MOTION NO. **8918**

A MOTION authorizing additional free
disposal opportunities for yard waste and
debris resulting from the windstorm of
January 20, 1993.

WHEREAS, King County experienced an unusually destructive
windstorm on January 20, 1993, causing significant damage to
homes and other property, and

WHEREAS, disposal of waste material resulting from the
storm at normal disposal fees would cause financial hardship
for many property owners, and

specifically designed to accept yard waste for recycling, thus
avoiding the need to use valuable space at Cedar Hills Landfill
for yard waste, and

WHEREAS, all of King County will benefit from the cleanup
of damage caused by the storm, and

WHEREAS, by Motion No. 8889, the council of King County
temporarily eliminated through February 7, 1993, solid waste
disposal fees for noncommercial haulers for yard waste and
debris related to damage from the storm of January 20, 1993,
and

WHEREAS, there still exists a need for the disposal of
storm debris;

NOW, THEREFORE BE IT MOVED by the Council of King County:
