6 vehicle or vehicles, the number of days and the mileage for each day of operation  
7 for any or all vehicles operated by the applicant under any license issued under  
8 the provisions of this chapter or any prior ordinance of King County regulating  
9 taxicabs and for-hire vehicles for the year preceding the yearly period specified  
10 in the application; whether he has been convicted of any violation within ten  
11 years preceding the date of application related to the sale or possession of in-  
12 toxicating liquor, gambling or any law or ordinance relating to public morality  
13 and decency, or for violating any law or ordinance involving an intent to

16 barbituates, or any such other information the director (~~of the King County~~  
17 ~~bureau of general services~~) may require, which he deems reasonably necessary  
18 to aid in the enforcement of this chapter.

19 (b) The director (~~of the King County bureau of general services~~) shall  
20 inquire into the correctness of the information furnished, and if so satisfied,  
21 after due investigation, that the applicant is the reliable and bona fide owner  
22 of the motor vehicle, has met the various requirements of this chapter, that  
23 the name under which the applicant is to operate and the color scheme used  
24 upon the motor vehicle does not conflict with others so used, or tend to  
25 deceive the public, that the motor vehicle is equipped with proper State license  
26 and is properly insured for the protection of the public as required by law,  
27 and that there is a bona fide need for taxicab or for-hire service in the unin-

5 desires such license to enable him to engage in a dishonest, unlawful, or  
6 immoral act, practice or enterprise. Wilful falsification or omission of any  
7 information required in the application shall constitute grounds for denial of  
8 the license.

9 (d) No license shall be transferable to any person except in case of a

23 to read as follows:

24 Rate schedule. Every licensee shall, before commencing operation, file  
25 with the director (~~((of the King County department of general services))~~) his  
26 proposed schedule of rates and charges. It is unlawful for any licensee to  
27 charge any greater or lesser sum than is specified by such filed schedule of  
28 rates, except as herein provided, and it is unlawful to make any discriminatory  
29 charges to any person, or to make any rebate or in any manner reduce the charge  
30  
31  
32  
33

1 to any person unless such reduction is in conformity with the schedule, and  
2 rates and charges shall be conspicuously displayed in the taxicab so as to be  
3 readily discernible to the passenger. Operation of any taxicab or for-hire  
4 vehicle without the filing and display of rate schedules shall be a prima  
5 facie grounds for the suspension or revocation of the license.

6 (a) The rate schedule for taxicabs shall be as follows:

7 For one passenger for the first one-sixth  
8 mile, or fraction thereof . . . . . \$ .60  
9 Thereafter for each additional one-sixth  
10 mile, or fraction thereof . . . . . .10  
11 For every one minute of waiting time . . . . . .10  
12 For each additional passenger . . . . . .20

13 (No additional passenger shall be picked up without the express consent of the  
14 original passenger.)

15 (b) The rate schedule for "for-hire vehicles" shall be determined for  
16 each licensee by the director, who shall take into account, among other things,  
17 and with the objective of prescribing a just and reasonable rate, the following  
18 factors:

19 (1) The public need for adequate "for-hire vehicles" service at the lowest  
20 level of charges consistent with the provision, maintenance and renewal of such  
21 service;

22 (2) The rates of other licensees operating in the same or similar areas;

23 (3) The effect of such rates upon transportation of passengers by other  
24 modes of transportation;

25 (4) The licensee's need for revenue of a level which under honest,  
26 efficient and economical management is sufficient to cover the cost (including  
27 all operating expenses, depreciation accruals, rents, license fees and taxes of  
28 every kind) of providing adequate "for-hire vehicles" service, plus an amount  
29 equal to such percentage of said cost as shall be reasonably necessary for the  
30  
31  
32  
33

1 replacement of deteriorated "for-hire vehicles" and a reasonable profit to the  
2 licensee. The relation of revenues to expenses may be deemed the proper test  
3 of a reasonable profit.

4 (c) Any person, partnership, corporation or legal entity driving or  
5 operating or engaged in the business of operating taxicabs, may contract  
6 their services to any legally established commercial enterprises, such as,  
7 apartment house complexes, motels, airlines, manufacturing companies, for rates  
8 below those as established herein, with approval of the director of licenses.  
9 After approval by the director of licenses, a copy of the contract between the  
10 licensee and the commercial enterprise shall be filed with the director of  
11 licenses in triplicate. No business shall be conducted prior to the director's  
12 approval.

13 (d) The rate schedule for taxicabs entering into contractual service shall  
14 be determined for each licensee by the director, who shall take into account,  
15 among other things, and with the objective of prescribing a just and reasonable  
16 rate, the following factors:

17 (1) The public need for adequate taxicabs entering into contractual  
18 service at the lowest level of charges consistent with the provision,  
19 maintenance and renewal of such service;

20 (2) The rates of other licensees operating in the same or similar areas;

21 (3) The effect of such rates upon transportation of passengers by other  
22 modes of transportation;

23 (4) The licensee's need for revenue of a level which under honest, efficient  
24 and economical management, is sufficient to cover the cost (including all  
25 operating expenses, depreciation accruals, rents, license fees and taxes of  
26 every kind) of providing adequate contract taxi vehicle service, plus an  
27 amount equal to such percentage of said cost as shall be reasonably necessary  
28 for the replacement of deteriorated contract taxi vehicles and a reasonable  
29 profit to the licensee. The relation of revenues to expenses may be deemed  
30 the proper test of a reasonable profit.

12 shall be plainly posted and attached to the taximeter for the information of
