ORDINANCE NO. 2948

AN ORDINANCE making an appropriation of \$34,560 to the Grant Fund for the Burien Area Transportation Study, Phase 2.

PREAMBLE:

Since the 1964 Comprehensive Plan for King County was adopted many dramatic changes have taken place including:

- a) Sudden changes in population and employment growth pattern;
- b) Formation of a regional transit system;
- c) Advent of the energy crisis and increased environmental awareness;
- d) Initiation of the process of updating the 1964 King County Comprehensive Plan.

These dramatic changes were recognized and underscored when the Council acknowledged the King County Interim Transportation Plan on September 9, 1974. Further, the Council has authorized the County Executive by Motion No. 1862 to apply for a technical study grant to determine more detailed transportation needs of Burien-Sea-Tac Community. The Urban Mass Transportation Administration through its Coordinated Support Program has approved a sum of \$34,560 for the study.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:
