Motion 16817

Proposed No. 2025-0139.1

Sponsors Zahilay

1 A MOTION reaffirming King County's commitment to
2 reproductive rights in response to state and federal cuts.

3 WHEREAS, King County has long affirmed the fundamental right of every
4 individual to make personal reproductive health decisions, including access to abortion
5 and comprehensive reproductive healthcare, and

6 WHEREAS, the federal government has recently enacted severe cuts to health
7 programs that directly affect reproductive care access, especially for low-income and
8 marginalized communities, and

9 WHEREAS, these cuts include slashing funds from Title X which affects grants
10 that support networks of clinics including health departments, federally qualified health
11 centers, school-based providers, Cedar River Clinics, and Planned Parenthood clinics;
12 and widespread firings at the United States Department of Health and Human Services
13 including the Centers for Disease Control and Prevention's Division of Reproductive
14 Health; and

15 WHEREAS, significant cuts were made to reproductive healthcare funding during
16 Washington state's 2025 legislative session despite an initial commitment to expand
17 access in response to the national erosion of reproductive rights. This includes a reduction
18 of \$8,470,000 for workforce retention initiatives for reproductive health providers
19 through the Washington state Department of Health, and

Motion 16817

20 WHEREAS, local reproductive health providers, including Planned Parenthood,
21 Cedar River Clinics, and others, are already reporting increased patient volume, staff
22 shortages, and financial insecurity due to the convergence of federal and state cuts, and

23 WHEREAS, these threats come during a historic national crisis in reproductive
24 rights in the wake of the United States Supreme Court's decision to overturn Roe v.
25 Wade;

26 NOW, THEREFORE, BE IT MOVED by the Council of King County:

27 A. The council reaffirms King County's unwavering support for reproductive
28 freedom and pledges to use every available local tool to support reproductive healthcare
29 providers and protect access for all people in King County, regardless of income,
30 immigration status, or geographic location.

31 B. The council expresses grave concern over federal and state funding cuts that
32 undermine access to essential reproductive healthcare.

33 C. The council commits to working collaboratively with providers, advocates,
34 and public health experts to understand and respond to the impact of those funding cuts in
35 our region.

36 D. The council will convene a public panel of reproductive healthcare leaders at
37 the May 14, 2025, meeting of the budget and fiscal management committee to inform the
38 public and shape King County's local response moving forward.

39 E. The council requests the executive to explore funding options to replace lost

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below.
