Plymouth Housing's Mission

Plymouth Housing provides homes, healing, and hope, so that our neighbors who have experienced chronic homelessness can thrive.

Plymouth Housing Background

Nonprofit housing developer founded in 1980

Operates **18 permanent supportive housing facilities** in King County, including Bellevue and Kirkland

Serves **formerly homeless adults**

Believes **everyone deserves a home**

Our Model – Permanent Supportive Housing

“Permanent”

There is no time limit on our housing

“Supportive”

We connect our residents with services that can help them thrive

(e.g. case management to connect residents with Social Security or veterans' benefits)

“Housing First”

A stable home is needed before an individual can rebuild their life

not housing only

Impacts of Continum of Care Funding Loss

Plymouth is anticipating a reduction of $13,312,396 or 58%

- Current funding received is **$19,000,000**
- Scattered Sites program serves at least **500** households annually
- Shelter Plus Care program serves at least **600** households annually

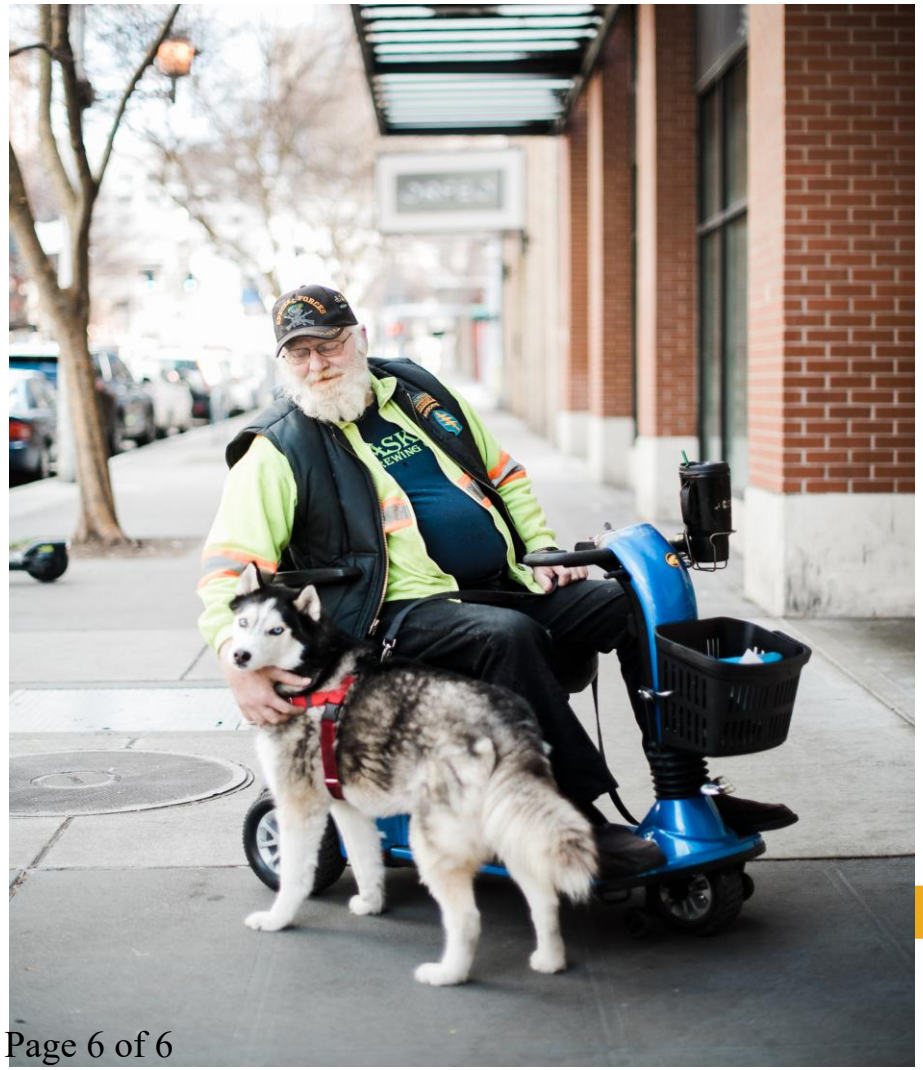

Implications: Over 1100 households will be eliminated from this program after June 2027, if additional funding is not secured.

Plymouth Housing

Who is affected?

One resident has been in this program since 1996, year over year they have qualified for this service, met obligations, and are thriving.

A couple in their 80's have relied on this program because of their limited fixed income. When the husband died the wife was able to remain in her housing adjusted for her new lower income and she retained her housing.
