment 5, preserves the numbering system from the "Summary of Proposed Changes," Attachment 4, that the Executive transmitted with the PO. The Update Matrix, Attachment 5, also includes the line numbers in the PO, the code references, and the proposed changes to the current code in legislative markup.

¹¹ Revised Code of Washington (RCW) 49.60.400 requires that the state and public entities like King County "not discriminate against or grant preferential treatment to, any individual or group on the basis of race, sex, color, ethnicity or national origin in the operation of public employment…" (Link) Additionally, the 2023 Supreme Court decision in *Students for Fair Admissions v. Harvard* held that race-based affirmative action programs in college admissions violate the Equal Protection clause of the Fourteenth Amendment. (Link)

only apply to the Executive branch. Executive staff have indicated that the rare inclusion of non-Executive branch personnel in specific portions of the Chapter 3.12 has created the misperception that other sections of the chapter may pertain to employees outside of the Executive branch. Executive staff indicated these updates are intended to address the potential confusion.

Updating "employed at least half time or more," "part-time position," "part-time regular position, and "short-term temporary position" to use a rolling 12-month period instead of a calendar year when determining the hours worked threshold. According to Executive staff, the rolling 12-month period has been in use since 2007, and this change would reflect the current County business practice.

General Provisions – conflicts of interest (Section 3 of PO, Change #39). The PO would update the language in the conflicts of interest section to make it clear that it is not permissible for an employee to supervise or make employment-related decisions, including hiring decisions, about a family member or close relative.

Benefits (Section 5 of PO, Changes #42-44 in Attachment 5). The PO would update the language regarding back benefits to clarify that they would only apply to short-term temporary employees who exceed the working hours threshold in a rolling 12-month period. For those employees, the percentage of gross pay used in calculating back benefits would be 12.5 percent instead of the 15 percent in the current Code. Finally, the payments would be retroactive for three years unless there was a six-month break in service. In that situation, the payment would be retroactive to the most recent hire date. Executive staff have indicated that these changes clarify language to reflect the current County practice and the actual cost of lost benefits and align retroactive payments with the statute of limitations established from a Washington State Supreme Court decision. ¹²

Probationary period (Section 12 of PO, Change #49 in Attachment 5). The PO would update language regarding probationary periods for career service positions by adding three instances when a probationary period is either not permitted or may be waived. These instances, which align with the current Coalition Labor Agreement (CLA) and current County practice, include following a reclassification, moving from a special duty capacity to a career service position doing substantially similar work, or moving from a temporary position into a career service position. According to Executive staff, a significant portion of County employees are already governed by this CLA and it has been a past practice to align the Code with the CLA.

Ruth Woo Emerging Leaders Fellowship (Section 21 of PO, Changes #68-70 in Attachment 5). The PO would make several updates to the Ruth Woo Fellowship. The first change would update language regarding how fellows are assigned to various County agencies throughout their one-year fellowship. The new language would no longer require a fellow to be reassigned to a new County agency every three to four months and would modify the assignments from "shall" include periods with the Council

and Executive branch agencies to "may." The second change would update the list of responsibilities for fellows during their tenure to allow for more flexibility. The third change would make agencies with fellows directly responsible for funding the fellowship instead of reimbursing the Department of Human Resources (DHR). Collectively, Executive staff indicated that these changes would support a more impactful experience for fellows and reflect current County practices.

Apprenticeship training programs (Section 22 of the PO, Changes #71-74 in Attachment 5). The PO would repeal the entirety of K.C.C. 3.12.187, which pertains to the apprenticeship training program. According to Executive staff, this program is not needed in the Code because Washington State regulates apprentice programs through RCW 49.04 and the State Apprenticeship and Training Council. The four existing County apprenticeship programs are managed according to these state rules. Moreover, the language in the current Code, which states that persons enrolled in apprenticeship programs and employed by the County shall be classified as temporary employees, is outdated and not reflective of current County business practices. Executive staff indicated that the current practice is that apprenticeship programs are part of bargaining and governed by labor contracts.

Vacation leave (Section 24 of PO, Changes #77-86 of Attachment 5). The PO would make several changes in the section governing vacation leave. The majority of these changes are technical in nature but there are a few substantive or clarifying proposed updates. The first clarifying update is that elected officials are not employees and therefore not entitled to vacation leave benefits. The second more substantive update is to eliminate a prohibition on filling a vacated nonrepresented position until the salary savings from any vacation cash out are achieved. Executive staff indicated that this is not the current County practice, that there is no similar requirement for represented employees, and that Executive staff in the Office of Performance, Strategy, and Budget support the proposed change. The next update removes the requirement for employees to take vacation in 15-minute increments as Executive staff consider it an outdated requirement that was put in place for a previous payroll system. Finally, the PO would add language that allows employees separated for nondisciplinary reasons to count their prior service towards vacation accrual rates if they return to County service within two years. Executive staff indicated that employees fitting these criteria are most often separated for medical reasons so they believe they should not be penalized if they are capable of returning to County service.

Leave – smallpox vaccinations (Section 27 of PO, Change #92 of Attachment 5). The PO would repeal K.C.C. 3.12.218 regarding leave for smallpox vaccinations. According to Executive staff, leave for medical reasons related to smallpox immunization is no longer utilized and Public Health—Seattle & King County supports removing the section.

Parental leave (Section 28 of PO, Changes #93-96 of Attachment 5). The PO would clarify language for the County parental leave program to reflect current County practices. These proposed clarifications include that:

 The program only applies for adoption or foster-to-adopt placement of a minor child;

- An employee whose employment ends involuntarily and cannot fulfill the required six months of work following paid parental leave is not required to reimburse the County for utilizing the program;
- If an employee takes paid parental leave intermittently, the required six months of work following the use of leave begins after the last day that employee used paid parental leave;
- If an employee's position is scheduled to end in a timeframe that would not enable them to return to work for six months following leave, that employee is not entitled to paid parental leave.

Sick leave and time off for medical and family reasons (Section 29 of PO, Changes #97-110 of Attachment 5). The PO would make multiple changes to the Code governing sick leave. Most of these edits are to align the Code with state law or for clarity. The first of these updates to comply with state law is that District Court judges shall accrue sick leave but judges pro-tem and commissioners shall not. 14 The next proposed change would remove the requirement to take sick leave in 15-minute increments that was in place for the previous payroll system. Next, proposed language would update the Code governing the cancelation of sick leave when an employee separates or terminates and regarding sick leave restoration should an employee return to County service. An additional proposed change to comply with state law is the removal of language requiring an employee to use all sick leave before taking unpaid leave for selfcare reasons. 15 After that, the subsection requiring an employee to choose between paid or unpaid leave at the start of caring for a family member would also be removed to comply with state law. 16 Next, the eligible uses of sick leave would be adjusted to comply with state law to include when a County facility, school, or place of childcare is closed by a government declaration of emergency. The definition of "family member" would also be expanded to comply with state law and include any individual who regularly resides in the employee's home and depends on the employee for care. Finally, the PO would clarify the Code to align with state law that verification for absences exceeding three days only applies to hourly employees and that salaried employees may be asked to provide verification for any amount of leave at the discretion of the employee's supervisor. 17

Emergency medical leave donation program (Section 35 of PO, Change #118 of Attachment 5). The PO would add language that permits the DHR Director to activate or deactivate the emergency medical leave donation program at their discretion based on the County's perceived need for a program. Executive staff have expressed that this proposed change would provide flexibility and efficiency to the program. The program, which is different than the program allowing employees to donate leave directly to specific individual employees, was created during the COVID-19 pandemic. Although heavily utilized during 2022, Executive staff have indicated that there are now only one or two employees donating to this specific program and that the administrative burden

¹⁴ RCW 3.34.100 requires that District Court judges accrue sick leave.

¹⁵ According to Executive staff, the practice of requiring an employee use all sick leave prior to unpaid leave for selfcare conflicted with both the Washington Paid Sick Leave Act and the Washington Paid Family Medical Leave Act.

¹⁶ The practice in Code currently conflicts with the Washington Paid Sick Leave Act.

¹⁷ The updated language would comply with the Washington Paid Sick Leave Act.

to maintain it is significant. The proposed change would allow DHR to keep the program for the future but minimize the administrative burden when it is not being utilized.

Limited duty assignment policy due to pregnancy (Section 38 of the PO, Changes 122 in Attachment 5) The PO would repeal the current Code governing limited duty assignments due to pregnancy. Executive staff have indicated that the current Code language, which largely dates back to 1995, is outdated and that both state and federal laws enacted since that time are more generous in accommodations for pregnant employees.¹⁸

Disciplinary action (Section 42 of the PO, Changes 125 in Attachment 5) The PO would expand the list of reasons for which an employee may be disciplined. These proposed additions include:

- Harassment, discrimination, inappropriate conduct, or retaliation in violation of federal, state, or local laws or county policy;
- Failing to be respectful to coworkers or the public;
- Fraudulent timekeeping;
- Drug or alcohol use or possession in violation of County policy:
- Use of County time, equipment or facilities for private gain or other non-County purpose;
- Committing an act of workplace violence, including but not limited to verbal assault, threatening behavior, or physical assault;
- Wearing, transporting, or storing firearms or other dangerous weapons within County facilities or vehicles, or on their person while on County business, except as authorized by County policy;
- Theft of County property.

According to Executive staff, almost all of these reasons were examples of just cause discipline that already existed in either labor contracts or personnel policies.

Personnel Board appeals (Section 44 of the PO, Changes 127 & 128 in Attachment 5) The PO would add language to clarify the employee grievance process, make timelines more consistent, and eliminate outdated language concerning attorney fees. The first proposed change would clarify the process by requiring an employee to go through the grievance process in the Personnel Guidelines, which is a distinct process from the grievance process in bargaining agreements, prior to appealing to the Personnel Board. Executive staff have expressed that this change would clarify the grievance process and increase the chances of issues being handled at lower levels. The PO would also standardize the three existing separate timelines of 10, 14, and 30 days currently in the Code to 30 days for consistency. Finally, an outdated subsection addressing the recovery of attorney's fees would be removed and allow state law to apply to the situation.¹⁹

_

¹⁸ The laws include the Washington State pregnancy accommodations found in RCW 43.10.005, first enacted in 2017, and the federal Pregnant Workers Fairness Act, which went into effect in June 2023. ¹⁹ The Washington Court of Appeals ruled in the 2008 decision *King County v. King County Personnel Board* that the existing Code language was unenforceable. RCW 49.48.030 governs the recovery of attorney's fees for employees succeeding in recovery of wages or salary owed to them.

Administration - Personnel Guidelines (Section 51 of the PO, Change 135 in Attachment 5) The PO would update to whom and how changes to the Personnel Guidelines would be communicated. The current Code requires Executive approval of the guidelines, 45-day notice of intent to change the Personnel Guidelines, and notification to the Council, Executive department directors, collective bargaining units, and specific Council staff. Executive staff have expressed that this level of oversight is difficult, and as a result the Personnel Guidelines have not been updated since 2005. In the proposed language, the DHR Director would be authorized to adopt Personnel Guidelines to implement the Code and Charter, without the existing prior notification. In the proposed language, only after changes to the Guidelines would the department post the updated Guidelines, notify departments and the Office of Labor Relations may notify bargaining units. Executive staff have expressed that this change would allow DHR the flexibility to be more responsive to the needs of employees and changing laws to make changes to the Personnel Guidelines more regularly. Executive staff also indicated a belief that the legislation that created DHR in 2018 provided DHR the authority to develop and administer policies like the Personnel Guidelines.

Technical changes for Chapter 3.12. The PO contains many other proposed changes for Chapter 3.12 that are solely technical. Because there are about 140 proposed changes, the majority of the technical changes are not described in this staff report. Every change, including the technical changes, are described in more detail in Attachment 5. For brevity, the proposed changes considered technical are those that include:

- Updates to reflect current County practices;
- Updates to modernize language or remove outdated terms and subsections that are no longer applicable;
- Clarifications to ensure the Code is explicit and understandable;
- Updates to make definitions consistent throughout the Code;
- Updates to make definitions and Code sections compliant with federal and state laws like the Fair Labor Standards Act and Washington Paid Sick Leave Act.

3.12A Career Service Review. Chapter 3.12A is a relatively brief chapter in K.C.C. Title 3 that pertains to an annual review on whether the work of part-time and temporary employees is determined to be ongoing and stable enough to be performed by career service employees. There is only one substantive proposed change for Chapter 3.12A. In Section 55 of the PO (and change 138 in Attachment 5), there is new proposed language for the findings and policy statement that clarifies that the policy statement is not meant to limit the number of employees employed in part-time regular positions nor to limit the contracting out of work in appropriate situations. Executive staff expressed that this proposed change would clear up the misconception that the Code prohibits Executive departments from hiring regular part-time employees or contracting out work when appropriate.

Technical changes for 3.12A. The remainder of the changes proposed for this chapter are technical in nature. These proposed changes include:

• Correcting the name of the Office of Performance, Strategy, and Budget;

- Making clarifying edits to ensure references for reports and chapters of Code are clear and that the previous calendar year timeframe for working-hour thresholds is updated to a rolling 12-month period to reflect County practice;
- Making technical changes for grammar such as changing "will" to "shall."

3.12S Voluntary Separation Program. Chapter 3.12A consists of only one section. The chapter provides for the program that incentivized retirement-eligible employees to voluntarily leave County employment and provide labor cost savings. There are only technical changes proposed for this chapter in the PO. Those technical changes include:

- Clarifying that the five years of service required for eligibility must be current and continuous to reflect County practice;
- Clarifying that prior retirees are not eligible to participate to reflect County practice;
- Correcting the name of the Seattle City Employees' Retirement System;
- Making technical changes for grammar such as changing "will" to "shall."

3.14 Civil Service Commission. Chapter 3.14 is another brief chapter in K.C.C. Title 3 that contains four sections and governs the Civil Service Commission. That commission helps ensure employment decisions in the King County Sheriff's Office (KCSO) are consistent with civil service rules.

The substantive changes proposed in the ordinance concern the rules and regulations for the Commission. The current Code requires that the rules and regulations to administer the civil service personnel system be adopted and amended by the Council through an ordinance. The current Code also requires that the Executive periodically review the rules and regulations for the commission and propose amendments to the Council when appropriate.

The PO would make changes that would allow the DHR Director to draft and amend the civil service personnel system rules without Council action. The PO would also remove the subsection requiring Executive review and proposal of amendments to the Council. Executive staff indicated that these changes would make the Code consistent with state law, which empowers the Civil Service Commission to make rules and regulations for the administration of the civil service personnel system.²⁰ Executive staff also provided that state law allows the Commission to assign the powers and duties of the commission to County agencies.²¹ In the existing Code, the powers of the commission, except for those pertaining to removals, suspensions, and demotions, have been assigned to DHR.²² Finally, Executive staff shared that Executive review of the rules has not been performed since the original code was adopted in 1995.

Technical changes for 3.14. Besides the changes to the rules and regulations, the PO would make several technical changes to the chapter. These include:

²⁰ RCW 41.14.060

²¹ RCW 41.14.065

²² K.C.C. 3.14.010

- Removing the word "sheriff's" when referring to the "sheriff's civil service commission" as the word "sheriff's" is redundant;
- Adding language and recommending a change to the subsection title to make it clear that the Civil Service Commission handles removal, suspensions, and demotions;
- Removing outdated language from 1995 that abolished the position of secretary/chief examiner and clarifies that the functions of the secretary/chief examiner are still performed by the DHR Director.
- **3.15 Pay Plan and Classification of Positions.** Chapter 3.15 currently has 21 sections and governs the pay plan and classification of positions. The pay plan is not only the schedule of numbered pay ranges with their minimum, maximum, and intermediate steps of pay amounts but also the assignment of each classification to numbered pay ranges, and the rules for administering the plan.

The PO includes about 30 proposed changes to Chapter 3.15. This is the second largest proposed update to Title 3 after the updates to Chapter 3.12. As previously noted, most of the Personnel Guidelines are based on Chapters 3.12 and 3.15. The following items are the more substantive changes proposed in the ordinance for this chapter.

Reorganization of entire chapter (Sections 66, 68, 70, 73, 75, 77, 78, 80, 83, 85-87 of PO, Changes #149, 151, 156, 167, 172, 173, 177-181 in Attachment 5). The first substantive change proposed in the ordinance is a reorganization of the entire chapter. Executive staff indicated that these changes would provide more clarity and better flow by putting like items together. While the changes will subsequently be described in greater detail in this staff report, the following table provides the existing order of sections in Chapter 3.15 and the proposed new order after all proposed updates to the chapter.

Applicability (Section 68 of PO, Change #151 in Attachment 5). The PO would add a new section to Chapter 3.15 that would clarify that unless another branch of County government is specifically referenced, the chapter would only apply to employees and positions in the Executive branch. Executive have expressed that this change, like similar changes elsewhere in Title 3, is for clarity.

Classification plan (Section 72 of PO, Changes #157-162 in Attachment 5). The PO would make several changes to the section on the classification plan. While many of these changes are technical, there are a couple of more substantive proposed changes. The first of these changes would reorganize and update the language related to the DHR Director's authority and responsibilities around classifications. The new language would maintain the Director's ability to create, amend, or abolish classifications but it would remove the current Code requirement to review the classification plan on a continuing three-year cycle and remove the requirement for a review of market conditions, which is also required by Code on a three-year cycle. Instead, the Director would "periodically" review the plan and "should assess market conditions." Executive staff indicated that three-year review cycle is not the current practice nor is it feasible. The Executive staff has 2,300 classes and the 4-person team in DHR doesn't have the capacity to review them every three years. Instead, the business practice is that targeted reviews happen upon request. Additionally, the market conditions are assessed through the collective bargaining process for the 85% of the County workforce that is represented.

The second substantive change related to the classification plan would remove the current Code requirement for Council confirmation of specific classification changes. In the existing Code, creating a classification for a "regular exempt position or any pay

range adjustments for classifications exceeding Range 54 or movements of four or more pay ranges for an existing pay range or any pay range adjustment affecting two or more classifications in a classification series" are required to be confirmed by the "labor, operations, and technology committee, or its successor committee." The Government Accountability and Oversight Committee currently confirms these actions. Executive staff expressed a belief that these committee briefings are neither necessary nor desired.

Pay on initial employment (Section 74 of PO, Changes #163-166 in Attachment 5). The PO would make several changes regarding the pay for an employee at the beginning of their employment. The list of reasons in Code which allow for an employee to begin at a step higher than the first step would be updated to remove the candidate's current salary from consideration in order to comply with state law.²⁵ The list would also no longer include a competing higher offer as consideration for a higher step in the salary range. Executive staff expressed that removing this consideration would eliminate internal equity concerns and reflect current County practice.

