Proposed no.: 79-1162

0004476

MOTION NO. _____

A MOTION relating to use of \$30,634 in block grant funds to improve the Riverbend water system.

WHEREAS, King County administers the Housing and Community Development block grant program; and

WHEREAS, the King County Council approved the set aside of \$30,634 in block grant funds to meet special needs in identified areas of the county; and

WHEREAS, Council approval of CD-871-79 is required by Ordinance 4112, Section 2,h; and

WHEREAS, a particular need for water system improvements has been identified in the Riverbend community; and

WHEREAS, the existing water system poses a hazard to the community because of inadequate fire protection; and

WHEREAS, an engineering survey has identified necessary improvements to bring the water system up to code; and

WHEREAS, such improvements meet local and federal Housing and Community Development policies and regulations;

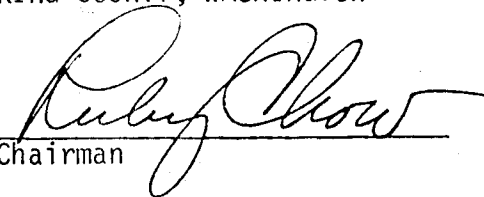

NOW THEREFORE, BE IT MOVED by the Council of King County:

The use of \$30,634 set aside under CD-871-79 is approved to be applied towards improving the Riverbend water system;

PROVIDED THAT at least 50% of the total project cost is secured from non-block grant source(s) pursuant to the Three Year Plan for Community Development, and any applicable requirements of King County Code 13.24 are met.

PASSED this 4th day of September, 1979.
