STAFF REPORT

Agenda Item:	5	Name:	Miranda Leskinen
Proposed No.:	2025-0144	Date:	June 3, 2025

SUBJECT

A Motion to confirm the appointment of the following individual to the King County Veterans' Advisory Board:

- **Faisal Akhter**, who resides in Council District 2, to the Veterans' Advisory Board, for a four-year term to expire on April 30, 2029.

BACKGROUND

King County Veterans Program (KCVP). The King County Veterans Program (KCVP) has served low-income, homeless, disabled, at-risk veterans and their families since the 1950s. The KCVP is required by state law and is funded by King County taxpayers.¹ The KCVP provides numerous direct services including case management, financial assistance, housing assistance, mental health referrals and other supportive services. The KCVP works collaboratively with the U.S. Department of Veterans Affairs (VA) Medical Center, the VA Regional Office, the Washington Department of Veterans Affairs (WDVA) and various community organizations.

State law requires counties to maintain a veterans' advisory board to oversee each county's state-mandated veterans' assistance program.

From 2018-2024, the membership of the Veterans Committee of the Veterans, Seniors and Human Services Levy Advisory Board dually served as the membership of the state-required King County Veterans' Advisory Board. In June 2024, the Council passed Ordinance 19780 to make updates to the VSHSL Advisory Board in accordance with recommendations from the 2024-2029 renewal VSHSL Implementation Plan (Ordinance 19719). These updates included, among other things, separating the state-required Veterans' Advisory Board from the VSHSL Advisory Board's Veterans Committee. Ordinance 19781 was concurrently adopted to establish the King County Veterans' Advisory Board as a standalone entity, adding a new section to K.C.C. chapter 2A.300.

¹ State law (RCW 73.08.080) requires the legislative authority in each county to create a veterans' assistance fund that is funded through a property tax of their respective counties. Per RCW 73.08.010(1), county veterans' assistance programs shall be funded, at least in part, by the veterans' assistance fund created under the authority of RCW 73.08.080.

Veterans' Advisory Board Overview. Requirements relating to the composition, duties, and terms of the King County Veterans' Advisory Board, which are identified in K.C.C. 2A.300.530, are summarized in Table 1.

STAFF REPORT

Agenda Item:	6	Name:	Sam Porter
Proposed No.:	2025-0149	Date:	June 3, 2025

SUBJECT

Proposed Motion 2025-0149 would express the King County Council's opposition to proposed federal cuts to Medicaid and affirm support for those affected.

SUMMARY

The proposed motion would express the Council's formal opposition to any federal actions resulting in cuts to Medicaid (known as Apple Health in Washington) and urge Congress to maintain or increase funding. The motion would also affirm the Council's support for the healthcare workforce, recognize the contributions of care institutions that would be impacted by any reduction in Medicaid, and acknowledge advocacy of labor organizations. The motion would express the Council's commitment to working with partners to protect and strengthen Medicaid and requests the Council Clerk to transmit a copy of the motion to the Washington state congressional delegation, the Governor, the Washington Health Care Authority, relevant healthcare labor organizations, and hospital associations.

BACKGROUND

Medicaid is the federally matched medical aid program under Title XIX of the Social Security Act that covers the Categorically Needy and Medically Needy programs.¹ In Washington state, Medicaid covered 1,950,826 people as of June 2024.² Medicaid provides access to medical, dental, vision, and behavioral health services to those who qualify including individuals, families, and children, pregnant women, the elderly, and people with disabilities.

On May 25, 2025, the House of Representatives passed H.R.1., known as the "One Big Beautiful Bill Act"³, which proposes to reduce or increase spending for various federal programs, increase the statutory debt limit, and otherwise address agencies and

programs throughout the federal government, including Medicaid. H.R.1. is a reconciliation bill and as such does not directly cut funding but directs House committees to submit legislation to the House Budget Committee to effectuate such changes through appropriation bills.

As described by King County Budget Director Dwight Dively in the Committee of the Whole (COW) on May 27, 2025, these appropriation bills would need to be passed by September 30, 2025, for the next fiscal year beginning October 1, 2025.⁴ Director Dively described H.R.1. as a high-level spending and revenue plan for the federal government over 10 years, “without details about how it would be implemented.” Director Dively stated that H.R.1. proposes \$800 billion of cuts to Medicaid over 10 years which, if implemented, would cut services and eligibility although it is unclear how exactly these cuts would affect King County government and residents.

ANALYSIS

The proposed motion expresses the King County Council’s formal opposition to any proposed federal actions that would reduce Medicaid funding and urges Congress to maintain or increase funding to ensure continued access to essential healthcare services. The proposed motion affirms the Council’s support for the healthcare workforce including, “home care aides, nursing assistants, behavioral health workers, and hospital staff, whose roles are central to our health system and funded in large part through Medicaid.” The proposed motion recognizes the contributions of healthcare institutions, “including nonprofit and for-profit hospital systems, long-term care facilities, and community clinics, which would be seriously impacted by any reduction in Medicaid funding” and acknowledges the advocacy of labor organizations including SEIU 775, SEIU Healthcare 1199NW, and Washington Federation of State Employees.

The proposed motion expresses the Council’s commitment to, “working with federal, state, labor, and provider partners, to protect and strengthen Medicaid and ensure that King County residents continue to receive the healthcare and supports they need to thrive.” Lastly, the proposed motion directs the Council Clerk to transmit a copy of the motion to Washington’s congressional delegation, the Governor, the Washington Health Care Authority, relevant healthcare labor organizations, and hospital associations.

1 A MOTION expressing King County council's opposition
2 to proposed federal Medicaid cuts and affirming support for
3 care workers, healthcare systems, and residents who rely on
4 Apple Health.

5 WHEREAS, Medicaid, known as Apple Health in Washington state, provides
6 essential healthcare coverage to over 1.9 million Washingtonians, including more than
7 500,000 residents of King County who rely on it for primary, behavioral, and long-term
8 care, and

9 WHEREAS, proposed federal budget reductions threaten to significantly decrease
10 Medicaid funding, which could severely impact access to critical health services for low-
11 income families, seniors, individuals with disabilities, and other vulnerable populations in
12 King County, and

13 WHEREAS, cuts to Medicaid would have significant ripple effects across King
14 County's healthcare infrastructure, including public, nonprofit, and for-profit hospital
15 systems, potentially forcing care reductions, employee layoffs, and service closures, that
16 would harm both patients and workers, and

17 WHEREAS, care workers, including home care aides, long-term care providers,
18 nursing home staff, and hospital workers, are essential to the health and well-being of our
19 residents, and their work is largely funded through Medicaid reimbursements, and

20 WHEREAS, these care workers are represented by several labor organizations,
21 including SEIU 775, SEIU Healthcare 1199NW, and the Washington Federation of State
22 Employees, which advocate for the wages, benefits, and working conditions, of those on
23 the frontlines of care, and

24 WHEREAS, King County is committed to advancing health equity, preserving
25 healthcare access, and supporting the dignity and economic security of both care
26 recipients and the diverse health workforce that serves them;

27 NOW, THEREFORE, BE IT MOVED by the Council of King County:

28 A. The King County council formally opposes any federal actions that would
29 reduce Medicaid funding and urges Congress to maintain or increase current funding
30 levels to ensure continued access to essential healthcare services.

31 B. The council affirms its support for the care workforce, including home care
32 aides, nursing assistants, behavioral health workers, and hospital staff, whose roles are
33 central to our health system and funded in large part through Medicaid.

34 C. The council recognizes the essential contributions of healthcare institutions,
35 including nonprofit and for-profit hospital systems, long-term care facilities, and
36 community clinics, which would be seriously impacted by any reduction in Medicaid
37 funding.

38 D. The council acknowledges the advocacy and leadership of labor organizations
39 such as SEIU 775, SEIU Healthcare 1199NW, and Washington Federation of State
40 Employees, which represent a wide range of workers who would be affected by federal
41 funding changes.

42 E. The council commits to working with federal, state, labor, and provider
43 partners, to protect and strengthen Medicaid and ensure that King County residents
44 continue to receive the healthcare and supports they need to thrive.

45 F. The clerk of the council is directed to transmit a copy of this motion to the
46 Washington state Congressional delegation, the Governor of Washington, the

- 47 Washington state Health Care Authority, relevant healthcare labor organizations, and
48 hospital associations.