In addition to these changes, the PO would also update the procedure for submitting notice to DHR when hiring an employee above the first step. Currently, the Code requires a department director to provide their reasoning to the DHR Director. It also requires the DHR Director to approve the hiring of an employee above step 5. The PO would update the language to require directors to provide their reasoning to the Compensation and Classification Services Manager in DHR as well as require the approval of the Compensation and Classification Services Manager before an employee could be hired above step 5. Executive staff indicated that these changes would increase efficiency and reflect current County practice. They also shared that in 2024, there were 4,158 new hires for the County. Roughly 2,300 new employees (55%) of these were hired at step 1, but 946 employees were hired between steps 2-5 and 907 were hired above step 5. The practice reflected for these hires was for the DHR Director to work with the Compensation and Classification Services Manager, who was considered the subject matter expert, for the roughly 1,850 employees hired above step 1.

Merit increases (Section 74 of PO, Changes #167-169 in Attachment 5). The PO would add a new section to Chapter 3.15 relating to merit increases. A merit increase is the term that would replace what was previously known as an "incentive increase" and it refers to an increase to an employee's base salary that is supported by demonstrated performance. Most of this new section was existing Code that was reorganized into this new section but there are a few changes to the existing language. The first change would remove the requirement for departments to notify DHR when granting a probationary step increase above step 5. Executive staff indicated that this change would increase efficiency and reflect current County practice.

The second more substantive change regarding merit increases would remove the current language in the Code that prohibits department directors from receiving merit pay above the top step of the pay range. Executive staff have expressed that removing

²³ K.C.C. 3.15.040

²⁴ 2024-B0126 was the most recent compensation request briefing. [Link]

²⁵ The Washington Equal Pay and Opportunity Act

this language would eliminate potential pay compression issues within departments. Because deputy directors, division directors, and deputy division directors are currently eligible for this merit increase, it is theoretically possible that department directors could be paid the same or less than employees with less authority or responsibilities.

Court Commissioners and Administrators (Section 86 of PO, Change #178 in Attachment 5). Among the sections that the ordinance proposes to repeal is K.C.C. 3.15.080, the section that pertains to salaries for Superior Court Commissioners and Administrators for both the Superior and District Courts. Executive staff have indicated that the Courts have the authority to set salaries for Commissioners and Administrators and that the current Code is outdated and not reflective of the Courts' practice for setting salaries.

Bi-weekly pay cycle—transition (Section 86 of PO, Change #180 in Attachment 5). The PO would also repeal the four sections in the Code that pertain to transitioning to biweekly pay cycles. Since the County completed the transition to biweekly pay in 2011, these sections are no longer necessary.

Effect of collective bargaining (Section 86 of PO, Changes #180 in Attachment 5). The PO would add a new section related to collective bargaining. The proposed language would replicate language found in Chapter 3.12 which reiterates that collective bargaining agreements that are adopted by the Council take precedence over the Code in the event of any conflict.

Technical changes for 3.15. The remainder of the changes proposed for this chapter are technical in nature. These proposed changes include:

- Clarifying that the provisions only apply to employees of the Executive branch unless the chapter specifically says otherwise;
- Updating language for clarity and consistency;
- Removing a subsection that was intended to be removed in a previous amendment of the subsection;
- Making technical changes for grammar such as changing "will" to "shall."
- **3.16 Labor and Employee Relations.** Chapter 3.16 contains 12 sections and governs labor and employee relations. Among the provisions in the chapter are the designation of the bargaining agent for the County and description of their authorized powers, a mission statement for relations, time limits for ratifying bargaining agreements, the labor policy committee, and the complaint process for negotiations.

The PO would make one primary substantive change for Chapter 3.16. The current language around time limits for transmitting a ratified bargaining agreement requires transmittal to the Council within seven days of the agreement being reached. The PO would amend this language to provide 14 days for the agreement to transmitted to the Council once it has been signed by the union and received by the Office of Labor Relations (OLR). Executive staff expressed that this reflects current County practice and that seven days is usually not enough time to prepare all the necessary documentation.

Technical changes for 3.16. The remainder of the changes proposed for this chapter are technical in nature. These proposed changes include:

- Removing references to an outdated Council motion and a repealed section of the County Charter;
- Rearranging definitions to place them in alphabetical order;
- Clarifying that for the purpose of bargaining, the term "wages" includes leaves and employee benefits;
- Updating the name of the entity for complaints during the negotiation process from DHR to OLR.
- **3.28 Compensation for Use of Privately Owned Vehicles.** Chapter 3.28 is an extremely brief chapter in Title 3. It consists of two sections, each composed of only one sentence. There is only one proposed change for this chapter. The first section currently provides that the branches of County government may reimburse for use of privately owned vehicles used for County business in lieu of "permanently assigned county vehicles." The PO would remove the word "permanently" from this section to clarify that vehicles are not assigned on a permanent basis and that assignments can be changed or revoked by departments or agencies.
- **3.30 Use of County Vehicles to Commute.** Chapter 3.30 contains seven sections and has the stated purpose of ensuring "the proper use of public funds with regard to the county's practice of allow employees to commute to and from work in county owned vehicles." The following items are the more substantive changes proposed in the ordinance for this chapter.

