1 A MOTION concerning the regional policy committee

2 work program.

3 WHEREAS, the King County Charter establishes regional committees to develop,
4 recommend and review regional policies and plans for consideration by the metropolitan
5 county council, one of which is the regional policy committee, and

6 WHEREAS, the charter establishes the subject matter areas for the regional policy
7 committee to be those countywide plans and policies included in the committee's work
8 program, and

9 WHEREAS, the charter and K.C.C. 1.24.065 establish timeframes for the
10 legislative review process for these countywide plans and policies within the subject
11 matter adopted by the regional policy committee, and

12 WHEREAS, K.C.C. 1.24.065.I. and past practices have provided for the regional
13 policy committee to consider, examine and comment on pending issues that are not
14 countywide policies or plans within its subject matter and therefore are not subject to the
15 mandatory review process, and

16 WHEREAS, the Youth and Family Homelessness Prevention and the General
17 Implementation Plans for the Best Starts for Kids Levy and the Mental Illness and Drug
18 Dependency Service Implementation Plan are countywide plans or policies, and

19 WHEREAS, if these subject matter areas were included in the regional policy
20 committee's work program, the legislation adopting these plans would be subject to the
21 mandatory review process, and

23 authorize the strategies associated with these implementation plans sooner than would be
