Introduced By: Ron Sims

Proposed No.:

96-543

MOTION NO. **9895**

A MOTION relating to Economic Development and directing a study of methods to expand student access to technical training programs available through the Sea-Tac Occupational Skill Center.

WHEREAS, the Manufacturing Industrial Council of King County was created by the Metropolitan King County Council to recommend strategies by which county government can support job growth in the Manufacturing Industrial Centers of King County designated by the Growth Management Planning Council, and

WHEREAS, members of the Manufacturing Industrial Council identified that the SeaTac Occupational Skill Center provides a high level of technical education that equips young people to gain access to more advanced training and employment in a wide range of industries providing family-wage jobs, and

WHEREAS, the SeaTac Occupational Skill Center is the only state funded occupational skill center available to high school students in King County, and

WHEREAS, many young people would benefit from having greater access to the type of technical training available through the SeaTac Occupational Skill Center;

NOW, THEREFORE BE IT MOVED by the Council of King County:

The Metropolitan King County Council concurs that it is desirable to expand the accessibility of technical training

1 programs and directs the Economic Development and Regional
2 Governance Committee to collaborate with the Manufacturing
3 and Industrial Council to develop specific recommendations
4 regarding methods to expand student access to the types of
5 technical training available through the SeaTac Occupational
6 Skill Center.

7 PASSED by a vote of 10 to 0 this 8th day of
8 July, 1996.