Take-home vehicles assignment policies and criteria (Section 100 of PO, Changes #197-200 in Attachment 5). The PO would update language related to take-home vehicle assignments and the economic benefits to the County of such assignments. Specifically, the proposed update would remove the current language that excludes the cost of lost productivity and time to travel from designated parking facilities to an employee's work station. The PO would also eliminate the subsections currently in the Code related to taking home special equipment vehicles and clean transportation technology demonstration vehicles. Executive staff indicated that these updates are being requested for efficiency purposes, to enable departments to consider assigning a take-home vehicle if it would maximize an employee's productive time, and to eliminate subsections that are no longer needed.

Usage and reporting requirements (Section 101 of PO, Change #201 in Attachment 5). The PO would add a new section which states that commuting in a County-owned vehicle is a taxable benefit. While this is not a new policy, Executive indicated that adding a new section would align the Code with the Internal Revenue Service's taxable benefit regulations.

Semiannual reevaluation and update of take-home vehicle assignments (Section 103 of PO, Change #203 in Attachment 5). The PO would update the timing for reports from

2

²⁶ K.C.C. 3.28.010

²⁷ K.C.C. 3.30.010

the Fleet Services Division in the Code. Currently, a semi-annual evaluation of all take-home vehicles is required with a subsequent reporting of the vehicle assignments available to the Council and the public by June 30 and December 31 of each year. The proposed change would remove the June and December deadlines and allow the Fleet Services Division the flexibility to reevaluate the assignments "biannually." Executive staff have indicated that because take home vehicles tend to be seasonal, the Fleet Services Division tends to evaluate assignments in April and October. This change would allow them the flexibility to continue this practice and also prevent future Code updates to adjust dates.

Exemption (Section 104 of PO, Changes #204-205 in Attachment 5). The PO would update the exemptions for this chapter. First, the PO would remove the exemption for "commissioned police officers." Executive staff have indicated that this exemption is no longer necessary because take-home provisions are covered in the collective bargaining agreements with King County Sheriff's Office. The PO would also clarify the existing exemption language around bargaining agreements to state that an "agreement that provides for take home vehicle assignments shall supersede this chapter."

Technical changes for 3.30. The remainder of the changes proposed for this chapter are technical in nature. These proposed changes are to update and clarify definitions and terms to conform with terminology used in other County vehicle and travel-related policies.

3.36 Charitable Contributions from County Employees. Chapter 3.36 establishes the guidelines for the administration of County employee charitable contributions to qualified nonprofit organizations. These contributions normally occur through the Employee Giving Program but may also occur during other charitable solicitations, such as natural disaster relief. The following items are the more substantive changes proposed in the ordinance for this chapter.

Employee giving program committee (Section 104 of PO, Change #210 in Attachment 5). The PO would update the existing subsection around committee membership and pay practices.²⁹ The proposed updates include making that content a new standalone subsection, that committee members serve voluntarily and with new addition of the approval of their department, and that committee members covered by the overtime requirements of the Fair Labor Standards Act shall ensure that their working hours, including hours worked for the committee, are approved by their supervisors in advance. Executive staff indicated that these changes reflect current County practices.

Technical changes for 3.36. The remainder of the changes proposed for this chapter are technical in nature. These proposed changes include:

- Updating terminology for clarity, consistency, and to reflect the year-round activities of the Employee Giving Program;
- Updating terms and charitable giving options to conform with existing language in K.C.C. 3.12.222 and 3.12.225:

²⁸ K.C.C. 3.30.080.A.

²⁹ K.C.C. 3.36.030.B.5.

- Adding the use of County resources "online" to allow employees who work remotely to participate in program events;
- Removing a subsection that restates the sections of the Revised Code of Washington.

<u>UPDATE</u>

At the May 13, 2025, meeting of the Government Accountability and Oversight Committee, the proposed ordinance was briefed by Council staff. Both Council staff and Executive staff answered questions from the Committee members. The proposed ordinance was then deferred until the next Committee meeting in June.

BACKGROUND

In May 2006, Council adopted Ordinance 15453, which established the CEOC and added a new chapter King County Code (K.C.C). The ordinance allows the Chair and Vice Chair of the Council to solicit nominations to the Committee.

