

MOTION NO. 0321

1 WHEREAS, Boeing Field International, a King County
2 aviation utility, and the Director of the Public Works and
3 Transportation Department has requested a development of a
4 comprehensive master plan for this utility, and

5 WHEREAS, this study is essential to an efficient
6 operation of the King County Aviation utility and will
7 ultimately result in an expanded operation, and

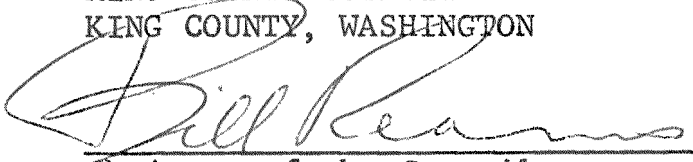

8 WHEREAS, the costs of said study will not involve
9 expenditure of funds from property taxes, sales tax or similar
10 revenue sources but will be completely funded from revenue-
11 producing measures regulating the aviation industry, now
12 therefore

13 BE IT MOVED that the King County Executive Officer
14 be authorized to execute a study agreement for the development
15 of a comprehensive master plan for Boeing Field International,
16 and

17 BE IT FURTHER MOVED that the engineering firms, as
18 requested by the County Executive, of Mandeville and Berge,
19 Logan Building, Seattle, Washington, and Kelly, Pittelko, Fritz
20 and Forssen, Lloyd Building, Seattle, Washington, be contracted
21 to conduct said study.

22 PASSED at a regular meeting of the King County Council
23 this 8th day of September, 1970.
