**Proposed No.** 2010-0581.1

**Sponsors** Drago, Phillips, McDermott, Dunn,  
Gossett, Hague, Ferguson, Lambert and von  
Reichbauer

1           A MOTION approving the funding plan for the South Park  
2           bridge replacement project as required in the 2010/2011  
3           Biennium Budget Ordinance, Ordinance 16717, Section  
4           137, Proviso P2.

5           WHEREAS, the King County council in adopting the 2010/2011 Biennium  
6           Budget Ordinance, Ordinance 16717, Section 137, Proviso P2, limited any expenditure or  
7           encumbrance of funds for the South Park bridge replacement project, CIP 300197, until  
8           the executive has transmitted, and the council has approved by motion, a funding plan for  
9           the project, and

10           WHEREAS, King County was successful in securing all necessary funding to  
11           construct a new South Park bridge including:

- 12           1. A \$34,000,000 award from the nationally competitive Transportation
- 13           Investment Generating Economic Recovery II grant program administered by the United
- 14           States Department of Transportation;
- 15           2. \$30,000,000 from bond revenue from King County;
- 16           3. \$20,000,000 from the Washington state Department of Transportation;
- 17           4. \$15,000,000 from the city of Seattle;

18           5. \$15,000,000 from the Puget Sound Regional Council, which is the municipal  
19 planning organization for the central Puget Sound region;

20           6. A \$10,000,000 grant award from the Washington state Transportation  
21 Improvement Board;

22           7. A \$5,000,000 grant award from the Washington state Freight Mobility  
23 Strategic Investment Board; and

24           8. \$5,000,000 from the Port of Seattle, and

25           WHEREAS, Attachment A to this motion represents a breakdown of project  
26 funding by revenue source;

27           NOW, THEREFORE, BE IT MOVED by the Council of King County:

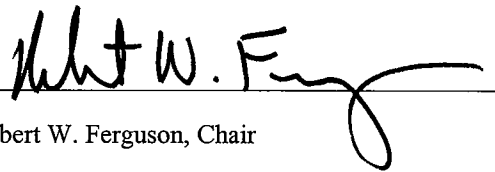

28           That \$126,787,000 in funding for CIP project 300197, the South Park bridge

29 replacement, is released for spending to allow for the demolition of the old structure and  
30 construction of the new bridge structure in 2011.
