ORDINANCE NO. 5746

AN ORDINANCE relating to the vacation of a portion  
of S.E. 43rd Street  
Petitioner: Leroy R. Ellis and Others V-1721

STATEMENT OF FACTS

1. A petition has been filed requesting vacation of a portion of S.E. 43rd Street, hereinafter described.

2. The Department of Public Works has notified the various utilities serving the area and has been advised that easements are not required.

3. The Division of Building and Land Development has studied the subject proposed road vacation and finds that it would not be in conflict with the principles and purposes of the King County Comprehensive Plan and the specific plans in the vicinity of this proposed vacation.

4. The vacation area contains a structure which projects into a County right of way. This proposed vacation will clear that structure from the County right of way. The road was constructed as an RID and is County maintained. Therefore, the right of way is classified as class "B" and additional compensation is required in accordance with Ordinance No. 2759. King County is now in receipt of \$340.00 from the petitioner which has been judged to be just compensation for this vacation area.

5. The Department of Public Works considers the subject right of way useless as part of the County road system and believes the public would be benefited by the return of this unused area to the public tax rolls.

Due notice was given in the manner provided by law and a hearing was held by the King County Council on the 9th day of November, 1981.

In consideration of the benefits to be derived from the subject vacation, the Council has determined that it is in the best interest of the citizens of King County to grant said petition.
