### STAFF REPORT

<b>Agenda Item:</b>	5	<b>Name:</b>	Erica Newman
<b>Proposed No.:</b>	2025-0086	<b>Date:</b>	May 13, 2025

### SUBJECT

Proposed Ordinance 2025-0086 is related to King County district court electoral district boundaries for 2025 and would amend Ordinance 16803 and K.C.C. 1.12.050.

### SUMMARY

Proposed Ordinance 2025-0086 would amend Ordinance 16803, Section 1, as amended, and K.C.C. 1.12.050. The proposed ordinance is the companion ordinance to Ordinance 19893 (adopted in February 2025), which approved the 2025 voting precinct alterations made to reflect a few changes that focused on balancing the population across precincts.

According to the transmittal letter, the boundaries of the District Court electoral districts have not changed, but whenever there are changes to the precinct boundaries, K.C.C. 1.12.010.F requires that the District Court electoral districts be updated in King County Code.

### BACKGROUND

The District Court is the County's court of "limited jurisdiction" and has responsibility for traffic infractions, certain civil matters, and misdemeanor criminal offenses in the County's unincorporated areas. Cities that do not have municipal courts contract with the court to provide those services. The District Court is also the venue for the adjudication of "state" offenses (violations of state statute in the county or when the arresting agency is the Washington State Patrol or other state law enforcement agency). District Court also manages the King County Community Courts.

The requirements and structure of the District Court are established in state statute, county code, and are governed by court rules. Generally, state law allows the local county legislative authority the flexibility in the development of the court's jurisdictional structure. King County's structure is contained in the County's District Court District Plan which appears in King County Code Chapter 2.68. The adopted District Court District Plan establishes as policy that the county is a unified, countywide district court. However, the County has also adopted the statutory option of creating electoral districts

that divide the county into smaller areas to allow for a more “local” election of judges without affecting a unified approach to the administration of the court.

**Ordinance 19893.** In February 2025, Council adopted this ordinance, which approved the revision of voting precincts of King County for 2025. The approved changes altered some of the existing precincts and added some precincts to help balance the population across precincts.

## **ANALYSIS**

**Proposed Ordinance 2025-0086.** The current District Court District Plan has four electoral districts each with an assigned number of judges. Each district contains a listing of the voter precincts within its geographic boundaries. With the annual changes in County voter precincts, the District Court District Plan must also be changed. Under Washington State Law and King County Code, the adjustment or alteration of voting precincts are required on an annual basis.<sup>1</sup>

The Department of Elections’ Geographic Information Systems (GIS) Section prepared Proposed Ordinance 2025-0086 as a companion to Ordinance 19893, which approved the 2025 voting precinct alterations and was adopted by the Council in February 2025. As electoral districts are described by the voting precincts they contain, any alterations made to voting precincts requires a companion ordinance reflecting those changes. As noted above, the approved changes were needed to balance the population across precincts.<sup>2</sup>

These changes are administrative in nature, as the actual geographic boundaries of the District Court electoral districts have not changed but are statutorily required. The Elections staff reports that the costs of making these revisions are fully funded as part of the adopted Department of Elections budget.

<sup>2</sup> The changes primarily focused on balancing the population across precincts, due to the large increase of voter registrations during a presidential election year.

### STAFF REPORT

<b>Agenda Item:</b>	6	<b>Name:</b>	Gene Paul
<b>Proposed No.:</b>	2025-0085	<b>Date:</b>	May 13, 2025

### SUBJECT

Proposed Ordinance 2025-0085 would amend nine of the 21 chapters in King County Code Title 3, which pertains to personnel.

### SUMMARY

Article 5 of the King County Charter requires the County to "establish and maintain an effective personnel system."<sup>1</sup> The Charter further directs that the Executive shall administer the personnel system in accordance with the rules adopted by the Council by ordinance. These personnel rules shall provide for, among other things, the classification of employees, a pay plan, the methods for determining appointment and promotion, removal of employees, hours of work, vacation and sick leaves, and procedures for grievances and disciplinary actions.<sup>2</sup>

Title 3 of the King County Code contains 21 chapters that pertain to personnel. Proposed Ordinance (PO) 2025-0085 would make numerous policy and technical changes to the following nine chapters to align those chapters with current state and federal law as well as current County business practices:

- 3.12 Personnel System
- 3.12A Career Service Review
- 3.12S Voluntary Separation Program
- 3.14 Civil Service Commission
- 3.15 Pay Plan and Classification of Positions
- 3.16 Labor and Employee Relations
- 3.28 Compensation for Use of Privately Owned Vehicles
- 3.30 Use of County Vehicles to Commute
- 3.36 Charitable Contributions from County Employees

<sup>2</sup> Section 530, King County Charter

## **BACKGROUND**

Article 5 of the King County Charter requires the County to "establish and maintain an effective personnel system."<sup>3</sup> The Charter further directs that the Executive shall administer the personnel system in accordance with the rules adopted by the Council by ordinance. These personnel rules shall provide for, among other things, the classification of employees, a pay plan, the methods for determining appointment and promotion, removal of employees, hours of work, vacation and sick leaves, and procedures for grievances and disciplinary actions.<sup>4</sup>

Title 3 of the King County Code contains 21 chapters that pertain to personnel. Chapter 3.12, the Personnel System, and Chapter 3.15, Pay Plan and Classification of Positions, are two chapters that are particularly impactful. Much of the language used in the King County Personnel Guidelines, which implements personnel policies for employees assigned to Executive agencies, is quoted directly from these two chapters.<sup>5</sup> Other chapters in Title 3 provide the rules for things such as the Employee Code of Conduct, the Personnel Board, the Civil Service Commission, labor relations, work-related travel, and employee charitable contributions.

Although there have been changes to Title 3 over time, such as to align the code with Coalition Labor Agreements<sup>6</sup> or establish new policies like the County paid parental leave<sup>7</sup> or the voluntary separation program,<sup>8</sup> the Executive has transmitted a proposed ordinance that would more thoroughly update nine chapters in Title 3.<sup>9</sup> Because portions of these chapters retain their original language from when they were enacted 30-40 years ago, the proposed ordinance would more holistically update these chapters to align with current state and federal law as well as current County business practices. Assuming passage of this proposed Title 3 update, the Personnel Guidelines, which became effective in April 2005, could then also be comprehensively updated.

## **ANALYSIS**

Proposed Ordinance (PO) 2025-0085 would make numerous policy and technical changes to the personnel code found in King County Code Title 3. This staff report provides analysis of the proposed changes to each of the following chapters:

- 3.12 Personnel System
- 3.12A Career Service Review
- 3.12S Voluntary Separation Program
- 3.14 Civil Service Commission
- 3.15 Pay Plan and Classification of Positions

<sup>9</sup> Proposed Ordinance 2024-0143, the first proposed update to Title 3 that was transmitted by the Executive, was introduced in May 2024 but lapsed in February 2025. Proposed Ordinance 2025-0085 is largely the same ordinance with a few technical updates. The technical updates are noted by highlighted text in the Summary of Proposed Changes, Attachment 4.

- 3.16 Labor and Employee Relations
- 3.28 Compensation for Use of Privately Owned Vehicles
- 3.30 Use of County Vehicles to Commute
- 3.36 Charitable Contributions from County Employees

The Title 3 Update Matrix, which is Attachment 5 to this staff report, provides a table that combines the summary of changes that was transmitted along with the proposed ordinance with the existing code and proposed changes to the code.

**3.12 Personnel System.** Chapter 3.12, which currently contains 57 sections, governs the personnel system. The chapter contains an extensive list of over 70 definitions that apply to the personnel system. The chapter also has provisions for, among other things, the selection and training of employees, employee benefits like holidays and leave, working conditions, the disciplinary process, and the general administration of the personnel system.

The PO includes about 140 proposed changes to Chapter 3.12, which amounts to roughly two-thirds of the total modifications in the Title 3 update. The following items are the more substantive changes proposed in the ordinance for this chapter.

*Statement of Intent* (Section 1 of PO, Change #1 in Attachment 5).<sup>10</sup> The PO would update the statement of intent for Chapter 3.12 currently found in K.C.C. 3.12.005. The existing statement was written in 1989, and Executive staff indicated that the proposed version articulates a more positive statement about the County's commitment to equity and social justice, including that "King County is determined to be a leader in the implementation of equitable, and racially and socially just employment programs and policies." The updated language would also ensure compliance with state laws enacted after 1989 and with recent Supreme Court decisions that pertain to discrimination and preferential treatment.<sup>11</sup>

*Definitions* (Section 2 of PO, Changes #2-37 in Attachment 5). The PO would update or add new entries for 35 definitions in the chapter. While the majority of these definition updates are technical in nature, there are also some substantive and clarifying changes proposed. These include:

- Updating "administrative interns" (Change #2) to add participants in the Lift Every Youth program and reflect the policy decision to extend ORCA card benefits to program participants.
- Updating definitions such as "appointing authority," "career service employee," "career service exempt employee," and "employee" to clarify that these terms

<sup>10</sup> The Title 3 Update Matrix, Attachment 5, preserves the numbering system from the "Summary of Proposed Changes," Attachment 4, that the Executive transmitted with the PO. The Update Matrix, Attachment 5, also includes the line numbers in the PO, the code references, and the proposed changes to the current code in legislative markup.

<sup>11</sup> Revised Code of Washington (RCW) 49.60.400 requires that the state and public entities like King County "not discriminate against or grant preferential treatment to, any individual or group on the basis of race, sex, color, ethnicity or national origin in the operation of public employment..." ([Link](#)) Additionally, the 2023 Supreme Court decision in *Students for Fair Admissions v. Harvard* held that race-based affirmative action programs in college admissions violate the Equal Protection clause of the Fourteenth Amendment. ([Link](#))

only apply to the Executive branch. Executive staff have indicated that the rare inclusion of non-Executive branch personnel in specific portions of the Chapter 3.12 has created the misperception that other sections of the chapter may pertain to employees outside of the Executive branch. Executive staff indicated these updates are intended to address the potential confusion.

- Updating "employed at least half time or more," "part-time position," "part-time regular position, and "short-term temporary position" to use a rolling 12-month period instead of a calendar year when determining the hours worked threshold. According to Executive staff, the rolling 12-month period has been in use since 2007, and this change would reflect the current County business practice.

*General Provisions – conflicts of interest* (Section 3 of PO, Change #39). The PO would update the language in the conflicts of interest section to make it clear that it is not permissible for an employee to supervise or make employment-related decisions, including hiring decisions, about a family member or close relative.

*Benefits* (Section 5 of PO, Changes #42-44 in Attachment 5). The PO would update the language regarding back benefits to clarify that they would only apply to short-term temporary employees who exceed the working hours threshold in a rolling 12-month period. For those employees, the percentage of gross pay used in calculating back benefits would be 12.5 percent instead of the 15 percent in the current Code. Finally, the payments would be retroactive for three years unless there was a six-month break in service. In that situation, the payment would be retroactive to the most recent hire date. Executive staff have indicated that these changes clarify language to reflect the current County practice and the actual cost of lost benefits and align retroactive payments with the statute of limitations established from a Washington State Supreme Court decision.<sup>12</sup>

*Probationary period* (Section 12 of PO, Change #49 in Attachment 5). The PO would update language regarding probationary periods for career service positions by adding three instances when a probationary period is either not permitted or may be waived. These instances, which align with the current Coalition Labor Agreement (CLA) and current County practice, include following a reclassification, moving from a special duty capacity to a career service position doing substantially similar work, or moving from a temporary position into a career service position.<sup>13</sup> According to Executive staff, a significant portion of County employees are already governed by this CLA and it has been a past practice to align the Code with the CLA.

*Ruth Woo Emerging Leaders Fellowship* (Section 21 of PO, Changes #68-70 in Attachment 5). The PO would make several updates to the Ruth Woo Fellowship. The first change would update language regarding how fellows are assigned to various County agencies throughout their one-year fellowship. The new language would no longer require a fellow to be reassigned to a new County agency every three to four months and would modify the assignments from "shall" include periods with the Council

and Executive branch agencies to "may." The second change would update the list of responsibilities for fellows during their tenure to allow for more flexibility. The third change would make agencies with fellows directly responsible for funding the fellowship instead of reimbursing the Department of Human Resources (DHR). Collectively, Executive staff indicated that these changes would support a more impactful experience for fellows and reflect current County practices.

*Apprenticeship training programs* (Section 22 of the PO, Changes #71-74 in Attachment 5). The PO would repeal the entirety of K.C.C. 3.12.187, which pertains to the apprenticeship training program. According to Executive staff, this program is not needed in the Code because Washington State regulates apprentice programs through RCW 49.04 and the State Apprenticeship and Training Council. The four existing County apprenticeship programs are managed according to these state rules. Moreover, the language in the current Code, which states that persons enrolled in apprenticeship programs and employed by the County shall be classified as temporary employees, is outdated and not reflective of current County business practices. Executive staff indicated that the current practice is that apprenticeship programs are part of bargaining and governed by labor contracts.

*Vacation leave* (Section 24 of PO, Changes #77-86 of Attachment 5). The PO would make several changes in the section governing vacation leave. The majority of these changes are technical in nature but there are a few substantive or clarifying proposed updates. The first clarifying update is that elected officials are not employees and therefore not entitled to vacation leave benefits. The second more substantive update is to eliminate a prohibition on filling a vacated nonrepresented position until the salary savings from any vacation cash out are achieved. Executive staff indicated that this is not the current County practice, that there is no similar requirement for represented employees, and that Executive staff in the Office of Performance, Strategy, and Budget support the proposed change. The next update removes the requirement for employees to take vacation in 15-minute increments as Executive staff consider it an outdated requirement that was put in place for a previous payroll system. Finally, the PO would add language that allows employees separated for nondisciplinary reasons to count their prior service towards vacation accrual rates if they return to County service within two years. Executive staff indicated that employees fitting these criteria are most often separated for medical reasons so they believe they should not be penalized if they are capable of returning to County service.

*Leave – smallpox vaccinations* (Section 27 of PO, Change #92 of Attachment 5). The PO would repeal K.C.C. 3.12.218 regarding leave for smallpox vaccinations. According to Executive staff, leave for medical reasons related to smallpox immunization is no longer utilized and Public Health—Seattle & King County supports removing the section.

*Parental leave* (Section 28 of PO, Changes #93-96 of Attachment 5). The PO would clarify language for the County parental leave program to reflect current County practices. These proposed clarifications include that:

- The program only applies for adoption or foster-to-adopt placement of a minor child;

- An employee whose employment ends involuntarily and cannot fulfill the required six months of work following paid parental leave is not required to reimburse the County for utilizing the program;
- If an employee takes paid parental leave intermittently, the required six months of work following the use of leave begins after the last day that employee used paid parental leave;
- If an employee's position is scheduled to end in a timeframe that would not enable them to return to work for six months following leave, that employee is not entitled to paid parental leave.

*Sick leave and time off for medical and family reasons* (Section 29 of PO, Changes #97-110 of Attachment 5). The PO would make multiple changes to the Code governing sick leave. Most of these edits are to align the Code with state law or for clarity. The first of these updates to comply with state law is that District Court judges shall accrue sick leave but judges pro-tem and commissioners shall not.<sup>14</sup> The next proposed change would remove the requirement to take sick leave in 15-minute increments that was in place for the previous payroll system. Next, proposed language would update the Code governing the cancelation of sick leave when an employee separates or terminates and regarding sick leave restoration should an employee return to County service. An additional proposed change to comply with state law is the removal of language requiring an employee to use all sick leave before taking unpaid leave for selfcare reasons.<sup>15</sup> After that, the subsection requiring an employee to choose between paid or unpaid leave at the start of caring for a family member would also be removed to comply with state law.<sup>16</sup> Next, the eligible uses of sick leave would be adjusted to comply with state law to include when a County facility, school, or place of childcare is closed by a government declaration of emergency. The definition of "family member" would also be expanded to comply with state law and include any individual who regularly resides in the employee's home and depends on the employee for care. Finally, the PO would clarify the Code to align with state law that verification for absences exceeding three days only applies to hourly employees and that salaried employees may be asked to provide verification for any amount of leave at the discretion of the employee's supervisor.<sup>17</sup>

*Emergency medical leave donation program* (Section 35 of PO, Change #118 of Attachment 5). The PO would add language that permits the DHR Director to activate or deactivate the emergency medical leave donation program at their discretion based on the County's perceived need for a program. Executive staff have expressed that this proposed change would provide flexibility and efficiency to the program. The program, which is different than the program allowing employees to donate leave directly to specific individual employees, was created during the COVID-19 pandemic. Although heavily utilized during 2022, Executive staff have indicated that there are now only one or two employees donating to this specific program and that the administrative burden

---

<sup>14</sup> RCW 3.34.100 requires that District Court judges accrue sick leave.

<sup>15</sup> According to Executive staff, the practice of requiring an employee use all sick leave prior to unpaid leave for selfcare conflicted with both the Washington Paid Sick Leave Act and the Washington Paid Family Medical Leave Act.

<sup>16</sup> The practice in Code currently conflicts with the Washington Paid Sick Leave Act.

<sup>17</sup> The updated language would comply with the Washington Paid Sick Leave Act.

to maintain it is significant. The proposed change would allow DHR to keep the program for the future but minimize the administrative burden when it is not being utilized.

*Limited duty assignment policy due to pregnancy* (Section 38 of the PO, Changes 122 in Attachment 5) The PO would repeal the current Code governing limited duty assignments due to pregnancy. Executive staff have indicated that the current Code language, which largely dates back to 1995, is outdated and that both state and federal laws enacted since that time are more generous in accommodations for pregnant employees.<sup>18</sup>

*Disciplinary action* (Section 42 of the PO, Changes 125 in Attachment 5) The PO would expand the list of reasons for which an employee may be disciplined. These proposed additions include:

- Harassment, discrimination, inappropriate conduct, or retaliation in violation of federal, state, or local laws or county policy;
- Failing to be respectful to coworkers or the public;
- Fraudulent timekeeping;
- Drug or alcohol use or possession in violation of County policy;
- Use of County time, equipment or facilities for private gain or other non-County purpose;
- Committing an act of workplace violence, including but not limited to verbal assault, threatening behavior, or physical assault;
- Wearing, transporting, or storing firearms or other dangerous weapons within County facilities or vehicles, or on their person while on County business, except as authorized by County policy;
- Theft of County property.

According to Executive staff, almost all of these reasons were examples of just cause discipline that already existed in either labor contracts or personnel policies.

*Personnel Board appeals* (Section 44 of the PO, Changes 127 & 128 in Attachment 5) The PO would add language to clarify the employee grievance process, make timelines more consistent, and eliminate outdated language concerning attorney fees. The first proposed change would clarify the process by requiring an employee to go through the grievance process in the Personnel Guidelines, which is a distinct process from the grievance process in bargaining agreements, prior to appealing to the Personnel Board. Executive staff have expressed that this change would clarify the grievance process and increase the chances of issues being handled at lower levels. The PO would also standardize the three existing separate timelines of 10, 14, and 30 days currently in the Code to 30 days for consistency. Finally, an outdated subsection addressing the recovery of attorney's fees would be removed and allow state law to apply to the situation.<sup>19</sup>

---

<sup>18</sup> The laws include the Washington State pregnancy accommodations found in RCW 43.10.005, first enacted in 2017, and the federal Pregnant Workers Fairness Act, which went into effect in June 2023.

<sup>19</sup> The Washington Court of Appeals ruled in the 2008 decision *King County v. King County Personnel Board* that the existing Code language was unenforceable. RCW 49.48.030 governs the recovery of attorney's fees for employees succeeding in recovery of wages or salary owed to them.

*Administration – Personnel Guidelines* (Section 51 of the PO, Change 135 in Attachment 5) The PO would update to whom and how changes to the Personnel Guidelines would be communicated. The current Code requires Executive approval of the guidelines, 45-day notice of intent to change the Personnel Guidelines, and notification to the Council, Executive department directors, collective bargaining units, and specific Council staff. Executive staff have expressed that this level of oversight is difficult, and as a result the Personnel Guidelines have not been updated since 2005. In the proposed language, the DHR Director would be authorized to adopt Personnel Guidelines to implement the Code and Charter, without the existing prior notification. In the proposed language, only after changes to the Guidelines would the department post the updated Guidelines, notify departments and the Office of Labor Relations may notify bargaining units. Executive staff have expressed that this change would allow DHR the flexibility to be more responsive to the needs of employees and changing laws to make changes to the Personnel Guidelines more regularly. Executive staff also indicated a belief that the legislation that created DHR in 2018 provided DHR the authority to develop and administer policies like the Personnel Guidelines.

*Technical changes for Chapter 3.12.* The PO contains many other proposed changes for Chapter 3.12 that are solely technical. Because there are about 140 proposed changes, the majority of the technical changes are not described in this staff report. Every change, including the technical changes, are described in more detail in Attachment 5. For brevity, the proposed changes considered technical are those that include:

- Updates to reflect current County practices;
- Updates to modernize language or remove outdated terms and subsections that are no longer applicable;
- Clarifications to ensure the Code is explicit and understandable;
- Updates to make definitions consistent throughout the Code;
- Updates to make definitions and Code sections compliant with federal and state laws like the Fair Labor Standards Act and Washington Paid Sick Leave Act.

**3.12A Career Service Review.** Chapter 3.12A is a relatively brief chapter in K.C.C. Title 3 that pertains to an annual review on whether the work of part-time and temporary employees is determined to be ongoing and stable enough to be performed by career service employees. There is only one substantive proposed change for Chapter 3.12A. In Section 55 of the PO (and change 138 in Attachment 5), there is new proposed language for the findings and policy statement that clarifies that the policy statement is not meant to limit the number of employees employed in part-time regular positions nor to limit the contracting out of work in appropriate situations. Executive staff expressed that this proposed change would clear up the misconception that the Code prohibits Executive departments from hiring regular part-time employees or contracting out work when appropriate.

*Technical changes for 3.12A.* The remainder of the changes proposed for this chapter are technical in nature. These proposed changes include:

- Correcting the name of the Office of Performance, Strategy, and Budget;

- Making clarifying edits to ensure references for reports and chapters of Code are clear and that the previous calendar year timeframe for working-hour thresholds is updated to a rolling 12-month period to reflect County practice;
- Making technical changes for grammar such as changing "will" to "shall."

**3.12S Voluntary Separation Program.** Chapter 3.12A consists of only one section. The chapter provides for the program that incentivized retirement-eligible employees to voluntarily leave County employment and provide labor cost savings. There are only technical changes proposed for this chapter in the PO. Those technical changes include:

- Clarifying that the five years of service required for eligibility must be current and continuous to reflect County practice;
- Clarifying that prior retirees are not eligible to participate to reflect County practice;
- Correcting the name of the Seattle City Employees' Retirement System;
- Making technical changes for grammar such as changing "will" to "shall."

**3.14 Civil Service Commission.** Chapter 3.14 is another brief chapter in K.C.C. Title 3 that contains four sections and governs the Civil Service Commission. That commission helps ensure employment decisions in the King County Sheriff's Office (KCSO) are consistent with civil service rules.

The substantive changes proposed in the ordinance concern the rules and regulations for the Commission. The current Code requires that the rules and regulations to administer the civil service personnel system be adopted and amended by the Council through an ordinance. The current Code also requires that the Executive periodically review the rules and regulations for the commission and propose amendments to the Council when appropriate.

The PO would make changes that would allow the DHR Director to draft and amend the civil service personnel system rules without Council action. The PO would also remove the subsection requiring Executive review and proposal of amendments to the Council. Executive staff indicated that these changes would make the Code consistent with state law, which empowers the Civil Service Commission to make rules and regulations for the administration of the civil service personnel system.<sup>20</sup> Executive staff also provided that state law allows the Commission to assign the powers and duties of the commission to County agencies.<sup>21</sup> In the existing Code, the powers of the commission, except for those pertaining to removals, suspensions, and demotions, have been assigned to DHR.<sup>22</sup> Finally, Executive staff shared that Executive review of the rules has not been performed since the original code was adopted in 1995.

*Technical changes for 3.14.* Besides the changes to the rules and regulations, the PO would make several technical changes to the chapter. These include:

---

<sup>20</sup> RCW 41.14.060

<sup>21</sup> RCW 41.14.065

<sup>22</sup> K.C.C. 3.14.010

- Removing the word "sheriff's" when referring to the "sheriff's civil service commission" as the word "sheriff's" is redundant;
- Adding language and recommending a change to the subsection title to make it clear that the Civil Service Commission handles removal, suspensions, and demotions;
- Removing outdated language from 1995 that abolished the position of secretary/chief examiner and clarifies that the functions of the secretary/chief examiner are still performed by the DHR Director.

**3.15 Pay Plan and Classification of Positions.** Chapter 3.15 currently has 21 sections and governs the pay plan and classification of positions. The pay plan is not only the schedule of numbered pay ranges with their minimum, maximum, and intermediate steps of pay amounts but also the assignment of each classification to numbered pay ranges, and the rules for administering the plan.

The PO includes about 30 proposed changes to Chapter 3.15. This is the second largest proposed update to Title 3 after the updates to Chapter 3.12. As previously noted, most of the Personnel Guidelines are based on Chapters 3.12 and 3.15. The following items are the more substantive changes proposed in the ordinance for this chapter.

*Reorganization of entire chapter* (Sections 66, 68, 70, 73, 75, 77, 78, 80, 83, 85-87 of PO, Changes #149, 151, 156, 167, 172, 173, 177-181 in Attachment 5). The first substantive change proposed in the ordinance is a reorganization of the entire chapter. Executive staff indicated that these changes would provide more clarity and better flow by putting like items together. While the changes will subsequently be described in greater detail in this staff report, the following table provides the existing order of sections in Chapter 3.15 and the proposed new order after all proposed updates to the chapter.

**Table 1.**  
**Existing Section Order and Proposed Section Order for K.C.C. Chapter 3.15**

Existing Section Order	New Proposed Section Order
3.15.005 Definitions	Definitions

3.15.170 Biweekly pay cycle - transition payment amount	
3.15.180 Biweekly pay cycle - transition payment amount – repayment by deductions - recourse	
3.15.200 Chapter not a contract	

*Applicability* (Section 68 of PO, Change #151 in Attachment 5). The PO would add a new section to Chapter 3.15 that would clarify that unless another branch of County government is specifically referenced, the chapter would only apply to employees and positions in the Executive branch. Executive have expressed that this change, like similar changes elsewhere in Title 3, is for clarity.

*Classification plan* (Section 72 of PO, Changes #157-162 in Attachment 5). The PO would make several changes to the section on the classification plan. While many of these changes are technical, there are a couple of more substantive proposed changes. The first of these changes would reorganize and update the language related to the DHR Director's authority and responsibilities around classifications. The new language would maintain the Director's ability to create, amend, or abolish classifications but it would remove the current Code requirement to review the classification plan on a continuing three-year cycle and remove the requirement for a review of market conditions, which is also required by Code on a three-year cycle. Instead, the Director would "periodically" review the plan and "should assess market conditions." Executive staff indicated that three-year review cycle is not the current practice nor is it feasible. The Executive staff has 2,300 classes and the 4-person team in DHR doesn't have the capacity to review them every three years. Instead, the business practice is that targeted reviews happen upon request. Additionally, the market conditions are assessed through the collective bargaining process for the 85% of the County workforce that is represented.

The second substantive change related to the classification plan would remove the current Code requirement for Council confirmation of specific classification changes. In the existing Code, creating a classification for a "regular exempt position or any pay

range adjustments for classifications exceeding Range 54 or movements of four or more pay ranges for an existing pay range or any pay range adjustment affecting two or more classifications in a classification series” are required to be confirmed by the “labor, operations, and technology committee, or its successor committee.”<sup>23</sup> The Government Accountability and Oversight Committee currently confirms these actions.<sup>24</sup> Executive staff expressed a belief that these committee briefings are neither necessary nor desired.

*Pay on initial employment* (Section 74 of PO, Changes #163-166 in Attachment 5). The PO would make several changes regarding the pay for an employee at the beginning of their employment. The list of reasons in Code which allow for an employee to begin at a step higher than the first step would be updated to remove the candidate’s current salary from consideration in order to comply with state law.<sup>25</sup> The list would also no longer include a competing higher offer as consideration for a higher step in the salary range. Executive staff expressed that removing this consideration would eliminate internal equity concerns and reflect current County practice.

In addition to these changes, the PO would also update the procedure for submitting notice to DHR when hiring an employee above the first step. Currently, the Code requires a department director to provide their reasoning to the DHR Director. It also requires the DHR Director to approve the hiring of an employee above step 5. The PO would update the language to require directors to provide their reasoning to the Compensation and Classification Services Manager in DHR as well as require the approval of the Compensation and Classification Services Manager before an employee could be hired above step 5. Executive staff indicated that these changes would increase efficiency and reflect current County practice. They also shared that in 2024, there were 4,158 new hires for the County. Roughly 2,300 new employees (55%) of these were hired at step 1, but 946 employees were hired between steps 2-5 and 907 were hired above step 5. The practice reflected for these hires was for the DHR Director to work with the Compensation and Classification Services Manager, who was considered the subject matter expert, for the roughly 1,850 employees hired above step 1.

*Merit increases* (Section 74 of PO, Changes #167-169 in Attachment 5). The PO would add a new section to Chapter 3.15 relating to merit increases. A merit increase is the term that would replace what was previously known as an “incentive increase” and it refers to an increase to an employee’s base salary that is supported by demonstrated performance. Most of this new section was existing Code that was reorganized into this new section but there are a few changes to the existing language. The first change would remove the requirement for departments to notify DHR when granting a probationary step increase above step 5. Executive staff indicated that this change would increase efficiency and reflect current County practice.

The second more substantive change regarding merit increases would remove the current language in the Code that prohibits department directors from receiving merit pay above the top step of the pay range. Executive staff have expressed that removing

<sup>25</sup> The Washington Equal Pay and Opportunity Act

this language would eliminate potential pay compression issues within departments. Because deputy directors, division directors, and deputy division directors are currently eligible for this merit increase, it is theoretically possible that department directors could be paid the same or less than employees with less authority or responsibilities.

*Court Commissioners and Administrators* (Section 86 of PO, Change #178 in Attachment 5). Among the sections that the ordinance proposes to repeal is K.C.C. 3.15.080, the section that pertains to salaries for Superior Court Commissioners and Administrators for both the Superior and District Courts. Executive staff have indicated that the Courts have the authority to set salaries for Commissioners and Administrators and that the current Code is outdated and not reflective of the Courts' practice for setting salaries.

*Bi-weekly pay cycle—transition* (Section 86 of PO, Change #180 in Attachment 5). The PO would also repeal the four sections in the Code that pertain to transitioning to biweekly pay cycles. Since the County completed the transition to biweekly pay in 2011, these sections are no longer necessary.

*Effect of collective bargaining* (Section 86 of PO, Changes #180 in Attachment 5). The PO would add a new section related to collective bargaining. The proposed language would replicate language found in Chapter 3.12 which reiterates that collective bargaining agreements that are adopted by the Council take precedence over the Code in the event of any conflict.

*Technical changes for 3.15.* The remainder of the changes proposed for this chapter are technical in nature. These proposed changes include:

- Clarifying that the provisions only apply to employees of the Executive branch unless the chapter specifically says otherwise;
- Updating language for clarity and consistency;
- Removing a subsection that was intended to be removed in a previous amendment of the subsection;
- Making technical changes for grammar such as changing "will" to "shall."

**3.16 Labor and Employee Relations.** Chapter 3.16 contains 12 sections and governs labor and employee relations. Among the provisions in the chapter are the designation of the bargaining agent for the County and description of their authorized powers, a mission statement for relations, time limits for ratifying bargaining agreements, the labor policy committee, and the complaint process for negotiations.

The PO would make one primary substantive change for Chapter 3.16. The current language around time limits for transmitting a ratified bargaining agreement requires transmittal to the Council within seven days of the agreement being reached. The PO would amend this language to provide 14 days for the agreement to be transmitted to the Council once it has been signed by the union and received by the Office of Labor Relations (OLR). Executive staff expressed that this reflects current County practice and that seven days is usually not enough time to prepare all the necessary documentation.

*Technical changes for 3.16.* The remainder of the changes proposed for this chapter are technical in nature. These proposed changes include:

- Removing references to an outdated Council motion and a repealed section of the County Charter;
- Rearranging definitions to place them in alphabetical order;
- Clarifying that for the purpose of bargaining, the term “wages” includes leaves and employee benefits;
- Updating the name of the entity for complaints during the negotiation process from DHR to OLR.

**3.28 Compensation for Use of Privately Owned Vehicles.** Chapter 3.28 is an extremely brief chapter in Title 3. It consists of two sections, each composed of only one sentence. There is only one proposed change for this chapter. The first section currently provides that the branches of County government may reimburse for use of privately owned vehicles used for County business in lieu of "permanently assigned county vehicles."<sup>26</sup> The PO would remove the word "permanently" from this section to clarify that vehicles are not assigned on a permanent basis and that assignments can be changed or revoked by departments or agencies.

**3.30 Use of County Vehicles to Commute.** Chapter 3.30 contains seven sections and has the stated purpose of ensuring "the proper use of public funds with regard to the county's practice of allow employees to commute to and from work in county owned vehicles."<sup>27</sup> The following items are the more substantive changes proposed in the ordinance for this chapter.

*Take-home vehicles assignment policies and criteria* (Section 100 of PO, Changes #197-200 in Attachment 5). The PO would update language related to take-home vehicle assignments and the economic benefits to the County of such assignments. Specifically, the proposed update would remove the current language that excludes the cost of lost productivity and time to travel from designated parking facilities to an employee's work station. The PO would also eliminate the subsections currently in the Code related to taking home special equipment vehicles and clean transportation technology demonstration vehicles. Executive staff indicated that these updates are being requested for efficiency purposes, to enable departments to consider assigning a take-home vehicle if it would maximize an employee's productive time, and to eliminate subsections that are no longer needed.

*Usage and reporting requirements* (Section 101 of PO, Change #201 in Attachment 5). The PO would add a new section which states that commuting in a County-owned vehicle is a taxable benefit. While this is not a new policy, Executive indicated that adding a new section would align the Code with the Internal Revenue Service's taxable benefit regulations.

*Semiannual reevaluation and update of take-home vehicle assignments* (Section 103 of PO, Change #203 in Attachment 5). The PO would update the timing for reports from

<sup>27</sup> K.C.C. 3.30.010

the Fleet Services Division in the Code. Currently, a semi-annual evaluation of all take-home vehicles is required with a subsequent reporting of the vehicle assignments available to the Council and the public by June 30 and December 31 of each year. The proposed change would remove the June and December deadlines and allow the Fleet Services Division the flexibility to reevaluate the assignments "biannually." Executive staff have indicated that because take home vehicles tend to be seasonal, the Fleet Services Division tends to evaluate assignments in April and October. This change would allow them the flexibility to continue this practice and also prevent future Code updates to adjust dates.

*Exemption* (Section 104 of PO, Changes #204-205 in Attachment 5). The PO would update the exemptions for this chapter. First, the PO would remove the exemption for "commissioned police officers."<sup>28</sup> Executive staff have indicated that this exemption is no longer necessary because take-home provisions are covered in the collective bargaining agreements with King County Sheriff's Office. The PO would also clarify the existing exemption language around bargaining agreements to state that an "agreement that provides for take home vehicle assignments shall supersede this chapter."

*Technical changes for 3.30.* The remainder of the changes proposed for this chapter are technical in nature. These proposed changes are to update and clarify definitions and terms to conform with terminology used in other County vehicle and travel-related policies.

**3.36 Charitable Contributions from County Employees.** Chapter 3.36 establishes the guidelines for the administration of County employee charitable contributions to qualified nonprofit organizations. These contributions normally occur through the Employee Giving Program but may also occur during other charitable solicitations, such as natural disaster relief. The following items are the more substantive changes proposed in the ordinance for this chapter.

*Employee giving program committee* (Section 104 of PO, Change #210 in Attachment 5). The PO would update the existing subsection around committee membership and pay practices.<sup>29</sup> The proposed updates include making that content a new standalone subsection, that committee members serve voluntarily and with new addition of the approval of their department, and that committee members covered by the overtime requirements of the Fair Labor Standards Act shall ensure that their working hours, including hours worked for the committee, are approved by their supervisors in advance. Executive staff indicated that these changes reflect current County practices.

*Technical changes for 3.36.* The remainder of the changes proposed for this chapter are technical in nature. These proposed changes include:

- Updating terminology for clarity, consistency, and to reflect the year-round activities of the Employee Giving Program;
- Updating terms and charitable giving options to conform with existing language in K.C.C. 3.12.222 and 3.12.225;

---

<sup>28</sup> K.C.C. 3.30.080.A.

<sup>29</sup> K.C.C. 3.36.030.B.5.

- Adding the use of County resources "online" to allow employees who work remotely to participate in program events;
- Removing a subsection that restates the sections of the Revised Code of Washington.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Ordinance 9088, Section 1, and K.C.C. 3.12.005 are hereby

amended to read as follows:

King County (~~recognizes that, in the past, employment and contracting practices~~  
~~did not afford equal opportunities for women, minorities and persons with disabilities,~~  
~~and that such practices have resulted in the underrepresentation of such persons in county~~  
~~employment, in employment by county contractors, and in the utilization of minority-~~  
~~owned and women-owned businesses in county contracts. King County also recognizes~~  
~~that many of the causes of this underrepresentation are societal in nature, and beyond the~~  
~~scope and power of the county to remedy on its own. Nevertheless, King County is~~  
~~determined to be a leader in the implementation of civil rights and compliance policies~~

136 ~~and programs which will remedy the effects of past discrimination and set the county on~~  
137 ~~an affirmative action path))~~ is an equal opportunity employer committed to establishing  
138 and nurturing a workforce that prioritizes equitable treatment for all employees and  
139 residents. King County is determined to be a leader in the implementation of equitable,  
140 and racially and socially just employment programs and policies. K.C.C. chapter 3.12  
141 provides a framework for building such a workforce.

142       SECTION 2. Ordinance 12014, Section 5, as amended, and K.C.C. 3.12.010 are  
143 each hereby amended to read as follows:

145 meanings except those defined in this section which shall have, in addition, the following  
146 meanings. In the event of conflict, the specific definitions set forth in this section shall  
147 presumptively, but not conclusively, prevail.

148       A.1. "Administrative interns" means employees who are:

149           a. enrolled during the regular school year in a program of education,  
150 internship, or apprenticeship;

152 admitted to the Washington State Bar Association; ~~((or))~~

153           c. veterans temporarily working to gain practical workforce experience; or

154           d. participants in the Lift Every Youth program.

155       2. All administrative internships in executive departments shall be approved by  
156 the director. Administrative interns are exempt from the career service under Section 550  
157 of the charter.

162 executive, chief officers of executive departments and administrative offices, or division  
163 managers having authority to appoint or to remove persons from positions in the (~~((county~~  
164 ~~service))~~) executive branch.

165 D. "Base rate of pay" means an employee's hourly rate of pay, which includes  
166 longevity and merit pay, but does not include other premiums, special duty, or overtime  
167 pay.

168 E. "Basis of merit" means the value, excellence, or superior quality of an  
169 individual's work performance, as determined by a structured process comparing the  
170 employee's performance against defined standards and, where possible, the performance  
171 of other employees of the same or similar class.

695 county's power to eliminate positions and lay off employees because of lack of work, lack  
696 of funds, or considerations of operational efficiency.

697       SECTION 10. Ordinance 4324, Section 14, and K.C.C. 3.12.080 are each hereby

4. A furloughed employee's probationary period shall not be extended as a result of a budgetary furlough; and

((2-)) 5. A career service employee who transfers to a position within the employee's same classification, pay range, and department or agency shall not be required to serve a probationary period unless the director of the department of human resources or its successor or the director's designee makes a written finding, in advance of the transfer, that the essential functions of the new position are substantially different from those of the employee's previous position, taking into consideration: the specific duties of the position; the work setting; the skills, training, and experience needed; the level of available support and supervision; and any other factors the director or designee deems relevant.

B. A probationary employee may be separated from county service at any time during the probationary period without right of appeal to the personnel board.

840 regarding the employee's challenge to the overpayment determination must submit to the  
841 manager ~~((of the benefits, payroll and retirement operations section))~~ of the central  
842 employee services division a written request for an adjudicative proceeding consistent with  
843 RCW 49.48.210;

844 2. The request must comply with RCW 49.48.210;

845 3. A county agency's determination concerning an overpayment to a  
846 nonrepresented employee shall be final if the nonrepresented employee fails to request an  
847 adjudicative proceeding in the manner prescribed by RCW 49.48.210;

848 4. The manager of benefits, payroll and retirement operations section of the  
849 central employee services division shall log the date and time of the request and forward  
850 the request to the agency and to the manager of the central employee services division, who  
851 shall be responsible for the adjudicative proceeding;

852 5. Within forty-five business days of receipt of the nonrepresented employee's  
853 written request for an adjudicative hearing, the manager of the central employee services  
854 division shall conduct an adjudicative hearing to review the decision regarding the  
855 challenge to the overpayment determination and to determine the final amount of the  
856 overpayment, if any, received by the nonrepresented employee. However, the manager of

the central employee services division may, under extenuating circumstances, schedule the adjudicative hearing at a time that is more than forty-five days after the receipt of the request for a hearing. The manager of the central employee services division shall set the time and place of the hearing and give not less than fifteen business days advance written notice to all parties; notice to the nonrepresented employee shall be by certified mail, return receipt requested;

6. At the hearing, evidence may be presented by the nonrepresented employee, the agency, and the benefits, payroll and retirement operations section of the central employee services division, but any documents must be provided to the other parties at least five business days before the hearing;

7. If the nonrepresented employee fails to attend or participate in the hearing, upon a showing of valid service, the manager of the central employee services division may enter an administrative order declaring the amount claimed, in the notice sent to the employee after the employer's review of the employee's challenge to the overpayment determination, to be assessed against the employee and subject to collection action by the employer as provided in RCW 49.48.200;

8. Within thirty business days after the hearing, the manager of the central employee services division shall issue an administrative order that determines the final amount of the overpayment, if any, received by the nonrepresented employee. The manager of the central employee services division shall send a copy of the administrative order, by certified mail, return receipt requested, to the nonrepresented employee at the employee's last known address, to the agency, and to the manager of benefits, payroll and retirement operations section of the central employee services division; however, the

880 manager of the central employee services division may, under extenuating circumstances,  
881 issue an administrative order more than thirty days after the hearing;

882 9. The administrative order issued by the manager of the central employee  
883 services division shall be final;

884 10. Once a final administrative order determining the final overpayment amount  
885 owed by the nonrepresented employee has been entered, a payroll deduction to recover the  
886 overpayment may begin as authorized by state law;

887 11. Nothing in this section precludes an agency or the benefits, payroll and  
888 retirement operations section of the central employee services division from entering into a  
889 voluntary agreement with a nonrepresented employee to repay any overpayment of wages,  
890 consistent with state law; and

891 12. The manager of the central employee services division may be recused from  
892 conducting an adjudicative hearing, at the manager's discretion, to avoid any real conflict of  
893 interest. If this occurs, the director of the department of human resources or designee shall  
894 assume responsibility for the hearing.

895 SECTION 15. Ordinance 12014, Section 34, as amended, and K.C.C. 3.12.123  
896 are each hereby amended to read as follows:

897 ~~((The council desires to continue the weapons policy established by the~~  
898 ~~Municipality of Metropolitan Seattle prior to assumption of metropolitan functions on~~  
899 ~~January 1, 1994, by the county and continued by the council during the 1994–1995~~  
900 ~~transition period.))~~ The council recognizes that employees in the Metro transit department  
901 interact daily with the public in providing public transportation services, are expected to  
902 avoid any potentially volatile situation or confrontation, and are required to contact the

appropriate authority for assistance when necessary. In conjunction with the behavior expected of such employees, it is also the policy that the use, threatened use, or possession of a weapon concealed, licensed or otherwise, by such an employee while in the performance of the employee's official duties or while on county property is strictly prohibited and ~~((will))~~ shall result in termination. This policy does not apply to commissioned police officers under contract with or employed by the county for investigatory, undercover or enforcement reasons.

SECTION 16. Ordinance 12077, Section 3, as amended, and K.C.C. 3.12.125 are each hereby amended to read as follows:

A. Notwithstanding any other provision of this chapter, in the event the number of hours in the standard work week of a position occupied by a full-time regular employee, part-time regular employee, or ~~((;))~~ term-limited temporary employee is increased, the sick leave and vacation leave accruals of such employee at the time of the increase shall be adjusted upward so as to insure that the equivalent number of sick leave and vacation leave days accrued does not change. For example, if the standard work week of such a position is increased from thirty-five to forty hours, and if at the time of such change the employee occupying the position had accrued seven hours of sick leave, the sick leave accrual of that employee would be adjusted upward to eight hours. ~~((This section shall apply to all employees eligible for comprehensive leave benefits occupying positions where the standard work week of the position was increased on or after July 1, 1991.))~~ After such an increase, such employees shall accrue vacation and sick leave in accordance with the otherwise applicable provisions ~~((of K.C.C.))~~ this chapter ~~((3.12))~~.

925           B. Separate accounts shall be maintained for any vacation or sick leave accrued  
926 before an increase in the number of work-week hours. The "adjusted leave account" shall  
927 be used for leave accrued before an increase in the number of work-week hours. The  
928 "unadjusted leave account" shall be used for leave accrued subsequent to an increase in the  
929 number of work-week hours. Leave in the adjusted leave account shall be used first.

930           C. In the event the number of work-week hours is reduced for any employee whose  
931 vacation and sick leave accruals have been adjusted upward under the terms of this section,  
932 the remaining hours in the adjusted leave account shall be reduced in the same proportion  
933 as the work-week hours are reduced. Under no circumstances shall the adjusted leave  
934 account be reduced by a greater proportion than the proportion of the previous upward  
935 adjustment. Any leave accrued in the unadjusted leave account shall not be affected by this  
936 reduction.

937           D. No adjustment to reduce sick leave or vacation accruals for a furloughed  
938 employee shall be made as a result of a budgetary furlough.

939           SECTION 17. Ordinance 12014, Section 16, and K.C.C. 3.12.130 are hereby  
940 repealed.

941           SECTION 18. Ordinance 4324, Section 38, and K.C.C. 3.12.140 are each hereby  
942 amended to read as follows:

943           (~~Cost of living~~) General wage increases as passed by the council annually for  
944 county employees shall include elected officials whose salaries are not set by the state.

945           SECTION 19. The following are hereby repealed:

947           B. Ordinance 4324, Section 34, and K.C.C. 3.12.160; and

948 C. Ordinance 12014, Section 17, as amended, and K.C.C. 3.12.170.

949 SECTION 20. Ordinance 12014, Section 18, as amended, and K.C.C. 3.12.180

950 are each hereby amended to read as follows:

951 A. For purposes of this section:

952 1. "County work force" means persons employed by King County executive  
953 departments;

954 2. "Job group" means a grouping of jobs as defined by the United States  
955 Department of Labor;

956 3. "Labor force availability rate" means the percentage of persons of color or  
957 women with requisite job skills in King County as reported by the United States Census  
958 Bureau;

959 4. "Persons of color" means persons in each of the following groups: Blacks;  
960 Hispanics; Asian/Pacific Islanders; and Native Americans; and

961 5. "Placement goal" shall equal the labor force availability rate.

962 B. The county is an equal opportunity employer and shall carry out federal, state  
963 and local laws and regulations prohibiting discrimination in employment on the basis of  
964 race, color, religion, religious affiliation, creed, national origin, ancestry, sex, sexual  
965 orientation, gender identity or expression, age (except by minimum age and retirement  
966 provisions), marital status, honorably discharged veteran or military status, or the presence  
967 of a sensory, mental or physical disability. Further, it is the intent of the county to ensure  
968 that employment is based on the principle of equal opportunity and that such a principle  
969 shall be implemented in all county personnel-related actions including, but not limited to,

970 recruitment, hiring, testing, training, promotion, compensation, transfer and all other terms  
971 and conditions of employment in all job classifications.

972 C. In order to comply with federal contracting requirements and to ensure equal  
973 opportunity for all persons, all county departments shall establish and maintain an  
974 effective equal employment opportunity affirmative action plan, as adopted by the  
975 council by ordinance. Such an equal employment opportunity affirmative action plan  
976 shall promote the objectives of public policy set forth in applicable federal and state laws  
977 relating to nondiscrimination, equal employment opportunity, affirmative action and civil  
978 rights. Specifically, the plan shall promote the objectives of the State Law Against  
979 Discrimination, chapter 49.60 RCW (applicable parts), and provisions of the Washington  
980 Administrative Code adopted thereunder. As part of the county's equal employment  
981 opportunity affirmative action plan, the executive shall submit by June 1 of every fourth  
982 year, commencing with 2018, a proposed ordinance for the approval of an equal  
983 employment opportunity affirmative action plan pertaining to executive county  
984 departments and agencies to be approved, or modified, by the council by ordinance, or  
985 rejected by the council, by January 1 following the plan's submittal to council. The equal  
986 employment opportunity affirmative action plan shall include:

987 1. Information related to county work force statistics, which shall include:

988 a. a comparison of labor force availability for women and persons of color to  
989 the county's actual labor force for women and persons of color as a summary across all  
990 departments. The plan shall also compare labor force availability for women and persons  
991 of color to the county's actual labor force for women and persons of color by departments

992 and job group. The plan shall also summarize the percentage of total goal setting areas  
993 which meet or exceed the labor force availability rate;

994 b. a summary of the county work force by job group and by race and gender;

995 c. a discussion of the methodology by which the labor force availability and  
996 county work force data is developed and a listing of the county job classifications that are  
997 included in each job group;

998 d. the total number of persons with disabilities in each job group within the  
999 county work force and the total number of persons with disabilities by department  
1000 voluntarily reported by individuals for equal employment opportunity affirmative action  
1001 purposes. The plan shall include the number of positions for which an accommodation is  
1002 currently in effect;

1003 e. the total number and percentage of employees by salary range and by race  
1004 and gender. Salary ranges shall be reported in a manner consistent with the equal  
1005 employment opportunity data reported by the United States Census Bureau. The plan  
1006 shall include data reported by the United States Census Bureau on the total number and  
1007 percentage of the labor force working in King County by salary range and by race and  
1008 gender;

1009 f. an analysis by race and gender of the positions filled by promotion during  
1010 the prior plan period. For the purposes of this subsection, "promotions" means those  
1011 instances in which an individual advances in salary level because the individual changed  
1012 to a position with a higher pay range assignment either through a competitive process or  
1013 through a reclassification;

1014                   g. a summary by year for the prior plan period on executive\_branch  
1015 discrimination complaints by basis of complaint and complaint status. The summary  
1016 shall also include data by department on the number of complaints filed by complaint  
1017 type and the number of people filing complaints; and

1018                   h. historical data on the county work force by race and gender. Historical data  
1019 before 2014 is required only to the extent it is readily available;

1020                   2. Placement goals for the plan period. For those job groups within departments  
1021 where the actual number of women and persons of color employed is less than projected  
1022 by labor force availability, a placement goal by race and gender shall be established for  
1023 the entire plan period. A placement goal shall equal the labor force availability rate.  
1024 Placement goals are used to measure progress toward achieving equal employment  
1025 opportunity. Placement goals may not be quotas, which must be met, nor do they create  
1026 set-asides for specific groups. Placement goals may not be used to supersede merit  
1027 selection principles. Further, existence of a placement goals does not constitute evidence  
1028 of discrimination. If a placement goal has been established, the plan shall identify the  
1029 labor force availability rate;

1030                   3. Implementation plans for departments. Each implementation plan shall:

1031                   a. identify the activities proposed each year during the plan period to meet the  
1032 department's placement goals. The plan shall discuss how the proposed activities will  
1033 help the department achieve its placement goals;

1034                   b. identify the activities proposed during the plan period by year to recruit,  
1035 retain and promote women and persons of color in the work force; and

1036           c. identify the specific activities during the plan period, by year, that each  
1037 department will undertake to increase its hiring, retention, and promotion of persons with  
1038 disabilities; and

1039           4. A summary of the results of the prior equal employment opportunity  
1040 affirmative action plan, which shall include:

1041           a. a description of the progress of each department in completing the activities  
1042 listed in subsection C.3. a. through c. of this section proposed in the previous  
1043 implementation plan. The outcomes of each activity shall be reported. The department  
1044 of human resources shall provide an evaluation of the effectiveness of each department's  
1045 implementation activities during the plan period;

1046           b. the status of each placement goal established in the prior equal employment  
1047 opportunity affirmative action plan. For each identified placement goal, the status report  
1048 shall report the:

1049           (1) labor force availability rate;

1050           (2) total number of positions filled for the corresponding job group within a  
1051 department;

1052           (3) of the total number reported under subsection C.4.b.(2) of this section, the  
1053 number of positions that were filled by each race and gender category; and

1054           (4) an actual hiring rate for each race and gender category calculated by  
1055 dividing the number of positions filled by the number of positions filled by each race and  
1056 gender category; and

1057           c. a separate listing of those placement goals for the plan period that were not  
1058 achieved. Placement goals are considered not achieved when the actual hiring rate is less

than the availability rate for the overall plan period. For each placement goal not achieved, the plan shall provide an analysis of why the goals were not met including whether the planned implementation activities were completed. Placement goals shall only be considered not achieved in those instances in which the total number of hires is large enough such that it is statistically reasonable to expect under conditions of equal employment opportunity that the number of hires by race and gender will reflect work force availability.

D. The executive shall submit a proposed ordinance approving a new four-year equal employment opportunity affirmative action plan to the council within twelve months of the publication of the appropriate data from the ten-year United States Census.

SECTION 21. Ordinance 18572, Section 1, as amended, and K.C.C. 3.12.184 are each hereby amended to read as follows:

1274           SECTION 27. Ordinance 14591, Section 2, as amended, and K.C.C. 3.12.218 are  
1275 hereby repealed.

1276           SECTION 28. Ordinance 18408, Section 2, as amended, and K.C.C. 3.12.219 are  
1277 each hereby amended to read as follows:

1278           A. Employees eligible for comprehensive leave benefits who have been  
1279 employed with the county for at least six months of continuous service at the time of a  
1280 birth, adoption, or foster-to-adopt placement of a minor child, and are either  
1281 nonrepresented or represented by a union that has signed a paid parental leave  
1282 memorandum of agreement with the county, are eligible for up to twelve weeks of paid  
1283 parental leave.

1284           B. If both parents work for King County, then each employee is entitled to up to  
1285 twelve weeks of paid parental leave.

1286           C. An employee's supplemental paid parental leave benefit shall be calculated  
1287 based on the employee's accrued paid leave balances at the time of the qualifying event.  
1288 The employee shall receive the equivalent of the employee's full salary for up to a total of  
1289 twelve weeks, when combined with the employee's accrued leaves, except for one week  
1290 of sick leave and one week of vacation leave, or the equivalent for benefit time off. For  
1291 example, if an employee has two weeks of accrued vacation and three weeks of accrued

1292 sick leave at the time of the qualifying event, the employee shall be granted nine weeks  
1293 of supplemental paid leave, bringing the total available paid parental leave to twelve  
1294 weeks.

1295 D. An employee may use supplemental paid leave and accrued paid leave in any  
1296 order and is not required to use any of the accrued paid leave as paid parental leave.

1297 E. An employee on paid parental leave shall be compensated at the employee's  
1298 base rate of pay.

1299 F. An employee should provide notice to the designated representative of the  
1300 employee's department that the employee intends to participate in the program. The  
1301 notice should meet the notice requirements for taking family and medical leave under  
1302 federal law.

1303 G. Paid parental leave must begin and end within twelve months after the  
1304 qualifying event. In the case of adoption or foster-to-adopt placement, leave must be  
1305 taken within one year of the child's birth or placement in the employee's home. The  
1306 department of human resources shall have the discretion to administer paid parental leave  
1307 in a way that supports the employee and child, including allowing use of leave after more  
1308 than one year of the child's birth or placement in the employee's home to address special  
1309 circumstances in the case of adoption or foster-to-adopt placement.

1310 H. The employee and the employee's supervisor shall agree upon a schedule for  
1311 taking paid parental leave that is consistent with the county's operational needs. An  
1312 employee may use the paid parental leave on a part-time or intermittent basis as long as it  
1313 is consistent with the county's operational needs and is approved in writing by the  
1314 supervisor before the leave begins.

1315 I. Paid parental leave shall run concurrently with King County family and  
1316 medical leave, as well as federal and state family and medical leave, to the extent  
1317 permitted by law.

1318 J. During the time that an employee is on leave in the program, the employee's  
1319 job shall be protected to the same extent that an employee's job is protected while the  
1320 employee is on family or medical leave under federal or state law. No retaliatory action  
1321 may be taken against an employee for participating or planning to participate in the  
1322 program or for exercising the employee's rights under Ordinance 18408. In particular,  
1323 permission to use accrued paid leave shall not be denied or delayed on the basis that the  
1324 employee intends to participate in the program. This is a general statement of county  
1325 policy that cannot form the basis of a private right of action.

1326 K. Taking leave under the paid parental leave program shall not affect an  
1327 employee's health benefits or an employee's accrual of paid leave, which shall continue  
1328 during the period of paid parental leave.

1329 L. Employees shall not be compensated in any manner for not using the  
1330 supplemental paid parental leave.

1331 M. An employee who does not return to work for at least six months of  
1332 continuous service following the paid parental leave, shall be required to reimburse King  
1333 County for the supplemental paid parental leave funds received. This does not apply to  
1334 an employee whose employment ends involuntarily, such as if the employee is laid off or  
1335 medically separated.

1336 If an employee is taking paid parental leave intermittently, the six months begins  
1337 after the last day the employee used paid parental leave. An employee whose position is

1338 scheduled to end in a timeframe that would not enable the employee to return to work for  
1339 six months following the leave, is not entitled to take paid parental leave.

2227 and predictable bodies of work necessary to the provision of services to the public  
2228 performed by career service employees, and to minimize its use of part-time and temporary  
2229 employees. This is not meant to limit the number of employees employed in part-time  
2230 regular positions or to contract out work in appropriate situations. To achieve that goal, the  
2231 council hereby adopts the procedures set forth in this chapter.

2232            SECTION 56. Ordinance 12943, Section 14, as amended, and K.C.C. 3.12A.020

2255 Within ~~((60))~~ sixty days of submission of the ~~((above))~~ reports required under this  
2256 section, the committee shall make a factual determination as to whether an ongoing,

2259 recommend: (1) the creation of any new part-time or full-time regular career service  
2260 position(s); or (2) the filling of an existing vacant career service position in which the  
2261 work is being performed by a temporary or part-time employee(s); or (3) the creation of a  
2262 term-limited temporary employee position; or (4) the cessation of the work. If the  
2263 committee identifies such a body of work, but the committee does not make any of the  
2264 recommendations described ~~((above))~~ in this section, the department must discontinue the  
2265 use of part-time or temporary employees to perform that work. If the committee  
2266 recommends creation of a regular career service position, but the executive does not

2267 recommend or the council does not create such a position, the department shall discontinue  
2268 performance of the pertinent body of work by temporary or part-time employees.

2269 Any regular career service position created as a result of this process ~~((will))~~ shall  
2270 be filled by a competitive hiring process.

2271 The reports of each department and of the committee and the records of ~~((their))~~ the  
2272 committee's proceedings shall be considered disclosable public records and shall also be  
2273 made available to the council upon request.

2274 SECTION 58. Ordinance 12943, Section 16, and K.C.C. 3.12A.040 are each  
2275 hereby amended to read as follows:

2276 Part-time and temporary employees, other than probationary, provisional, and term-  
2277 limited temporary employees, who exceed the calendar year working hour thresholds set  
2278 forth in the definitions contained in K.C.C. chapter 3.12 shall receive pay in lieu of benefits  
2279 as provided in K.C.C. chapter 3.12. ~~((Provided, that))~~ However, exceeding the threshold  
2280 hours does not confer career service status on any employee.

2281 SECTION 59. Ordinance 12943, Section 17, as amended, and K.C.C. 3.12A.050  
2282 are each hereby amended to read as follows:

2283 A.1. Part-time and temporary employees, other than probationary and provisional  
2284 employees, who exceed the ~~((calendar year))~~ working-hour thresholds set forth in the  
2285 definitions contained in K.C.C. chapter 3.12 may seek conversion of a body of work ~~((in~~  
2286 ~~which))~~ they perform into a part-time or full-time regular career service position by appeal  
2287 to the committee. Conversion decisions shall be based on whether the work performed by  
2288 the employee is an ongoing, relatively stable, and predictable body of work that is half time  
2289 or more, even though the work was not perceived as such previously, and whether it should

2290 be performed by a regular part-time or full-time career service employee. The committee  
2291 shall also decide, if the body of work does not warrant a career service position, whether  
2292 the position should be converted to a term-limited temporary employee position. The  
2293 committee shall determine whether the work performed by the employee shall:

2294           ~~((1-))~~ a. ~~((R))~~ remain outside career service as part-time or temporary;

2295           ~~((2-))~~ b. ~~((B))~~ be converted to a term-limited temporary employee position that  
2296 receives benefits; or

2297           ~~((3-))~~ c. ~~((B))~~ be converted to a part-time or full-time regular career service  
2298 position.

2299           B. The committee shall make its determination within forty-five days of the  
2300 employee's request. In the event of a tie vote by the committee, where half the committee  
2301 finds that the body of work should be converted, the appeal shall be deemed to have  
2302 prevailed. The committee shall make a recommendation to the executive for  
2303 recommendation to the council. The executive's recommendation shall be submitted to the  
2304 council if the executive decides the body of work should be performed by a career service  
2305 employee and that further position authority is required. If the council does not approve the  
2306 additional position, the work shall promptly be discontinued and not performed by  
2307 temporary or part-time employees.

2308           If the committee finds that the work performed by the employee should remain  
2309 part-time or temporary, the employee may appeal within ten days from the date of receipt  
2310 of the committee's finding by filing a notice of appeal with the committee. The committee  
2311 shall direct the appeal to be considered by a hearing examiner of the county or, at its  
2312 option, the committee may direct the appeal be considered by an independent, neutral

2313 arbitrator who ((will)) shall make a final determination. The arbitrator shall be chosen by  
2314 the director and the appellant, and shall be paid by the employing department or  
2315 administrative office.

2316         The hearing examiner's or arbitrator's decision shall be limited to either upholding  
2317 the committee's finding or overturning the committee's finding. The decision shall be  
2318 based on whether the work performed by the employee is an ongoing, relatively stable, and  
2319 predictable body of work and is half-time or more, under the same standards applicable to  
2320 the committee, or on whether the work meets the definition of term-limited temporary  
2321 position. Employees covered by a grievance procedure contained in a collective bargaining  
2322 agreement may elect either to use the grievance procedure, if the applicable collective  
2323 bargaining agreement permits it, or to use the appeal procedure described above, but not  
2324 both procedures.

