AN ORDINANCE relating to regional storm drainage detention facility #211, Boeing Creek; authorizing an agreement between King County and Crista Ministries, Incorp., and authorizing the Department of Public Works to assume maintenance of said facility.

PREAMBLE:
Negotiations between the Surface Water Management Division of King County Department of Public Works and Crista Ministries, Incorporated, have taken place regarding the potential joint development of a regional storm water detention facility. The proposed agreement between King County and Crista Corp. would provide a regional storm water detention facility at significantly less cost to King County than the cost of a similar facility if undertaken by King County alone.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

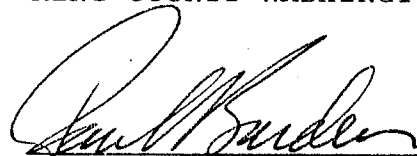

SECTION 1. The County Executive is hereby authorized to enter into an agreement with Crista Ministries, Incorporated for joint development of a regional storm water detention facility upon the terms specified in the draft agreement, which is attached as exhibit A to this ordinance.

SECTION 2. The Department of Public Works is authorized upon satisfactory completion of the project to assume maintenance of the facility under the terms of the draft agreement.

INTRODUCED AND READ for the first time this 17th day of August, 1981.

PASSED this 24th day of August, 1981.
