

MOTION NO. 6607

A MOTION authorizing the county executive to make a grant application for funds in the approximate amount of \$58,927 to support evaluation of an educational program regarding myocardial infarctions, Grant File No. 621.

WHEREAS, the emergency medical services division is beginning a program to survey and evaluate the incidence of myocardial infarctions among the population of King County, and

WHEREAS, the American Heart Association and the Genentech Corporation are planning to introduce locally a trial educational program for the public regarding symptoms of myocardial infarctions and the need for prompt medical attention to these symptoms, and

WHEREAS, Genentech Corporation is willing to provide funds to support a program based on the survey of myocardial infarctions to research and evaluate the effects of the educational program in shortening the time ensuing between the onset of myocardial infarction symptoms and their recognition causing emergency medical care to be sought for the patient.

NOW, THEREFORE, BE IT MOVED by the council of King County:

A. The King County executive is hereby authorized to make application for funds in the approximate amount of \$58,927 to the Genentech Corporation for evaluation of an educational program regarding myocardial infarctions on behalf of King County;
