Motion 15538

Proposed No. 2019-0428.2

Sponsors Balducci

1 A MOTION of the county council accepting a bid for the
2 purchase of the county's Limited Tax General Obligation
3 Bonds (Payable from Sewer Revenues), 2019, in the
4 aggregate principal amount of \$101,035,000, and
5 establishing certain terms of such bonds, all in accordance
6 with Ordinance 18588.

7 PREAMBLE

8 Pursuant to Ordinance 18588 passed on October 23, 2017 (the
9 "Ordinance"), the county council authorized the issuance of sewer revenue
10 bonds and limited
11 tax general obligation bonds (payable from sewer revenues), in the
12 aggregate principal amount not to exceed \$500,000,000, to pay costs of
13 capital improvements to the System, in accordance with the
14 Comprehensive Plan and the Capital Improvement Budget (each as
15 defined in the Ordinance).

16 The Ordinance provides that such bonds may be publicly sold in one or
17 more series, as Parity Bonds or Parity Lien Obligations, either by
18 negotiated sale or by competitive bid, as determined by the Finance
19 Director in consultation with the county's financial advisor.

20 The Finance Director has determined that a series of bonds authorized
21 pursuant to the Ordinance, designated as the county's Limited Tax General
22 Obligation Bonds (Payable from Sewer Revenues), 2019, in the aggregate
23 principal amount of \$101,035,000 (the "Bonds"), be sold as provided
24 herein.

25 The Bonds are the third series of bonds issued pursuant to the Ordinance;
26 the county authorized the issuance of its Sewer Revenue Bond, 2018
27 (WIFIA- N17107WA) (the "WIFIA Loan"), in the principal amount of not
28 to exceed \$134,500,000 and its Sewer Revenue Bonds, 2018, Series B, in
29 the aggregate principal amount of \$124,455,000 (the "2018 Bonds"); and
30 the sum of the maximum principal amount of the WIFIA Loan, the 2018
31 Bonds, and the aggregate principal amount of the Bonds to be issued
32 pursuant to the Ordinance is \$359,990,000 and that amount does not
33 exceed \$500,000,000.

34 Pursuant to the Ordinance, a preliminary official statement dated October
35 8, 2019, has been prepared for the public sale of the Bonds, the official
36 notice of such sale dated October 8, 2019, and attached as Attachment A
37 to this motion (the "Notice"), has been duly published, and bids have been
38 received in accordance with the Notice.

39 The bid of Citigroup Global Markets Inc. to purchase the Bonds (attached
40 as Attachment B to this motion) is the best bid received for the Bonds, and
41 it is in the best interest of the county that the Bonds be sold to Citigroup
42 Global Markets Inc. on the terms set forth in the Notice, the attached bid,

43 the Ordinance and this motion.

44 BE IT MOVED BY THE COUNCIL OF KING COUNTY:

45 A. **Definitions.** Capitalized words that are used in this motion but not
46 defined in this motion have the meanings set forth in the Ordinance for all purposes of
47 this motion, unless some other meaning is plainly intended. The words and terms defined
48 in the preamble to this motion, as used in this motion, have the meanings assigned such
49 terms in the preamble to this motion, for all purposes of this motion, unless some other
50 meaning is plainly intended.

51 B. **Ratification of Notice of Sale, Acceptance of Bids, and Authorization**
52 **of Bonds.** The issuance of the Bonds, designated as the county's Limited Tax General
53 Obligation Bonds (Payable from Sewer Revenues), 2019, in the aggregate principal
54 amount of \$101,035,000 to pay costs of capital improvements to the System and costs of
55 issuance and sale of the Bonds, and the other terms and conditions thereof set forth in the
56 Notice, are hereby ratified and confirmed.

57 The offer to purchase the Bonds, as set forth in the bid of Citigroup Global
58 Markets Inc. attached as Attachment B to this motion, is hereby accepted, and the sale
59 of the Bonds pursuant to such offer is hereby ratified and confirmed. All other bids that
60 have been received are attached as Attachment C to this motion. The Bonds will be dated
61 their date of delivery, will be subject to optional redemption, will mature on the dates and
62 in the amounts, and will bear interest at the rates and on the dates, all as specified in
63 Attachment D to this motion. The Bonds will be issued as Parity Lien Obligations and as
64 Tax-Exempt Bonds under the Ordinance. The Bonds will conform in all respects to the
65 terms and conditions specified in the Notice and the Ordinance. "Record Date" shall

66 mean, for an interest or principal payment date or for a maturity date, the Registrar's close
67 of business on the 15th day preceding that date.

68 **C. Application of Bond Proceeds.** In accordance with Section 15.A of the
69 Ordinance, there has been established a special subaccount within the Construction
70 Account designated as the Series 2019 Construction Subaccount (the "Construction
71 Subaccount"). Proceeds of the Bonds will be deposited into the Construction Subaccount
72 and applied to pay costs of acquiring, constructing and equipping improvements,
73 additions or betterments to the System as set forth in the Comprehensive Plan and the
74 Capital Improvement Budget and costs incidental thereto, including engineering,
75 architectural, planning, financial, legal, urban design or any other incidental costs, and to
76 repay advances heretofore or hereafter made on account of such costs, in accordance with
77 Section 15.A of the Ordinance.

78 **D. Satisfaction of Parity Lien Obligation Conditions.** In accordance with
79 the Ordinance and the provision of the Ordinance authorizing the issuance of the
80 outstanding Parity Lien Obligations, which permit the issuance of Future Parity Lien
81 Obligations upon compliance with the conditions set forth therein, the county council
82 hereby finds and determines, as follows:

83 1. there is no deficiency in the Parity Bond Fund, the Parity Lien
84 Obligation Bond Fund, or any other bond fund or account securing Parity Lien
85 Obligations; and

86 2. the County has on file a certificate of the County's Finance
87 Director demonstrating that, during any 12 consecutive calendar months out of the
88 immediately preceding 18 calendar months, Net Revenue was at least equal to 1.25 times

89 the amount required to pay, in each year that such Parity Lien Obligations would be
90 outstanding, the Annual Debt Service for such year.

91 The applicable conditions for Future Parity Lien Obligations having been
92 complied with in connection with the issuance of the Bonds, the pledge contained in the
93 Ordinance of Revenue of the System to pay and secure the payment of the Bonds will
94 constitute a lien and charge on Revenue of the System equal in rank with the lien and
95 charge on the Revenue of the System to pay and secure the payment of the outstanding
96 Parity Lien Obligations.

97 E. **Designation as Refunding Candidates.** The Bonds are hereby
98 designated as "Refunding Candidates" for purposes of ordinances of the county
99 authorizing the issuance of bonds to refund outstanding obligations of the county payable
100 from Revenue of the System, including without limitation Ordinance 18587, passed on
101 October 23, 2017.

102 F. **Undertaking to Provide Ongoing Disclosure.** In accordance with
103 Section 30 of the Ordinance, the county will enter into an undertaking to provide
104 continuing disclosure for the Bonds in substantially the form described in the preliminary
105 official statement for the Bonds.

106 G. **Further Authority.** The county officials and their agents, attorneys and
107 representatives are hereby authorized and directed to do everything necessary for the
108 prompt issuance and delivery of the Bonds and for the proper use and application of the
109 proceeds of sale of the Bonds.

110 H. **Severability.** If any provision in this motion is declared by any court of
111 competent jurisdiction to be contrary to law, then that provision will be null and void and

112 will be deemed separable from the remaining provisions of this motion and will in no
113 way affect the validity of the other provisions of this motion or of the Bonds.

DESCRIPTION OF THE BONDS

The Bonds will be dated the date of their initial delivery (the "Issue Date"). The Bonds bear interest payable semiannually on each January 1 and July 1, beginning January 1, 2020, to their maturities or prior redemption. Interest will be calculated on the basis of a 360-day year consisting of twelve 30-day months. The Bonds will mature on the dates and in the amounts set forth on page i of the Preliminary Official Statement.

The Bonds are issuable only as fully registered bonds and, when issued, will be registered in the name of Cede & Co. as Bond owner and nominee for The Depository Trust Company ("DTC"). DTC will act as securities depository for the Bonds. Purchases of the Bonds will be made in book-entry form, in the denomination of \$5,000 or any integral multiple thereof. Purchasers will not receive certificates representing their interest in the Bonds purchased. The principal of and interest on the Bonds are payable by the fiscal agent for the State of Washington, currently U.S. Bank National Association (the "Registrar"), to DTC, which in turn is obligated to remit such principal and interest to the DTC participants for subsequent disbursement to beneficial owners of the Bonds.

Maturities

The bidder for the Bonds will designate whether the principal amounts of the Bonds as set forth below will be retired on January 1 of each respective year as serial bonds maturing on such dates or as mandatory sinking fund redemptions of the Bonds maturing in the years specified by the bidder (the "Term Bonds").

<u>Serial Maturity (January 1)</u>	<u>Principal Amounts⁽¹⁾</u>	<u>Serial Maturity (January 1)</u>	<u>Principal Amounts⁽¹⁾</u>
2029	\$ 9,435,000	2034	\$12,400,000 ⁽²⁾
2030	18,445,000 ⁽²⁾	2035	
2031	8,715,000 ⁽²⁾	2036	8,620,000 ⁽²⁾
2032	12,375,000 ⁽²⁾	2037	9,055,000 ⁽²⁾
2033	11,795,000 ⁽²⁾	2038	9,505,000 ⁽²⁾

(1) Preliminary, subject to change.

(2) These amounts will constitute principal maturities of the Bonds unless Term Bonds are specified by the successful bidder, in which case these amounts may constitute mandatory sinking fund redemptions of the Term Bonds.

Term Bonds. If the successful bidder for the Bonds designates certain maturities as Term Bonds, the County will retire the Term Bonds by purchase or redemption on January 1 in the years and amounts designated by the successful bidder to be mandatory sinking fund redemptions of the Term Bonds.

Redemption of the Bonds

Optional Redemption. The Bonds maturing on or after January 1, 2030, are subject to optional redemption prior to their stated maturity at the option of the County, in whole or in part, at any time on or after January 1, 2029, at the price of par plus accrued interest, if any, to the date fixed for redemption.

Mandatory Sinking Fund Redemption of Term Bonds. The County will redeem the Term Bonds, if not redeemed as described above or purchased under the provisions described in the Preliminary Official Statement under “Description of the Bonds—Mandatory Sinking Fund Redemption of Term Bonds,” randomly (or in such manner as the Registrar determines), at the price of par plus accrued interest, on January 1 in the years and amounts specified by the successful bidder.

If the County redeems the Term Bonds under the optional redemption provisions described above or purchases or defeases the Term Bonds, the Term Bonds so redeemed, purchased, or defeased (irrespective of their redemption or purchase prices) will be credited at the par amount thereof against one or more scheduled mandatory redemption amounts for the Term Bonds. The County will determine the manner in which the credit is to be allocated. If no such determination is made, credit will be allocated on a pro rata basis.

Purchase of Bonds

The County reserves the right and option to purchase any or all of the Bonds at any time at any price.

Refunding or Defeasance of Bonds

Pursuant to the Ordinance (as defined in the attached Preliminary Official Statement), the County may issue refunding obligations pursuant to the laws of the State or use money available from any other lawful source to pay when due the principal of, premium, if any, and interest on the Bonds, or any portion thereof included in a refunding or defeasance plan, and to redeem and retire, refund,

or defease all or a portion of the then outstanding Bonds (the "Defeased Bonds"), and to pay the costs of the refunding or defeasance.

If money and/or noncallable Government Obligations (defined in the Ordinance) maturing at such time or times and bearing interest to be earned thereon in amounts (together with such money, if necessary) sufficient to redeem and retire, refund, or defease the Defeased Bonds in accordance with their terms are set aside in a special trust or escrow fund or account irrevocably pledged to that redemption, retirement, or defeasance of Defeased Bonds (the "Trust Account"), then the Defeased Bonds will be deemed not to be outstanding under the Ordinance, no further payments need be made into the applicable redemption account for the payment of the principal of and interest on the Defeased Bonds, and the owners of the Defeased Bonds will cease to be entitled to any covenant, pledge, benefit, or security of the Ordinance. The owners of Defeased Bonds will have the right to receive payment of the principal of and premium, if any, and interest on the Defeased Bonds from the Trust Account.

Security

The Bonds are Parity Lien Obligations, which are limited tax general obligation bonds of the County that are additionally secured by a lien and charge on Revenue of System, subject to Operating and Maintenance Expenses and the payment of the Parity Bonds, as such terms are defined in the Ordinance. *The lien on Revenue of the System that secures the Parity Lien Obligations is subordinate to the lien that secures the Parity Bonds.*

The County irrevocably covenants and agrees that, for as long as any of the Bonds are outstanding and unpaid, each year it will include in its budget and levy an *ad valorem* tax upon all the property within the County subject to taxation in an amount that will be sufficient, together with all other revenues and money of the County legally available for such purposes, to pay the principal of and interest on the Bonds as the same will become due. The County irrevocably pledges that the annual tax to be levied for the payment of such principal and interest will be within and as a part of the tax levy permitted to counties without a vote of the people, and that a sufficient portion of the taxes to be levied and collected annually by the County prior to the full payment of the principal of and interest on the Bonds will be irrevocably set aside, pledged, and appropriated for the payment of the principal of and interest on the Bonds. The full faith, credit, and resources of the County are irrevocably pledged for the annual levy and collection of said taxes and for the prompt payment of the principal of and interest on the Bonds as the same will become due.

