1                   A MOTION establishing the King County 2023 State  
2                   Legislative Agenda.

3                   WHEREAS, the King County council and the King County executive have  
4 worked together through their respective government relations staff and desire to bring  
5 their positions on issues facing the 2023 Washington state Legislature to the attention of  
6 the Washington state Legislature, and

7                   WHEREAS, King County desires to work cooperatively with other local  
8 governments and other organizations such as the Washington State Association of  
9 Counties, the Washington Association of County Officials, the Sound Cities Association  
10 and the Association of Washington Cities to achieve its 2023 legislative goals, and

11                  WHEREAS, counties have been recognized by the Legislature as partners with  
12 the state in the delivery of such critical services as public health, transportation, public  
13 safety, behavioral health services, affordable housing, and water quality, and

14                  WHEREAS, the COVID-19 emergency has further highlighted the vital role  
15 played by county government in protecting public health and safety, and has dramatically  
16 increased demand for critical public services, and

17                  WHEREAS, King County has a limited number of revenue sources available to  
18 mitigate impacts of budget decisions at the state level, and

19                  WHEREAS, King County's ability to deliver public health, behavioral health  
20 services, public safety and other basic services is directly impacted by decisions in the

23 County population combined with an arbitrary cap on property tax revenue growth has  
24 created a structural gap in King County's general fund, which is projected to reach \$80  
25 million to \$100 million by the 2025-2026 biennial budget, and

26 WHEREAS, King County is dedicated to exploring with the state new ideas for  
27 sustained funding for critical services including transportation and transit, affordable  
28 housing, behavioral health and crisis response, public safety and flood protection, and

29 WHEREAS, the King County council and the King County executive will  
30 continue to review legislative developments for possible revisions of King County's 2023  
31 state legislative program;

32 NOW, THEREFORE, BE IT MOVED by the Council of King County:
