Term Service Requirement – Contract Extension

The initial contract period will be for one (1) year from the start date of the contract. The term of the contract may be extended in one (1) year increments for two (2) additional one-year periods for a total contract duration of three (3) years, in accordance with the County's best interest and at the sole option of the County. Prices shall remain firm for the duration of the contract period. Reasonable price changes based on market conditions and price/cost analysis may be requested, if such escalations are based on changes in the U.S. Department of Labor, Bureau of Labor Statistics Consumer Price Index for All Urban Consumers ("CPI-U") for the Seattle-Tacoma-Bremerton Statistical Metropolitan Area for the preceding calendar year. You may obtain information about the CPI-U in general and the Seattle area in particular by visiting the United States Bureau of Labor Statistics web site at <http://www.bls.gov/cpi>. In the event the CPI-U (or a successor or substitute index) is no longer published, a reliable government or other nonpartisan index of inflation selected by the County shall be used to calculate any adjusted amounts. Requests for any such changes are to be made in writing to the King County Council and approved by the County Executive or his/her designee. Any agreed-to change shall take effect at the time of the contract extension and shall remain in effect throughout the extension period. The parties hereto recognize that such changes could be increases or decreases in the prices; both parties are entitled to benefit from such price changes.

IN WITNESS HEREOF, THE PARTIES HERETO HAVE CAUSED THIS AMENDMENT TO BE EXECUTED AND INSTITUTED ON THE DATE FIRST ABOVE WRITTEN.
