

ORDINANCE NO. 7314

1 AN ORDINANCE confirming the King County Road Improvement
2 District No. 99 assessment roll for streets lights within the
3 plat of Twin Lakes Park and levying assessment against the
4 property within said district.

4 PREAMBLE:

5 A public hearing was held on August 5, 1985, pursuant to
6 RCW 36.88.090, for the purpose of considering the assessment roll for
7 King County Road Improvement District No. 99. Notice of said hearing
8 was duly published and duly mailed to each property owner pursuant to
9 the requirements of RCW 36.88.090. The council, sitting as a board of
10 equalization for such purpose, considered said assessment roll and all
11 timely filed written objections made to the conformation thereof.

9 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

10 Section 1: The council, sitting as a board of equalization and having made
11 all revisions to the roll it deems necessary, hereby finds that the assessment
12 roll for King County Road Improvement District No. 99 (hereinafter "RID 99") is
13 just and equitable and that no assessment against any property within RID 99 is
14 greater than the special benefits to be derived from the improvement made to
15 such property. Accordingly, said assessment roll is hereby confirmed and the
16 assessments set forth therein are hereby levied against each parcel of property
17 described in said roll.

18 Section 2: The clerk of the council is hereby directed to place in the
19 hands of the King County office of finance for collection the said RID 99
20 assessment roll, bearing such revisions, if any, as the council has made
21 thereto. Upon such placement, the amount of each assessment set forth therein,
22 together with any interest accrued from time to time thereon and any penalty
23 imposed from time to time thereon, shall become a lien against the property so
24 assessed. Said lien shall be paramount and superior to any other lien or
25 encumbrance whatsoever, theretofore or thereafter created, except for a lien for
26 general taxes.

27 Section 3: Upon receipt of the RID 99 assessment roll, the King County
28 office of finance is hereby directed to publish notice at the time and in the
29 manner required by RCW 36.88.270, stating that such assessments or any portion
30 thereof may be paid without interest in the 30 days following first publication
31 of such notice.

Section 4: The assessments shall be due and payable as follows:

The first annual maintenance assessment of \$25.80 assessed upon each lot within the assessment district, and confirmed by this ordinance shall be due and payable at any time within the thirty day period from the date of the first publication of the notice described herein in Section 3. Unpaid assessments after the thirty day period shall be declared delinquent. All delinquent accounts shall bear a penalty of ten percent per annum and said penalty shall be included and be a part of the assessment lien. Collection on delinquent accounts shall be enforced in the manner provided by law.

The second and succeeding annual maintenance assessment will be based on cost of maintenance and power charges of Puget Sound Power & Light Company and a King County public works administration fee. Prior to the second and each succeeding annual maintenance assessment, a budget for RID 99 will be submitted to the county executive for approval. Upon approval of the annual budget for RID 99, the second and each succeeding annual maintenance assessment shall be due and payable annually on the anniversary date of said publication date described herein. Past due annual assessments shall be declared delinquent. All delinquent accounts shall bear a penalty of ten percent per annum and said penalty shall be included and be a part of the assessment lien.

INTRODUCED AND READ for the first time this 1st day of July, 1985.

PASSED this 5th day of August, 1985.
