

MOTION NO. 7975

A MOTION approving the King County Space Plan Phase One - Operational Master Plan.

WHEREAS, the King County executive and King County council recognize the benefits from adopting a space plan to direct decisions on facilities for county agencies, and

WHEREAS, Ordinance 8978 describes the process for preparing operational master plans and facility master plans, including required council approval for the various steps in the process, and

WHEREAS, the operation master plan is an abbreviated plan which provides general policy assumptions for changes in number of positions for county agencies over the next twenty years and preliminary information on location options, and

WHEREAS, the facilities master plan will address operating costs, refine location options particularly with respect to the department of public works, and assimilate information generated by studies and public process relating to law, safety and justice programs and facilities.

NOW, THEREFORE, BE IT MOVED by the Council of King County:

The King County Space Plan Phase One - Operational Master Plan, in the form attached, is approved and the county executive is requested to prepare Phase Two - Facilities Master Plan.

PASSED this 9th day of July, 1990
