Proposed No.: 91-553

ORDINANCE NO. **10023**

AN ORDINANCE adopting the Facility Master Plan for Law, Safety, and Justice Agencies.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Definitions. For the purpose of this ordinance:

A. "Law, Safety, and Justice agencies" shall mean the following county agencies: Adult Detention, Superior Court, Judicial Administration, District Court, Public Safety, Prosecuting Attorney, and Public Defense.

B. "Regional Justice Center" shall mean a structure or group of structures which, in order to operate efficiently and provide convenient access for the users of the system, accommodates a full-service jail and locates on the same site space for other agencies of the law, safety, and justice system on no more than two sites.

SECTION 2. Intent and Purpose. The purpose of this ordinance is to approve and adopt the Facility Master Plan as revised (Attachment A, dated July 8, 1991, and incorporated by reference herein) and Option G (suburban justice center) as the adopted facility option to provide additional permanent jail capacity and space for law, safety, and justice agencies as defined herein.

SECTION 3. Phasing of Construction. The planning for and construction of additional space shall occur in two phases. The first phase (Phase I) encompasses the facilities and programs to accommodate the growth of the law, safety and justice agencies through the year 2000. The second phase (Phase II) encompasses the facilities and programs to accommodate the growth of the law, safety, and justice agencies through the year 2010. Before proceeding with Phase II, the King County executive and council shall follow the process set forth in any applicable capital planning ordinance in effect at

1 that time.

2 SECTION 4. Type and size of Facility. The type of  
3 facility shall be a regional justice center as designated in  
4 Option G of the Facility Master Plan except that the location  
5 of the Phase II facility will not be at the same location as  
6 the Phase I facility. Sufficient finished space shall be  
7 constructed in Phase I to accommodate the needs of the law,  
8 safety, and justice agencies as specified in the Facility Master  
9 Plan as revised except that of the 931 additional jail beds,  
10 571 will be finished and 360 will be unfinished or provided  
11 through additions of pods to the core facilities. Planning and  
12 construction for Phase I shall incorporate sufficient land and  
13 a flexible design to allow future expansion. To accommodate  
14 Law, Safety and Justice growth needs for Phase I and Phase II  
15 construction, the county executive shall identify, evaluate,  
16 and recommend sufficient alternative land sites to allow  
17 selection and purchase of two separate land sites after full  
18 environmental review.

19 SECTION 5. Elements of the Facility Master Plan not  
20 described in the foregoing sections are hereby approved and  
21 adopted as specified in the Facility Master Plan as revised.

22 INTRODUCED AND READ for the first time this 1<sup>st</sup>  
23 day of July, 1991.

24 PASSED this 15<sup>th</sup> day of July, 1991.
