Proposed No.: 93-74

MOTION NO. 8906

A MOTION authorizing the Executive to submit grant applications to the Washington State Department of Ecology to fund projects to improve water quality in King County.

WHEREAS, the Washington State legislature has created the Centennial Clean Water Fund for the joint funding of water quality improvement activities and facilities with other public agencies in the state pursuant to Chapter 70.146 RCW, and

WHEREAS the Washington State legislature has required the development of the 1987, 1989 and 1991 Puget Sound Water Quality Management Plans that require local governments to conduct certain planning and implementation activities related to preserving or improving water quality in Puget Sound and in waters tributary to Puget Sound, and

WHEREAS, the Washington State Department of Ecology has invited eligible project sponsors to submit proposals for Centennial Clean Water Fund grants for fiscal year 1994, and

WHEREAS, approximately \$39,000,000 in total funds will be available for a variety of water pollution control facilities and activities, and

WHEREAS, the state grant share generally will be 50 to 75 percent of the total eligible cost of a project, and

1 WHEREAS, eligible projects include: water pollution control
2 facilities and activities that are on freshwater lakes and rivers
3 including lake restoration projects; water pollution control
4 facilities and activities that address nonpoint source pollution,
5 including watershed planning and implementation; groundwater
6 facilities and activities; and discretionary projects that may
7 not qualify in other funding categories and that address water
8 quality, and

9 WHEREAS, applications will be accepted by the Washington
10 State Department of Ecology until February 26, 1993, and

11 WHEREAS, the Washington State Department of Ecology will
12 formally offer financial assistance to the highest priority
13 ranked proposals in July, 1993, and

14 WHEREAS, no single government entity may receive more
15 financial assistance in a funding category than the ceiling
16 specified for that category in Chapter 70.146 RCW;

17 NOW, THEREFORE, BE IT MOVED by the Council of King County:

18 A. The county executive is hereby authorized to develop
19 and submit to the Washington State Department of Ecology
20 proposals for water quality activities and facilities as
21 described in Attachment A.

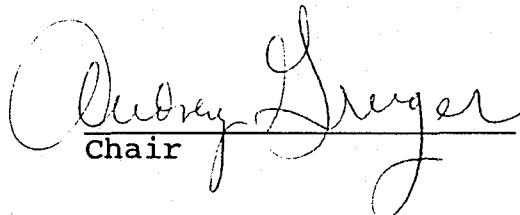

22 B. The county executive is hereby authorized to negotiate,
23 enter into and execute such agreements or contracts as are
24 required by the Washington State Department of Ecology in order
25 to accept grant funding for King County's proposals identified by
26 the Department as eligible for financial assistance in fiscal
27 year 1994.

28 C. Final execution and signing of agreements or contracts
29 related to the acceptance of grant funding is contingent on
30 approval of matching funds through the regular county budget
31 process.
