Invoice Period: through April 19, 2025 through May 16, 2025

Dear Ms. Clark:

During this period, we provided the services described below and shown in the attached budget summary.

Task 5 Plan and CIS

Subtask 5.01 – Project Management: Participated in strategy meetings with you and Steven on April 21, April 28, and May 5.

Subtask 5.03 – Planning for Engagement: Parametrix assembled and reviewed handout for Navigators' site walk, reviewed email announcing Partner Planning Committee (PPC), and developed initial plan for first PPC meeting, Cascadia reviewed these engagement documents.

Subtask 5.04 – Content Development: Continued working on best available science and multibenefit goals and indicators. This work engaged multiple subject matter experts in the development and review (BERK, Confluence, NHC, Lund-Faucett, and Cascadia). Held two more coordination meetings with King County staff that NHC also participated in.

Subtask 5.05 – Engagement: Lund-Faucett finalized and supported implementation of new FCD webpage; developed and implemented changes to the previous SEPA-focused website; finalized project database and first project email; coordinated approvals; prepared for (schedule, develop agenda and materials and logistics) and conducted a site visit to Lower Russell Road project with Navigators; reviewed and developed initial Partner Planning Committee meeting agenda and materials; reviewed initial Partner Planning Committee meeting agenda and materials. Cascadia transmitted letters to Tribal chairs. Parametrix participated in site walk with Navigators.

Expenses: Reserved the picnic shelter at Van Doren's Landing Park and providing sandwiches for lunch.

Yesterday you shared the many errors you found in the project email database. I apologize for that condition and will figure out what happened. We'll get it cleaned up before the next email is sent out in a few weeks.

Please let me know if you have any questions about this invoice. Thank you!

Sincerely,

Parametrix

Jenny Bailey
Project Manager
