WHEREAS, the county council adopted Ordinance 5388 on March 23, 1981, approving the reclassification of 1.2 acres on the northerly side of South 116th Place at approximately 70th Avenue South (if extended) from RS-7200 to RD-3600-P, and

WHEREAS, the conditions do not appear to be consistent with the action the council took in consideration of the matter on February 17, 1981, and

NOW, THEREFORE, BE IT MOVED by the Council of King County: Ordinance No. 5388 is referred to the council at the next available land use appeals committee meeting, to consider the applicant's request for reconsideration of these conditions, and, in so doing, shall notify all parties of record of the council consideration of this request for reconsideration.
