AN ORDINANCE concurring with the recommendation of the Zoning and Subdivision Examiner to amend the Local Service Area of the Sewage General Plan to include this site and to approve subject to conditions the Preliminary Plat of DANBURY ESTATES, designated Building and Land Development File No. 489-1.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

This ordinance does hereby adopt and incorporate herein the findings and conclusions contained in the report of the zoning and subdivision examiner dated January 5, 1990 which was filed with the clerk of the council on January 25, 1990 to approve subject to conditions the preliminary plat of Danbury Estates, designated by the building and land development division, File No. 489-1, and which includes a recommendation that the Local Service Area in the Sewage General Plan be amended to include the subject area. In doing so, the Council takes official notice of the facts that on-site sewage disposal would cause a public health hazard and that no added density would result from the use of sewers. The council does hereby adopt as its action the recommendations contained in said report.

INTRODUCED AND READ for the first time this 9th day of January, 1989.

PASSED this 30th day of April, 1990.
