

PROPOSED MOTION NO. 673

A MOTION relating to the King County Multipurpose Stadium, the acquisition of land, design, and construction thereof.

WHEREAS, the King County Council by Motion #497 allowed a period of time for private investors to develop a plan for the construction of a multipurpose Stadium, and

WHEREAS, such private investors, after a six month period of time and Public Hearing have been found to be unable to proceed with the development of the multipurpose Stadium complex at this time, and

WHEREAS, the King County Council has been authorized to develop a covered multipurpose Stadium by the Voters of King County, and

WHEREAS, the County has acquired an option on the properties at the Site selected by the Washington State Stadium Commission, and

WHEREAS, the King County Council has sold bonds as authorized by Resolution No. 34567, passed by the Voters of the County,

NOW, THEREFORE, BE IT MOVED by the Council of King County:

The King County Executive and the Advisory In-House Executive Committee be authorized to take all necessary steps to proceed without further delay on the construction of a covered multipurpose Stadium at the King Street Site, including but not limited to

1. Entering into a contract with a design team, and
2. Exercising the Burlington Northern land purchase option,
3. Immediately proceed with negotiations on the leasehold interests, and to
