Proposed No: 88 - 426

ORDINANCE NO. **8579**

AN ORDINANCE relating to voting precincts in King County, providing for the alteration, division and creation of precincts; repealing Ordinance 884, Section 1, and K.C.C. 1.12.010, substituting a new section; and declaring an emergency.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Ordinance 884, Section 1, as amended, and K.C.C. 1.12.010 are hereby repealed and the following substituted:

A. Precincts Established. The voting precincts of King County are hereby established pursuant to state law and shall be as described in the attachments to this section which are hereby adopted, and which shall be retained officially on file in the division of records and elections.

B. Precincts Identified. An alpha-numeric system of identifying voting precincts using a combination of letters and numbers shall be established throughout King County. Those precincts which presently have names shall retain them for public purposes in addition to the alpha-numeric designation. Names shall be given only to those new precincts which are created from portions of existing named precincts.

C. Precinct Revisions. Precincts shall be divided, new precincts created, and boundaries of existing precincts altered, as necessary, to implement precinct balancing, and to accommodate the annexations of unincorporated county areas into incorporated cities and the convenience of voters.

D. Precinct Balancing. In balancing precincts, voting precincts shall be constructed so as to consist of between two hundred and four hundred registered voters per individual precinct. Where necessary to construct a precinct with less than two hundred representation, it shall be noted on the revision proposal and a full explanation of this deviation provided.

1 E. Revision Approval. Proposed revisions to voting  
2 precincts, as provided for in this section, shall be submitted to  
3 the council for approval by ordinance no later than May 1st of  
4 the applicable year. The proposal shall include a replacement  
5 for the attachments to this section.

6 SECTION 2. The county finds as a fact and declares that an  
7 emergency exists and that this ordinance is necessary for the  
8 immediate preservation of public peace, health or safety, or for  
9 the support of county government and its existing public  
10 institutions