BIDDING INFORMATION AND AWARD

Bidding Information

Bidders are invited to submit bids for the purchase of the Bonds fixing the interest rate that the Bonds will bear. The interest rates bid for the Bonds must be in a multiple of 1/8 or 1/20 of 1.00%. No more than one rate of interest may be fixed for any single maturity of the Bonds. Bids must be without condition and may be submitted only electronically via Parity.

Bidders must specify interest rates equal to or greater than 5.00% for each maturity of the Bonds maturing on or after January 1, 2030. No bid will be considered for the Bonds that is less than an amount equal to 122.5% of the par value of the Bonds or more than an amount equal to 133% of the par value of the Bonds, or for less than the entire offering of the Bonds.

Bidders are requested to provide a list of any syndicate members with their bids or within 24 hours after submitting their bids. The County strongly encourages the inclusion of women and minority business enterprise firms in bidding syndicates.

Bidding Process

By submitting an electronic bid for the Bonds, each bidder thereby agrees to the following terms and conditions:

- (i) If any provision in this Official Notice of Sale conflicts with information or terms provided or required by Parity, this Official Notice of Sale, including any modification or postponement communicated as described under "Modification, Postponement, Cancellation," will control.
- (ii) Bids may be submitted only via Parity. The bidder is solely responsible for making necessary arrangements to access Parity for purposes of submitting a bid timely and in compliance with the requirements of this Official Notice of Sale.
- (iii) The County has no duty or obligation to provide or assure access to Parity, and will not be responsible for the proper operation of Parity, or have any liability for any delays or interruptions or any damages caused by the use or attempted use of Parity.
- (iv) The County is using Parity as a communication mechanism, and not as an agent of the County.
- (v) Upon acceptance of a bid by the County, this Official Notice of Sale and the information that is electronically transmitted through Parity will form a contract between the bidder and the County.

If all bids for the Bonds are rejected, the Finance Director may fix a new date and time for the receipt of bids for the Bonds by giving notice under the procedures as described under "Modification, Postponement, Cancellation" on or before the day prior to such new date and time.

Good Faith Deposit

The successful bidder for the Bonds is required to deliver a good faith deposit in the amount of \$1,000,000 by federal funds wire transfer to the Treasury Section of the Finance and Business Operations Division by no later than 90 minutes following the successful bidder's receipt of the verbal award. Wiring instructions will be provided to the successful bidder at the time of the verbal award.

The good faith deposit of the successful bidder for the Bonds will be retained by the County as security for the performance of such bid, and will be applied to the purchase price of the Bonds on the delivery of the Bonds to the successful bidder. Pending delivery of the Bonds, the good faith deposit may be invested for the sole benefit of the County.

If the Bonds are ready for delivery and the successful bidder for the Bonds fails to complete the purchase of the Bonds within 30 days following the acceptance of its bid, the good faith deposit will be forfeited to the County, and, in that event, the County Council may accept the next best bid or call for additional proposals.

Insurance

Bids for the Bonds may not be conditioned upon obtaining insurance or any other credit enhancement. If the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of a bidder, any purchase of such insurance or commitment therefor will be at the sole option and expense of the bidder and any increased costs of issuance of the Bonds resulting by reason of such insurance will be paid by the bidder, unless otherwise paid. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued will not in any way relieve the successful bidder of its contractual obligations arising from the acceptance of its proposal for the purchase of the Bonds.

If the successful bidder for the Bonds purchases insurance for the Bonds, the County may require the successful bidder to furnish to the County and Bond Counsel a certificate in form and substance acceptable to Bond Counsel confirming that the insurance premium is less than the present value (calculated using the same yield as the yield on the insured Bonds) of the interest cost savings represented by the comparative differences between interest amounts that would have been payable on the various maturities of the insured Bonds at interest rates on the insured Bonds issued with and without the insurance on the insured Bonds.

Award

The Bonds will be sold to the bidder making a bid for the Bonds that conforms to the terms of the offering and that, on the basis of the lowest true interest cost, is the best bid. For the purpose of comparing bids only, each bid must state the true interest cost of the bid determined by doubling the semiannual interest rate (compounded semiannually) necessary to discount each debt service payment from the payment date to the date of the Bonds and to the price bid.

If there are two or more equal bids for the Bonds and those bids are the best bids received, the Finance Director will determine which bid will be presented to the County Council for its consideration. The County, in its sole discretion, reserves the right to reject any or all bids submitted and to waive any formality in the bidding or bidding process. If all bids for an offering are rejected, the Bonds may be re-advertised for sale in the manner provided by law and as described above.

Adjustment of Principal Amount and Bid Price After Bid Opening

The County has reserved the right to increase or decrease the preliminary principal amount of the Bonds by an amount not to exceed 10% of the principal amount of the Bonds following the opening of the bids for the Bonds. The County has also reserved the right to increase or decrease the preliminary principal amount of any maturity of the Bonds by 15% of the principal amount of that maturity.

The price bid by the successful bidder for the Bonds will be adjusted by the County on a proportionate basis to reflect an increase or decrease in the principal amount of the Bonds. In the event that the County elects to increase or decrease the principal amount of the Bonds after the bid pursuant to this Official Notice of Sale, the underwriter's discount for the Bonds, expressed in dollars per thousand, will be held constant. The County will not be responsible in the event and to the extent that any adjustment affects (i) the net compensation to be realized by the successful bidder, or (ii) the true interest cost of the winning bid or its ranking relative to other bids.

Issue Price Information

Competitive Sale. The County expects to determine the issue price of the Bonds under the special rule for competitive sales provided by Treasury Regulation Section 1.148-1(f)(3)(i) because the sale of the Bonds is expected to meet the following requirements (the “competitive sale requirements”):

- (i) the County will disseminate this Official Notice of Sale to potential underwriters of municipal bonds in a manner that is reasonably designed to reach such potential underwriters;
- (ii) all bidders will have an equal opportunity to bid for the Bonds;
- (iii) the County will receive bids for the Bonds from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (iv) the County will award the sale of the Bonds to the bidder who submits a bid in conformance with this Official Notice of Sale to purchase the Bonds at a price that produces the lowest true interest cost to the County, as set forth in this Official Notice of Sale under the heading “Award.”

The winning bidder for the Bonds will be required to assist the County in establishing the issue price of the Bonds under the special rule for competitive sales by (i) providing to the Finance Director, in writing, immediately following the award of the sale of the Bonds to the winning bidder, the reasonably expected initial offering price to the public as of the sale date of each maturity of the Bonds on which the price bid by the winning bidder was based; and (ii) executing and delivering to the County on or before the Issue Date an issue price certificate setting forth for each maturity of the Bonds the reasonably expected initial offering price to the public as of the sale date on which the price bid by the winning bidder for the Bonds was based. The issue price certificate shall be substantially in the form of Exhibit 1 attached to this Official Notice of Sale, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the County, and Bond Counsel.

In the event that the competitive sale requirements are not satisfied, the County shall advise the winning bidder that such requirements are not satisfied and the following section will apply:

Hold-the-Offering-Price Rule May Apply. In the event that the competitive sale requirements are not satisfied, the County will so advise the winning bidder. The County will treat the first price at which 10% of a maturity of the Bonds (the “10% test”) is sold to the public as the issue price of that maturity if such maturity of the Bonds satisfies the 10% test as of the date and time of the award of the Bonds. With respect to those maturities of the Bonds that do not meet the 10% test as of the date and time of the award of the Bonds, the County will treat the initial offering price to the public as of the sale date of any maturity of the Bonds as the issue price of that maturity (the “hold-the-offering-price rule”), in each case applied on a maturity-by-maturity basis. The winning bidder shall advise the County if any maturity of the Bonds satisfies the 10% test as of the date and time of the award of the Bonds.

As stated above, the hold-the-offering-price rule will apply to those maturities of the Bonds that do not meet the 10% test as of the sale date. By submitting a bid, the winning bidder shall (i) confirm that the underwriters have offered or will offer the Bonds to the public on or before the date of award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder, and (ii) agree, on behalf of the

underwriters participating in the purchase of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (i) the close of the fifth (5th) business day after the sale date; or
- (ii) the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The winning bidder shall promptly advise the County when the underwriters have sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

The County acknowledges that, in making the representation set forth above, the winning bidder will rely on:

- (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires;
- (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires; and
- (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires.

The County further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

By submitting a bid, each bidder confirms that:

- (i) any agreement among underwriters, any selling group agreement, and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public, and (B) comply with the hold-the-offering-price rule (if applicable), in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and
- (ii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection

with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder or such underwriter that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public, and (B) comply with the hold-the-offering-price rule (if applicable), in each case if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

Sales of any Bonds to any person who is a related party to an underwriter shall not constitute sales to the public for purposes of this Official Notice of Sale. Further, for purposes of this Official Notice of Sale:

- (i) “public” means any person other than an underwriter or a related party,
- (ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the County (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public, and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),
- (iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profit interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (iv) “sale date” means the date that the Bonds are awarded by the County to the winning bidder.

Delivery

The County will deliver the Bonds (consisting of one certificate per maturity) to DTC in New York, New York, or to the Registrar on behalf of DTC by Fast Automated Securities Transfer, prior to the date of closing. Closing will occur within 30 days after the Sale Date. Settlement will be in federal funds available in Seattle, Washington, on the date of issue of the Bonds (the “Date of Issue”). Delivery is expected to be October 24, 2019.

If, prior to the delivery of the Bonds, the interest receivable by the owners of the Bonds becomes includable in gross income for federal income tax purposes, or becomes subject to federal income tax other than as described in the Preliminary Official Statement, the successful bidder, at its option, may be relieved of its obligation to purchase the Bonds, and in that case the good faith deposit accompanying its bid will be returned without interest.

Legal Matters

The Purchaser of the Bonds will be provided with the approving legal opinion of Pacifica Law Group LLP, Seattle, Washington, Bond Counsel, at the time of the delivery of the Bonds. A no-litigation certificate will be included in the closing papers of the Bonds.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on the Bonds nor any error with respect thereto will constitute cause for a failure or refusal by the successful bidder for the Bonds to accept delivery of and pay for the Bonds in accordance with the terms of this Official Notice of Sale.

The County's Municipal Advisor is responsible for obtaining CUSIP numbers for the Bonds. The charge of the CUSIP Service Bureau will be paid by the successful bidder for the Bonds.

OTHER INFORMATION

Ongoing Disclosure Undertaking

To assist bidders in complying with paragraph (b)(5) of Securities and Exchange Commission ("SEC") Rule 15c2-12 ("Rule 15c2-12"), the County will undertake to provide certain annual financial information and notices of the occurrence of certain events. A description of this undertaking is set forth in the Preliminary Official Statement under "Continuing Disclosure Undertaking" and will also be set forth in the final Official Statement.

Preliminary Official Statement

The Preliminary Official Statement is in a form that the County has deemed final for the purpose of paragraph (b)(1) of Rule 15c2-12, but is subject to revision, amendment, and completion in a final Official Statement, which the County will deliver, at the County's expense, to the Purchaser of the Bonds through its designated representative not later than seven business days after the County's acceptance of the Purchaser's bid, in sufficient quantities to permit the Purchaser to comply with Rule 15c2-12.

By submitting the successful proposal, the Purchaser of the Bonds agrees:

- (i) to provide to the Finance and Business Operations Division, in writing, within 24 hours after the acceptance of the bid, pricing and other related information, including the Initial Reoffering Price of each maturity of the Bonds, necessary for completion of the final Official Statement;
- (ii) to disseminate to all members of the underwriting syndicate, if any, copies of the final Official Statement, including any amendments or supplements prepared by the County;
- (iii) to take any and all actions necessary to comply with applicable rules of the SEC and the Municipal Securities Rulemaking Board ("MSRB") governing the offering, sale, and delivery of the Bonds to the ultimate purchasers, including the delivery of a final Official Statement to each investor who purchases the Bonds; and
- (iv) to file the final Official Statement or cause it to be filed with the MSRB within one business day following its receipt from the County.

Official Statement

At the time of the delivery of the Bonds, one or more officials of the County will furnish a certificate stating that, to the best knowledge and belief of such official(s) at the date of this Official Statement and as of the delivery date of the Bonds, the Official Statement (as it may have been amended or supplemented prior to the delivery date of the Bonds) did not and does not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading (except that no representation or warranty will made with respect to information in the Official Statement relating to DTC or DTC's book-entry system or information provided by the Purchaser on any bond insurance provider).
