

ORDINANCE NO. **10422**

AN ORDINANCE adopting the revision of voting precincts of King County for the year 1992 and declaring an emergency.

PREAMBLE:

RCW 29.04.040-050 establishes the statewide criteria for the division, alteration or combination of existing voting precincts and the creation of new precincts. It includes restrictions on the size of such precincts and on the precinct boundaries.

The statute requires that every voting precinct be wholly contained within a single congressional, legislative and county council district, and within the boundaries of an incorporated municipality. Therefore, changes to boundaries of the aforementioned districts or to any city or town within the county requires precinct boundary revisions.

K.C.C. 1.12.010 contains the county's policies regarding the establishment, identification, revision and balancing of voting precincts, and the provisions for the approval of revisions.

Inasmuch as state congressional and legislative districts underwent redistricting this year, extensive revision of the county's voting districts was necessary. A summary of the precinct revisions pursuant to the state and county criteria is contained in the attachment to this ordinance.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Pursuant to K.C.C. 1.12.010E, the 1992 revisions to the King County voting precincts as contained in the attachment to this ordinance are adopted and shall constitute an amendment to the official list of county voting precincts maintained by the records and elections division.

SECTION 2. The county council finds as a fact and declares that an emergency exists and that this ordinance is necessary for the immediate preservation of public peace, health or safety or for the support of county government and its existing public institution.
