

MOTION NO. 2222

A MOTION approving subject to conditions the application for current use classification petitioned by LEMBIT KOSENKRANIUS, designated Building and Land Development File No. 100-76-S.

WHEREAS, the Deputy Zoning and Subdivision Examiner has recommended denial of the request and said recommendation has been appealed; and

WHEREAS, the Council finds that the subject request does meet the intent of Ordinance No. 2250 to provide active and passive recreational opportunities which complement government facilities and which provide recreational and coaching services to youth; and

WHEREAS, the Council finds that the beneficiary of the current use status of the subject property is a non-profit organization dedicated to the training of youth, and is open and financially accessible to all who share its purpose,

NOW THEREFORE, BE IT MOVED by the Council of King County: The appeal is granted and the application for current use classification petitioned by LEMBIT KOSENKRANIUS, designated Building and Land Development File No. 100-76-S, is approved subject to the attached standard conditions and the following additional conditions:

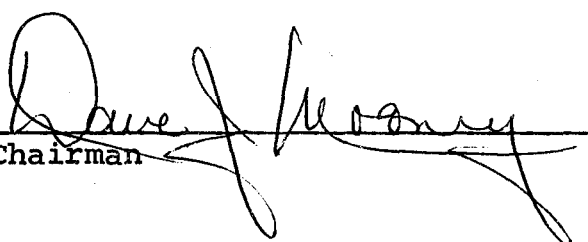

1. The applicant shall submit an annual agreement to the King County Assessor's Office to maintain and enforce the recreational use established in Mandatory Criteria "A".

Clerk Of the Council

STANDARD CONDITIONS FOR  
CURRENT USE CLASSIFICATION

1. Within sixty (60) days from the date of Council action on the application, the applicant shall file with the King County Division of Land Use Management a limited liability title insurance report which shall show the names of all parties having a fee interest in the subject property and the names of all vendors and vendees in any real estate contract involving ownership of the subject property. The names of all such owners, vendors and vendees shall be added to the Open Space Taxation Agreement before said agreement is signed by the Chairman of the King County Council.
  
2. Within sixty (60) days from the date of Council action on the application, the applicant shall file with the Division of Land Use Management a letter from the King County Department of Health certifying that all residences on the property are served by a sewage disposal system which is adequate to prevent the pollution of surface and ground waters.
  
3. Classification of the subject property shall be subject to the mutual covenants and conditions contained in Washington State Department of Revenue Form PTF 81, "Open Space Taxation Agreement", and subject to the following conditions which shall be added to said Open Space Taxation Agreement form:
  - a. Within one year from the effective date of the Open Space Taxation Agreement, the applicant shall obtain a Soil and Water Conservation Plan for the subject property from the King County Soil and Water Conservation Service, Department of Agriculture, 35 South Grady Way, Suite B, Renton, Washington 98055.
  
  - b. Subject property shall be managed in accordance with said Soil and Water Conservation Plan during the term of the Open Space Taxation Agreement.
  
  - c. Any residence on the property shall be served by a sewage disposal system which is maintained in an operating condition adequate to prevent the pollution of surface and ground waters.