¹ The ordinance allowed for twelve committee members and the CEOC duties and membership representation are outlined in K.C.C. 2.53

Ordinance 17273. In March 2012, the Council adopted ordinance 17273, to comply with the additional language requirement that was placed on King County by Section 203 of the federal Voting Rights Act, which required political subdivisions to provide alternate language ballots and voter education materials if there were more than ten thousand or over five percent of the total voting age citizens who were members of a single minority language group with limited English language proficiency. Following the results of the 2010 Census, the County amended the CEOC membership representation to include a representative of the Vietnamese-speaking community and a representative from each of any other language minority community for which the Director of the Bureau of the Census determines by publication in the Federal Register that King County is required to provide minority language assistance under Section 203 of the Voting Rights Act. The ordinance also outlined the process for filling vacancies on the CEOC.

Ordinance 18795. In September 2018, the Council adopted ordinance 18795, which updated the CEOC's membership composition from twelve to sixteen members. In addition to increasing the number of and changing the composition of CEOC members, the ordinance changed the mission of the committee to "help King County maintain public confidence in elections". The ordinance also outlines the CEOC's tasks and support provided by staff within the Department of Elections.

Ordinance 19823. In June 2024, Council adopted ordinance 19823, which added new CEOC guidelines under the King County Code.² The new guidelines are as follows:

- At least twenty-eight days before any election, the department of elections shall request from the citizens' elections oversight committee a list of committee members designated as observers.
- At least a reasonable time before any election, the department of elections shall notify the citizens' elections oversight committee of when ballot processing will begin and shall request observers from the committee for the processing of ballots at the counting center. The absence of observers from the committee will not prevent the processing of ballots.
- The department of elections shall notify the citizens' elections oversight committee of opportunities to observe official logic and accuracy tests for each vote tallying system to be used at elections.
- The department of elections shall notify the citizens' elections oversight committee of opportunities to observe recounts.

The ordinance amended language regarding the CEOC's membership. The ordinance outlines the composition of the CEOC as listed below.

Also, the ordinance updated the process for filling vacancies on the CEOC that included the following changes:

- Except the positions for the King County Democratic Party and the King County Republican Party, vacant positions shall be advertised at a minimum in the county's newspaper of record.
- Except for the ex officio position, members are required to reside in King County.
 However, members, who during their tenures on the committee temporarily live outside the United States but maintain King County as their residences, may continue to serve on the committee during their temporary absences from the county.

BACKGROUND

In May 2006, Council adopted Ordinance 15453, which established the CEOC and added a new chapter King County Code (K.C.C). The ordinance allows the Chair and Vice Chair of the Council to solicit nominations to the Committee.

¹ The ordinance allowed for twelve committee members and the CEOC duties and membership representation are outlined in K.C.C. 2.53

Ordinance 17273. In March 2012, the Council adopted ordinance 17273, to comply with the additional language requirement that was placed on King County by Section 203 of the federal Voting Rights Act, which required political subdivisions to provide alternate language ballots and voter education materials if there were more than ten thousand or over five percent of the total voting age citizens who were members of a single minority language group with limited English language proficiency. Following the results of the 2010 Census, the County amended the CEOC membership representation to include a representative of the Vietnamese-speaking community and a representative from each of any other language minority community for which the Director of the Bureau of the Census determines by publication in the Federal Register that King County is required to provide minority language assistance under Section 203 of the Voting Rights Act. The ordinance also outlined the process for filling vacancies on the CEOC.

Ordinance 18795. In September 2018, the Council adopted ordinance 18795, which updated the CEOC's membership composition from twelve to sixteen members. In addition to increasing the number of and changing the composition of CEOC members, the ordinance changed the mission of the committee to "help King County maintain public confidence in elections". The ordinance also outlines the CEOC's tasks and support provided by staff within the Department of Elections.

Ordinance 19823. In June 2024, Council adopted ordinance 19823, which added new CEOC guidelines under the King County Code.² The new guidelines are as follows:

- At least twenty-eight days before any election, the department of elections shall request from the citizens' elections oversight committee a list of committee members designated as observers.
- At least a reasonable time before any election, the department of elections shall notify the citizens' elections oversight committee of when ballot processing will begin and shall request observers from the committee for the processing of ballots at the counting center. The absence of observers from the committee will not prevent the processing of ballots.
- The department of elections shall notify the citizens' elections oversight committee of opportunities to observe official logic and accuracy tests for each vote tallying system to be used at elections.
- The department of elections shall notify the citizens' elections oversight committee of opportunities to observe recounts.

The ordinance amended language regarding the CEOC's membership. The ordinance outlines the composition of the CEOC as listed below.

In addition to increasing the number of and changing the composition of CEOC members, the ordinance changed the mission of the committee to "help King County maintain public confidence in elections". The ordinance also outlines the CEOC's tasks and support provided by staff within the Department of Elections.

