

MOTION NO. 1866

1
2 A MOTION relating to the analysis and report
3 by the University of Washington, Institute
4 for Environmental Studies, on the R.I.B.C.O.
5 recommendations compiled by consultants under
6 contract to Metro; and recognizing the
7 expenditure of two thousand dollars from the
8 Road Project Formulation (50203) for the
9 preparation thereof.

10 WHEREAS, studies have been performed on water resource,
11 water quality, solid waste, and urban runoff and drainage by
12 consultants under contract to Metro with participation of local
13 governments, including King County, and

14 WHEREAS, it became evident to the Basin Environment
15 Committee (B.E.C.) and the River Basin Coordinating Committee
16 (R.I.B.C.O.) that a review of the various plans by the University
17 of Washington Institute for Environmental Studies, at a cost of
18 seventeen thousand dollars, would enhance the plan and provide an
19 essential review of the plan elements for the various reviewing
20 agencies. and

21 WHEREAS, the involved agencies have agreed to fund this
22 review, with King County's share being determined at two thousand
23 dollars, and

24 WHEREAS, the study will have substantial benefit to planning
25 for land use and transportation functions, among other benefits,

26 NOW THEREFORE, BE IT MOVED by the Council of King County:

27 That the sum of two thousand dollars is hereby recognized to
28 be expended by the Department of Public Works and Transportation
29 for preparing a review and analysis report of the River Basin
30 Coordinating Committee (R.I.B.C.O.) studies recommendations by
