A MOTION granting road vacation request V-2096, and directing the Executive to prepare an ordinance granting the requested road vacation.

WHEREAS, the King County department of public works has reviewed vacation request V-2096 and has denied it; and

WHEREAS, the petitioner has asked that this denial be reviewed and the road vacation request granted by the King County council; and

WHEREAS, this request for the vacation of a road is one subject to the Laws of 1889-1890; and

WHEREAS, King County is being asked to clear title to the subject right-of-way; and

WHEREAS, the petitioner, consistent with court rulings, has been asked to present proof that the subject right-of-way has never been opened as a road; and

WHEREAS, the petitioner has provided adequate proof to the King County council's transportation committee that the subject right-of-way has never been opened as a road;

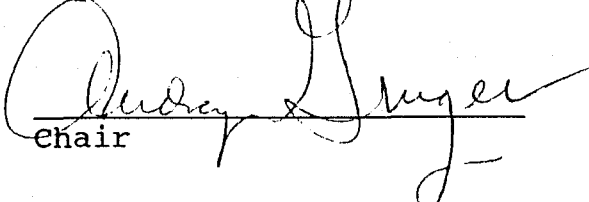

NOW, THEREFORE BE IT MOVED by the Council of King County:

A. The King County council finds that the petitioner has proved that the subject right-of-way has never been opened as a road.

1 B. The Executive is directed to prepare, and forward to  
2 the council for its consideration, an ordinance granting  
3 proposed road vacation V-2096.

4 PASSED this 21st day of September, 1992.