Ordinance 19823. In June 2024, Council adopted ordinance 19823, which added new CEOC guidelines under the King County Code.² The new guidelines are as follows:

- At least twenty-eight days before any election, the department of elections shall request from the citizens' elections oversight committee a list of committee members designated as observers.
- At least a reasonable time before any election, the department of elections shall notify the citizens' elections oversight committee of when ballot processing will begin and shall request observers from the committee for the processing of ballots at the counting center. The absence of observers from the committee will not prevent the processing of ballots.

¹ The ordinance allowed for twelve committee members and the CEOC duties and membership representation are outlined in K.C.C. 2.53

² K.C.C. 2.16

- The department of elections shall notify the citizens' elections oversight committee of opportunities to observe official logic and accuracy tests for each vote tallying system to be used at elections.
- The department of elections shall notify the citizens' elections oversight committee of opportunities to observe recounts.

The ordinance amended language regarding the CEOC's membership. The ordinance outlines the composition of the CEOC as listed below.

- 1. One representative sponsored by a nonpartisan organization active in King County that evaluates candidates and ballot measures, such as the Municipal League;
- 2. One representative sponsored by a nonpartisan organization active in King County that provides elections information to the public, such as the League of Women Voters;
- 3. One representative from the disability community;

- 6. One representative of the Vietnamese-speaking community;
- 7. One representative of the Spanish-speaking community;
- 8. One representative from the Korean-speaking community;
- 9. One representative from each of any other language minority community for which the Director of the Bureau of the Census determines by publication in the Federal Register that King County is required to provide minority language assistance under Section 203 of the Voting Rights Act;
- 10. Two King County registered voters who are not representatives of any of the groups listed in subsection A.1. through 9. and 11. through 16. of this section;
- 11. One representative from the King County Democratic Party;
- 12. One representative from the King County Republican Party;
- 13. One ex officio, nonvoting representative from the Office of the Secretary of State;
- 14. One representative sponsored by an academic institution and has knowledge of elections;

- 15. One representative who has experience in technology; and
- 16. One representative sponsored by a nonpartisan organization in King County that promotes equality and the advancement of Black or African Americans, such as the Urban League of Metropolitan Seattle.

Also, the ordinance updated the process for filling vacancies on the CEOC that included the following changes:

- Except the positions for the King County Democratic Party and the King County Republican Party, vacant positions shall be advertised at a minimum in the county's newspaper of record.
- Except for the ex officio position, members are required to reside in King County.
 However, members, who during their tenures on the committee temporarily live outside the United States but maintain King County as their residences, may continue to serve on the committee during their temporary absences from the county.
- The representative from the King County Democratic Party and the King County Republican Party are not eligible to serve as the chair of the committee.

The Honorable Girmay Zahilay Chair, King County Council Room 1200 COURTHOUSE

Dear Councilmember Zahilay:

Consistent with the requirements of King County code 4A.100.080 Emergent need contingency project, this letter represents the exception notification form for transfer in excess of twenty-five percent of total project costs. Specifically:

- D.2. For transfers of twenty-five percent or more of total project costs, the director of the office of performance, strategy and budget or its successor shall be responsible for electronically filing a capital project exception notification with the clerk of the council, who shall retain an electronic copy and provide an electronic copy to all councilmembers and the lead staff for the budget and fiscal management committee or its successor. The notification must be sent and authorized as set forth in subsection E. of this section in accordance with this section before any transfer may occur.
- E. When the clerk of the council receives a capital project exception notification, the clerk of the council shall list the capital project exception notification under other business on the next two council agenda. Councilmembers may object to the proposed transfer of emergent need contingency expenditure authority to another project in the same fund at either of those two council meetings. If an objection is not made at either council meeting, the transfer may proceed. If an objection to the transfer of emergent need contingency is made at a council meeting, the transfer may not proceed. The clerk of the council shall notify the director of the office of performance, strategy and budget or its successor of the council's action.

(Ord. 19534§ 3, 2022).

The Honorable Girmay Zahilay July 3, 2025 Page 2

Details of the proposed transfer are noted below:

Capital Fund Name: Public Transportation Infrastructure Capital

Capital Fund: 3641

Emergent Need Contingency Project Number: 1111770

Justification for Transfer: Funds will be used for security camera infrastructure at Metro bases, including local video archivers needed for business continuity, network security enhancements, and power infrastructure upgrades. Metro will not be able to progress in 2025 on the relevant sub-project (1146868 Facility Access Video System Replacement) without the contingency transfer; delaying until the 2026-2027 budget would require pausing the project mid-effort.

Receiving Project Number	Receiving Project Name	Original Project Budget (1/1/25 Balance)	Transfer Amount	Final Project Budget
1141996	TDC FAC SECURITY IMPRVMNT BUD	\$2,977,221	\$1,724,231	\$4,701,452