2325         If the hearing examiner or arbitrator overturns the committee's findings, any new  
2326 career service or term-limited temporary position must be absorbed by the department  
2327 within its authorized position level, or within funds available for term-limited temporary  
2328 position work, provided that the department may request additional position or budget  
2329 authority. The appealing employee ((will)) shall be placed in the career service position as  
2330 a provisional appointee, with insured benefits and comprehensive leave benefits, until a  
2331 competitive hiring process, which substantially takes into account and weighs the  
2332 experience of the employee performing the tasks of the position, is completed. If the  
2333 appealing employee is selected for the position, the employee's start date ((will)) shall be  
2334 the date of the provisional appointment for all purposes, including seniority and/or a  
2335 probationary period, except that those employees covered by a collective bargaining

2336 agreement the date of the appointment shall be determined in accordance with the  
2337 collective bargaining agreement or by the collective bargaining process. If the employee is  
2338 placed in a term-limited temporary position, the employee's start date ~~((will))~~ shall be the  
2339 date of the employee's appointment to the term-limited temporary position for all purposes,  
2340 except for those employees covered by collective bargaining agreements, whose start date  
2341 ~~((will))~~ shall be determined by the collective bargaining agreement or by the collective  
2342 bargaining agreement process.

2343 ~~((B:))~~ C. Appeal Procedure ~~((F))~~ for Term-Limited Temporary Employees. A term-  
2344 limited temporary employee who exceeds the employee's term may appeal to the  
2345 committee to have the body of work converted to a career service position. The committee  
2346 shall decide whether the body of work still warrants a term-limited temporary position  
2347 designation or should be converted to a career service position. If a majority of the  
2348 committee finds that the body of work should continue as a term-limited temporary  
2349 position, the employee may appeal within ten days from the date of receipt of the  
2350 committee's finding by filing a notice of appeal with the committee. In the event of a tie  
2351 vote, the appeal shall be deemed to prevail. The appeal process shall be the same as for  
2352 part-time and temporary employees ~~((F))~~<sub>2</sub> other than probationary and provisional  
2353 employees ~~((, provided,))~~<sub>1</sub>; however, if the employee prevails in the appeal, the employee  
2354 shall be placed in a career service position, not a provisional appointment, and the  
2355 employee shall not be required to serve a probationary period.

2356 SECTION 60. Ordinance 12943, Section 18, and K.C.C. 3.12A.060 are each  
2357 hereby amended to read as follows:

2358           Nothing in this chapter shall restrict King County's ability to terminate part-time  
2359 and temporary employees who exceed the calendar year working hour thresholds or term-  
2360 limited temporary employees who exceed the calendar years threshold set forth in the  
2361 definitions contained in K.C.C. chapter 3.12; ~~((provided,))~~ however, ~~((that))~~ if an employee  
2362 seeks conversion of ~~((their))~~ the employee's position by appeal to the committee,  
2363 termination of that employee for reasons related to the appeal shall be deferred until the  
2364 conclusion of the appeal process described ~~((herein))~~ in this chapter. If the employee's  
2365 appeal is successful, the employee shall not be terminated but rather be assigned to a  
2366 position as required by the appeal process described herein.

2367           SECTION 61. Ordinance 18696, Section 2, and K.C.C. 3.12S.010 are each  
2368 hereby amended to read as follows:

2369           A. The executive is hereby authorized to establish a program in agencies  
2370 identified by the executive that incentivizes retirement-eligible employees to voluntarily  
2371 leave county employment, but only if:

2372           1. The voluntary separation program will enable the agency to avoid a budget  
2373 shortfall that would result in program cuts or reductions in force, or the voluntary  
2374 separation program will result in labor cost savings; and

2375           2. The agency will not fill the separating employee's position or will fill the  
2376 position at a lower wage rate that is expected to result in a net twenty percent annual  
2377 salary cost savings.

2378           B. The executive is further authorized to enter into or extend agreements with  
2379 labor organizations to provide the same incentive program as provided for  
2380 nonrepresented employees under this chapter. If such an agreement addresses no other

subject or additional terms, it shall have the force of law upon execution by the parties, without enactment by ordinance.

C.1. ~~((In order to))~~ To be eligible for the program, the employee must:

a. have at least five years of current continuous regular county service(~~(;~~  
~~must))~~;

b. not be a temporary employee (~~(and must)~~);

c. be eligible to apply for a pension from the Law Enforcement Officers and Firefighters Retirement System, Public Employees Retirement System, Public Safety Employees Retirement System, or the ~~((city of Seattle Retirement Plan))~~ Seattle City Employees' Retirement System, before December 31 of the calendar year in which the employee applies for the program; and

d. have not previously retired from King County government.

2. While the employee must be retirement-eligible and must separate from the county, the employee need not actually begin drawing a pension to be considered eligible for the program. An employee who has resigned, retired, or submitted written notification of the employee's intent to do so before the employee's employing agency has announced its intention to participate in the program, is ineligible to participate in the program.

D. Participation in the program by employees is entirely voluntary.

E. As a financial incentive, the county shall pay to currently employed, retirement-eligible employees who request, and are authorized by the executive, to voluntarily separate from county service, a one-time payment equal to twenty-six-weeks of the Washington state employment security department's maximum weekly

2404 unemployment benefit amount in effect as of January 1 of each calendar year. This one-  
2405 time payment amount issued to the eligible participant (~~((will))~~) shall be in the amount  
2406 effective for the year the participant was approved for the program and separates from the  
2407 county. For part-time employees, this one-time payment (~~((will))~~) shall be prorated based  
2408 on the percentage that employee works as measured against a full-time employee.

2409 F. The program shall require that participating employees enter into a written  
2410 agreement with King County that sets forth the terms and conditions of their voluntary  
2411 separation, including but not limited to:

2412 1. Any employee approved to participate in the program must leave county  
2413 employment by written resignation or retirement no later than December 31 of the year in  
2414 which the employee applies for the program. Agencies may establish deadlines and  
2415 procedures, which may vary by agency for employee participation in the program;

2416 2. The employee (~~((will))~~) shall not seek reemployment with the county in any  
2417 county position;

2418 3. The employee agrees that the employee is not eligible for, and (~~((will))~~) shall  
2419 not apply for, unemployment compensation and signs a waiver of any claim for  
2420 unemployment compensation; and

2421 4. The employee must sign a waiver or release of any claim under the Age  
2422 Discrimination in Employment Act and the Older Worker Benefit Protection Act.

2423 G. The executive's approval of any employee request to participate in the  
2424 program is discretionary, and consideration will be given to the impact to service  
2425 delivery, retention of a skilled employee or employees, cost of refilling a position or

2426 positions, short-term and long-term budget savings, and the employee's length of service  
2427 with the county.

2428 H. All decisions to approve or deny the requests of individual employees to  
2429 participate in the program shall be in writing and shall report the savings impacts, either  
2430 short-term or long-term, or both, if the request is approved or denied. Decisions to  
2431 approve or deny a request shall not be the subject of a grievance.

2432 I. The executive shall include, as part of the program, a clear designation of who  
2433 is authorized in each agency to approve or deny employee requests to participate in the  
2434 program. Employees of agencies headed by elected officials, other than the executive,  
2435 are ineligible to participate in the program unless their request is approved by both the  
2436 executive and the head of the applicable agency.

2437 SECTION 62. Ordinance 12014, Section 46, as amended, and K.C.C. 3.14.010 are  
2438 each hereby amended to read as follows:

2600 new section to read as follows:

2601 Consistent with K.C.C. 3.12.350, the director shall establish guidelines for pay  
2602 increases in accordance with the following:

2603 A. Employees may receive within-range increases from one step to the next higher  
2604 step upon satisfactory completion of the probationary period. All probationary period pay  
2605 increases must be supported by a documented performance appraisal.

2606           B. Employees may be eligible to receive increases annually in accordance with the  
2607 following principles:

2608           1. A merit increase must be supported by an annual documented performance  
2609 appraisal approved by the department director, and it must be maintained in the employee's  
2610 personnel file. Merit increases shall be prospective only and shall be effective on January 1  
2611 following the year that the appraisal was based;

2612           2. For employees currently in Steps 1 through 4 in the pay range, the appointing  
2613 authority may grant an increase of a single step for standard performance, and may grant an  
2614 increase exceeding a single step for above-standard or outstanding performance, as defined  
2615 by the director;

2616           3. For employees currently in Steps 5 through 7 in the pay range, the appointing  
2617 authority may grant an increase of one or more steps for above-standard performance; and

2618           4. For employees currently in Steps 8 or 9 in the pay range, the appointing  
2619 authority may grant an increase of one step, not to exceed the top of the pay range, for  
2620 outstanding performance.

2621           C. An appointing authority may grant an employee merit pay up to five percent  
2622 above the top step of the range for a period of twelve months, if both of the following  
2623 conditions are met:

2624           1. The employee has been at the top step of the prior or current range for two  
2625 years before the award of the increase; and

2626           2. The employee has demonstrated continuous outstanding performance.

2627           D. All merit increases are subject to the availability of funds. Within-range merit  
2628 increases are not automatic but shall be given only upon the written direction of the

2629 appointing authority, as defined in K.C.C. 3.12.010.C., within the guidelines established by  
2630 the director.

2631 SECTION 76. Ordinance 12014, Section 52, as amended, and K.C.C. 3.15.030  
2632 are each hereby amended to read as follows:

2633 A. The director may reclassify any position to an existing or new classification.

2634 B. An employee or a group of employees may request that a position or  
2635 group of positions be reclassified for the following reasons:

2636 1. The employee's position is not assigned to the appropriate  
2637 classification;

2638 2. A significant or gradual change has occurred in the employee's on-  
2639 going duties or responsibilities over a period of at least one-year; or

2640 3. A departmental reorganization or council action has caused the duties  
2641 of the position to change.

2642 C.1. An employee is not eligible to submit a reclassification request if:

2643 a. it has been less than twelve months since the date of a previous  
2644 classification determination for the position;

2645 b. the employee is on probation;

2646 c. the employee is on a performance improvement plan; or

2647 d. the employee is asking for the reclassification of a special duty  
2648 position.

2649 2. Temporary and term-limited temporary employees may not request a  
2650 position reclassification, except as noted in subsection D. of this section.

2651 3. When an employee is no longer in the position for which the

2652 employee is seeking reclassification, the department of human resources shall  
2653 either deny the employee's reclassification request or cancel the employee's  
2654 appeal, or both.

2655           D. Group classifications may be submitted if all of the employees'  
2656 positions are in the same classification in the same section of a division. Term-  
2657 limited temporary employees may be reclassified as part of a group classification,  
2658 but only if the group includes at least one regular employee. The director shall  
2659 evaluate each position individually, reserving the right to place individual  
2660 positions into different classifications.

2661           E. When the director reclassifies a position to a higher classification, the  
2662 rate of pay of the incumbent employee shall be increased to the first step of the  
2663 pay range of the new classification or the step that is at least five percent above  
2664 the former rate of pay, whichever is greater.

2665           F. When the director reclassifies a position to a lateral classification, rate  
2666 of pay of the incumbent employee shall remain at the same step of the pay range.

2667           G. When the director reclassifies a position to a lower classification, the  
2668 rate of pay of the incumbent employee shall be the highest step in the new pay  
2669 range that does not exceed the employee's current rate of pay.

2670           H. A pay increase as a result of a reclassification may not exceed the top  
2671 step of the new range, unless the employee's former pay includes above-Step-10  
2672 merit pay. If the employee's former pay includes above-Step-10 merit pay, the  
2673 employee's new pay is calculated using the above-Step-10 amount. If the increase  
2674 from reclassification results in pay that is above the top step of the new range, the

2675 pay shall be reduced to the top step of the new range at the end of the incentive  
2676 period, unless the employee requalifies for above-Step-10 merit award.

2677 I. Implementation of a reclassification and any related pay change shall be  
2678 effective at the start of the pay period following receipt of the completed  
2679 reclassification request form at compensation and classification services in the  
2680 department of human resources, except a reclassification to a lower pay grade  
2681 shall be effective at the start of the pay period at least thirty calendar days after  
2682 notification of the classification determination from the department of human  
2683 resources.

2684 J. A reclassified employee shall not serve a probationary period in the  
2685 new classification.

2686 K.1. When an employee's position is reclassified retroactively into a  
2687 classification with a different Fair Labor Standards Act (~~of 1938~~) status, the  
2688 change in status shall be prospective only.

2689 2. When an employee's position is reclassified from a Fair Labor  
2690 Standards Act (~~of 1938~~) exempt classification to a Fair Labor Standards Act (~~of~~  
2691 ~~1938~~) non-exempt classification, the employee shall be paid overtime pay  
2692 prospectively from the date of the reclassification decision.

2693 3. When an employee's position is reclassified from a Fair Labor  
2694 Standards Act (~~of 1938~~) non-exempt classification to a Fair Labor Standards Act  
2695 (~~of 1938~~) exempt classification, the employee shall receive a cash out of all  
2696 accrued compensatory time.

2697 SECTION 77. The following are hereby repealed:

2698           A. Ordinance 1282, Section 5, as amended, and K.C.C. 3.15.040; and

2699           B. Ordinance 1282, Section 7, as amended, and K.C.C. 3.15.070.

2700           SECTION 78. K.C.C. 3.15.130, as amended by this ordinance, is hereby

2701 recodified to follow K.C.C. 3.15.030, as amended by this ordinance.

2702           SECTION 79. Ordinance 14233, Section 6, as amended, and K.C.C. 3.15.130 are

2703 each hereby amended to read as follows:

2704           A. If a promotion results from something other than a reclassification, the pay  
2705 rate of the incumbent employee shall be increased to the first step of the pay range of the  
2706 new classification or the step that is at least five percent above the former rate of pay,  
2707 whichever is greater. The promoted employee may be placed at a higher step in the pay  
2708 range if the employee's department director determines the action is warranted, if the  
2709 criteria and procedures in K.C.C. 3.15.120, as recodified by this ordinance, are met and if  
2710 funds are available in the agency.

2711           B. A pay increase as a result of a promotion may not exceed the top step of the new  
2712 range, unless the employee's former pay includes an above-Step-10 amount as a result of an  
2713 ~~((incentive))~~ merit increase. If the employee's former pay includes above-Step-10  
2714 ~~((incentive))~~ merit pay, the employee's new pay is calculated upon the above-Step-10  
2715 amount. If the increase from a promotion results in pay that is above the top step of the  
2716 new range, the pay shall be reduced to the top step of the new range at the end of the  
2717 ~~((incentive))~~ merit period unless the employee requalifies for an above-Step-10  
2718 ~~((incentive))~~ merit award.

2719           C. Implementation of a promotion and any related pay change shall be prospective  
2720 and is effective when the promotion is approved by the director.

2721            SECTION 80. K.C.C. 3.15.140, as amended by this ordinance, is hereby  
2722 recodified to follow K.C.C. 3.15.130, as recodified by this ordinance.

2723            SECTION 81. Ordinance 19738, Section 10, is hereby expired.

2724            SECTION 82. Ordinance 14233, Section 7, as amended, and K.C.C. 3.15.140 are  
2725 each hereby amended to read as follows:

2726            A.1. A department director and, when required, the director of the department of  
2727 human resources, may assign an employee in a regular position to an existing  
2728 classification for a limited term when the duties and responsibilities of the other  
2729 classification comprise the majority of the work performed for a minimum of thirty  
2730 calendar days. This is called a special duty assignment.

2731            2. Temporary employees, including term-limited temporary employees, are not  
2732 eligible for special duty assignments.

2733            B.1. Depending upon the type of special duty assignments needed for business  
2734 operations, special duty assignments may be made for up to a maximum of five years.

2735            2. Assignments may be approved for up to a term of twelve months if  
2736 authorized in advance by the department director to backfill for a vacant regular position,  
2737 or to provide additional staffing needed:

2738            a. due to work that exceeds either the volume or complexity, or both, than what  
2739 is routinely expected, but the work is of a limited duration;

2740            b. due to work that is unanticipated due to unique circumstances that are not  
2741 expected to reoccur; or

2742            c. to either develop or implement, or both, a new function, system, or proposal.

2743            3. Assignments may be approved for up to a term of up to three years if

2744 authorized in advance by the director to perform a significant or substantial body of  
2745 work, such as a nonroutine project or work related to the initiation or cessation of a  
2746 county function, project, or department.

2747 4. Assignments may be approved for up to a term of five years if authorized in  
2748 advance in writing by the director:

2749 a. to backfill a regular position, when:

2750 (1) an employee is absent because of an extended leave of absence for a  
2751 medical reason;

2752 (2) an employee is absent because of military service; or

2753 (3) an employee is absent because of a special duty or another assignment;

2754 and

2755 b. to staff or backfill staff on a clearly defined grant-funded, capital  
2756 improvement or information systems technology project.

2757 5. A special duty backfill assignment may not exceed the term of the incumbent  
2758 employee's absence.

2759 6. Special duty assignments to salaried classifications shall be made in full-  
2760 week increments, from Saturday through Friday.

2761 7. An employee's special duty assignment shall end when management becomes  
2762 aware that the employee's absence will exceed thirty calendar days or at the conclusion of  
2763 a thirty-day absence, whichever occurs first.

2764 C. A special duty assignment must be made in writing to the employee before the  
2765 beginning of the assignment. The written notice must provide the classification title and  
2766 description and must list the specific duties that the employee is to perform and the

2767 duration of the assignment. The written notice must also include a statement that the  
2768 assignment does not confer on the employee any new privilege, right of appeal, right of  
2769 position, transfer, demotion, promotion, or reinstatement. A special duty assignment may  
2770 be revoked at any time at the discretion of the appointing authority. Special duty pay  
2771 may not be assigned retroactively.

2772 D. If the special duty assignment is to a higher-level classification, the pay  
2773 increase shall be to the first step of the pay range of the higher-level job classification or  
2774 a flat five percent above the base rate of pay, whichever is greater.

2775 E. If the employee was receiving above-Step-10 merit pay, the pay for the special  
2776 duty assignment is calculated using the merit pay and may result in merit pay while in the  
2777 special duty assignment.

2778 F. If an assignment is to a lateral or lower-paying classification, the  
2779 employee shall continue to receive their current rate of pay for the assignment.

2780 G. While on special duty assignment, the employee shall continue to be  
2781 eligible for step increases in the employee's regular position. If the employee is at  
2782 Step-10 in the employee's regular position, the employee shall be eligible for step  
2783 increases in the special duty classification.

2784 H. Any accrued compensatory time shall be cashed out before an hourly  
2785 employee begins a salaried special duty assignment, and before an employee in an hourly  
2786 special duty assignment returns to a salaried regular position.

2787 I. When the special duty assignment is completed, the employee's pay shall revert  
2788 to the rate of pay the employee would have received if the employee had not been  
2789 assigned to special duty.

2790 J. Special duty pay shall not be considered part of an employee's base rate of pay  
2791 for purposes of placement within a salary range as a result of promotion or  
2792 reclassification, for purposes of cashing out vacation or sick leave, or when making  
2793 vacation or sick leave donations. If the special duty position is converted to a regular  
2794 position while the employee is serving in the special duty assignment, and the employee  
2795 is promoted into the regular position, the employee's rate of pay shall not be lower than  
2796 the rate of pay the employee received during the special duty assignment. The promoted  
2797 employee may be placed at a higher step in the pay range if the employee's department  
2798 director determines the action is warranted based on the criteria in K.C.C. ~~((3.12.130))~~  
2799 3.15.120, as recodified by this ordinance.

2800 K. When the special duty assignment is hourly, the employee's special  
2801 duty pay shall be used for the computation of overtime and compensatory time.

2802 L. If the special duty position is converted to a regular position and the  
2803 employee who served in the special duty position is hired into the regular position  
2804 within one year of serving in the special duty assignment, the time served in the  
2805 special duty position shall count toward any required probationary period. If the  
2806 time served in the special duty position was longer than the required probationary  
2807 period, the employee's probationary period shall be considered served.

2808 ~~((M. The executive shall notify the council each year in writing of the~~  
2809 ~~total number of county employees on special duty assignment by department.~~  
2810 ~~The executive shall file an electronic copy of each memorandum with the clerk of~~

3145 cannot use alternative forms of transportation to respond to the emergencies or pick up  
3146 county owned assigned vehicles at designated parking areas.

3147           ~~((b.))~~ 2. Take-home vehicles may be assigned if employee travel reimbursement

3161 ~~4. Special clean transportation technology demonstration vehicles may be  
3162 assigned to county employees for a limited duration in order to promote and demonstrate  
3163 the viability of low emission, energy efficient technologies and fossil fuel alternatives. To  
3164 encourage the maximum public visibility of clean technology demonstration vehicles,  
3165 employees authorized to use the vehicles may also use them both before or after normal  
3166 working hours, and may use them as a take home vehicle to encourage such visibility as an

<b>3.12A CAREER SERVICE REVIEW</b>					
<b>3.12A.010 Findings and policy statement.</b>					
138	2224-2231	3.12A.010	3.12A.010	The council finds that both operational efficiency and fair and equitable employment practices are advanced by the use of regular, career service employees where appropriate. Therefore, it is the policy of King County to have ongoing, relatively stable, and predictable bodies of work necessary to the provision of services to the public performed by career service employees, and to minimize its use of part-time and temporary employees. <u>This is not meant to limit the number of employees employed in part-time regular positions or to contract out work in appropriate situations.</u> To achieve that goal, the council hereby adopts the procedures set forth in this chapter.	Clarifies that language in the findings and policy statement is not meant to limit the number of employees employed in part-time regular positions; nor to limiting contracting out work in appropriate situations
