Proposed No. 79-1112

ORDINANCE NO. 0004491

AN ORDINANCE granting interim approval to the Water District 82 Sewer Comprehensive Plan.

PREAMBLE:

On February 2, 1977, Water District 82 passed Resolution No. A312 adopting the Pine Lake Facilities Plan as the sewer comprehensive plan of the district.

The King County Sewerage General Plan has established a local service area which may be served by Water District 82.

The area which Water District 82 serves (East Sammamish Plateau) is presently the subject of a Community Planning Process which may modify the existing local service area of the Sewerage General Plan.

As required by KCC 13.24, the Utilities Technical Review Committee reviewed the Comprehensive Plan and on June 13, 1979 recommended its interim approval.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. The Water District 82 Sewer Comprehensive Plan, as adopted by district Resolution No. A312 (attached) is hereby granted interim approval only to the extent that the facilities provided for by the comprehensive plan are necessary to provide service to the Local Service Area established by the Sewerage General Plan. This approval shall be valid for a period not to exceed twelve months after the adoption of the East Sammamish Communities Plan by the King County Council. After the adoption of the East Sammamish Communities Plan, King County, through the Utilities Technical Review Committee, shall initiate a reexamination of the Water District 82 Sewer Comprehensive Plan in light of the provisions of the Community Plan and the modified Local Service Area (if any). After such a reexamination, the Utilities Technical Review Committee shall make a recommendation to the County Council regarding the modification or extension of this interim approval.

SECTION 2. Any subsequent amendment to the Water District 82

1 Sewer Comprehensive Plan prior to the adoption of the East
2 Sammamish Communities Plan will be considered by King County
