

MOTION NO. 5081

A MOTION rescinding Motion 5064 and thereby cancelling a public hearing scheduled for December 9, 1980, on designation of King County as a Community Action Agency.

WHEREAS, the County Council, by Motion 5064 set a hearing date of December 9, 1980, and established a process for the designation of King County as a Countywide (exclusive of Seattle) Community Action Agency, and

WHEREAS, a similar hearing has already been held before the Health and Human Services Committee on March 11, 1980, on designation of South King County Multi-Service Center as a Community Action Agency for Southern King County, and

WHEREAS, the North-East Multi Service Center has expressed interest in such a designation for Northern and Eastern King County, and

WHEREAS, recent events may lead to a reorganization of the Federal Community Services Administration and therefore to the Community Action Agency system, and

WHEREAS, the Multi-Service Centers have suggested by letter and the County agrees that any designation of a Community Action Agency for King County, exclusive of Seattle, would be premature at this time;

NOW, THEREFORE, BE IT MOVED by the Council of King County:

A. Motion 5064 which scheduled a public hearing and established a process for designation of King County as a Community Action Agency is hereby rescinded.

B. This action should not be construed as a refusal by the County Council to designate a Community Action Agency nor an abrogation of its authority to make such designation or designations in the future after due notice and public testimony.

PASSED this 10th day of November, 19 80.
