MOTION NO. **9629**

A MOTION directing the Department of Metropolitan Services to develop a plan offering transit services to school districts in King County.

WHEREAS, Washington State Law permits every school district to provide bus service to all students outside a one-mile radius of each school, and

WHEREAS, school aged children are building transportation habits which will carry over into adulthood, and

WHEREAS, King County is committed to encouraging increased public transit ridership in many innovative ways, and

WHEREAS, the Department of Metropolitan Services utilizes flexpass as competitive pricing approach to providing bus passes to city and county employees as a means of encouraging increased ridership, and

WHEREAS, citizens throughout King county are looking to King county government to provide leadership and creativity in seeking ways to draw citizens out of their cars and into public transportation, and

WHEREAS, the transportation needs of the county may require the Department of Metropolitan Services, as well as the RTA, to explore new approaches to public transportation, and

WHEREAS, public mandates to decrease congestion may necessitate the redirection of public resources, and

1           WHEREAS, the Department of Metropolitan Services has  
2 demonstrated the ability to marshall and impressive array of  
3 customized resources to meet the demands of the Americans  
4 with Disabilities Act, and

5           WHEREAS, the Department of Metropolitan Services will  
6 soon be sending its SIX-YEAR PLAN to the King count council  
7 for review and approval, and

8           WHEREAS, the Department of Metropolitan Service's SIX-  
9 YEAR PLAN does not currently recognize student transit as an  
10 exciting new market with great long-term potential, and

11           WHEREAS, citizens are rightly expecting cooperation  
12 between governments and maximum efficiency within  
13 governments, and

14           WHEREAS, the Department of Metropolitan Services  
15 provided students transit services to one high school in the  
16 Bellevue School District for 1993-94 school year and for two  
17 high schools for 1994-1995, and

18           WHEREAS, the marginal cost for Student Transit in  
19 Bellevue has been fully covered by the Bellevue School  
20 District, and

21           WHEREAS, Student Transit has reduced King County  
22 roadways automobile trips from parental chauffeurs, and

23           WHEREAS, Student Transit allows underutilized King  
24 County transit services to become more productive, while  
25 freeing up King County school districts to concentrate more  
26 of their resources on education;

27           NOW THEREFORE, BE IT MOVED by the Council of King  
28 County: The Department of Metropolitan Services is directed  
29 to provide a proposal for implementing student transit  
30 programs in King County school districts which will:

31           (1) Recognize students traveling to and from schools as  
32 a ridership group on a par with others whose transit needs

1 are to be considered when making changes to existing service  
2 or designing and implementing new service;

3 (2) Develop a process to identify and operate  
4 supplemental routes when required to assure equitable  
5 quarter-mile access to student passengers utilizing student  
6 transit;

7 (3) Offer FlexPass options to schools participating in  
8 student transit where ridership justifies;

9 (4) Insure that all student transit expenses are  
10 reimbursed by participating districts.

11 PASSED by a vote of 12 to 0 this 31<sup>st</sup> day of

12 July, 1995.
