MOTION NO. **9886**

A MOTION relating to economic development and proclaiming support for the development of a report based on the findings of the South County Tech-Prep Consortium teacher survey of industrial employers and other research efforts.

WHEREAS, the Manufacturing Industrial Council of King County was created by the Metropolitan King County Council to recommend strategies for county government to support job growth in the Manufacturing Industrial Centers of King County designated by the Growth Management Planning Council, and

WHEREAS, the South King County Tech-Prep Consortium is represented on the Manufacturing and Industrial Council and is volunteering the resources of more than 140 teachers to help survey industrial employers with the goal of better identifying industrial work force needs and opportunities, and

WHEREAS, information developed through this survey will complement other research efforts being performed by the Manufacturing Industrial Council and other organizations, and

WHEREAS, this information will be of value to education and work force development organizations throughout King County, and

WHEREAS, county government support for these efforts will meet requirements in the King County Comprehensive Plan that county government provide regional leadership to support work force development and education programs that help

1 people become qualified for family-wage jobs;

2 NOW, THEREFORE BE IT MOVED by the Council of King
3 County:

4 The Economic Development and Regional Governance
5 Committee, in collaboration with the Manufacturing and
6 Industrial Council, shall make recommendations on how to
7 provide resources to help prepare and distribute a report
