

15 The Council concludes therefore:

16
17 (1) Granting of the requested permit prior to completion
18 of a comprehensive land use study for the area in
19 question would establish a precedent that might be
20 incompatible with the future uses that will result
21 from such a study.

22 (2) The Deputy Zoning and Subdivision Examiner's decision
23 recommending issuance of an unclassified use permit
24 for a private airstrip on the subject property was
25 based on an error in judgement.

26 The Council does hereby reject the decision of the Deputy
27 Zoning and Subdivision Examiner and does hereby deny the
28 application of Robert R. Chase for an unclassified use permit to
29 allow a private airstrip on the subject property.

30 PASSED at a regular meeting of the King County Council this
