

A MOTION requesting the Executive to inform the Council of anticipated budget deficits.

WHEREAS, the County Charter provides that the County Council when requested to do so by the County Executive may adopt an ordinance to transfer appropriations between agencies of County government during the last quarter of the fiscal year, and

NOW THEREFORE, BE IT MOVED by the Council of King County:

The County Executive is requested to notify the Council in writing at the end of each calendar quarter what County agencies or capital projects may require appropriation of additional resources in order to avoid an over-expenditure of appropriation at the end of the fiscal period and to further report alternative means by which such deficits may be avoided.
