A MOTION authorizing the Executive to enter into an interlocal agreement with the Vashon School District to complete an educational component to the Vashon Ground Water Advisory Committee Management Plan and approving the Scope of Work.

WHEREAS, the Department of Ecology (Ecology) has instituted regulations under Chapter 173-100 WAC that provide for a process for long-term ground water supply protection, and

WHEREAS, Ecology has identified the Vashon Maury Island as a Ground Water Management Area, and placed this area on Ecology's General Schedule, and

WHEREAS, the Ground Water Management Plan development may require the execution of interlocal agreements with participating agencies, and

WHEREAS, an interlocal agreement is required between King County and Vashon School District to cover their participation in the Ground Water Management process, and the interlocal states the procedures for the transfer of Ecology funds to the Vashon School District in King County for their completion of tasks as identified in the attached Scope of Work, and

WHEREAS, Ecology, the Vashon School District, and health department staff have reviewed the Scope of Work and recommended approval;

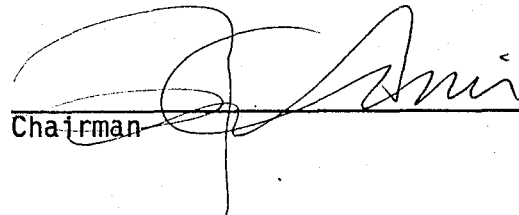

NOW, THEREFORE, BE IT MOVED by the Council of King County:

A. The executive is hereby authorized to enter into an interlocal agreement (substantially in the form attached) with the Vashon School District for the purpose of preparing a surface water quality and educational component to the Ground Water Management Plan, and to cover the procedures by which the Vashon School District receives from King County the necessary Ecology funds to cover their costs in completing their tasks identified in the attached Scope of Work.

B. The Scope of Work for the surface water quality and education component to the Vashon Maury Island Ground Water Management Plan as referenced in the interlocal agreement is approved.

PASSED this 11th day of December, 1989.
