

ORDINANCE NO. 6857

AN ORDINANCE granting conditional approval to
the City of Bellevue Comprehensive Sewer Plan.

PREAMBLE:

1. On December 23, 1983, the City of Bellevue Comprehensive Sewer Plan was submitted for review by the utilities technical review committee, as required by KCC Chapter 13.24.
2. On April 3, 1984, the committee recommended its approval after having made the following findings:
 - a. The plan was drafted in 1981, and is now becoming out-of-date.
 - b. The plan does not address the relationship between itself and the Newcastle Community Plan.
 - c. The plan does not address current City of Bellevue policy for serving unincorporated areas of King County.
 - d. Pursuant to City of Bellevue Resolution No. 3988, the extension of sewer service is restricted by the following conditions:
 - a. Environmental review must be completed pursuant to Bellevue City Code 20.02.140.
 - b. The proposed service area must annex to the city unless the area is within the city's sewer service area.
 - e. The City of Bellevue will begin drafting a current comprehensive sewer plan in 1984.
 - f. An updated comprehensive sewer plan will be completed by the City of Bellevue in spring 1985.
3. On September 15, 1981, the City of Bellevue issued a final declaration of non-significance for the city's comprehensive sewer plan.
4. On February 22, 1982, the City of Bellevue city council passed Resolution No. 3981 adopting the comprehensive sewer plan for the city.
5. As required by KCC 13.24, the utilities technical review committee reviewed the proposed plan on April 3, 1984 and recommended a conditional approval.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:
