RE: Ordinance to Adjust Precincts - 1993

Dear Councilmember Gruger:

Pursuant to state law and the King County Code (RCW 29.04.040-050 and KCC 1.12.010) the Manager, Records and Elections, is required, as an ongoing responsibility, to adjust precincts for the following purposes:

- To coincide with redistricting of congressional, legislative or council districts;
- To accommodate the changed boundaries of incorporated areas caused by annexation and incorporation;
- To level precincts to keep them within the sizes prescribed by the Council policy; and
- To accommodate the convenience of the voters as proposed by petition, voter comments or election official recommendations.

Each year, prior to the statutory cut-off date of one month prior to the commencement of the annual candidate filing period, Records and Elections submits for Council approval a summary of the precinct boundary adjustments accumulated since the previous year.

The proposed ordinance would have the Council approve the precinct boundary adjustments described in the attachment thereto. If approved, the ordinance becomes an amendment to the official list of county election precincts. The attachment contains alterations to 292 precincts, and creation of 68 new precincts.

Most of the precinct adjustments have been precipitated by the redistricting of the King County Council districts, including the creation of four additional districts. State law

KCC 1.12.010 requires that annual precinct adjustments be presented to the Council for review and adoption; and approval by the County Executive to become effective prior to the statutory deadline of June 26, 1993. Because of the closeness of the deadline, an emergency clause has been added to the proposed ordinance to ensure that if passed, it will be effective prior to the deadline.

Copies of the precinct alterations in each Council district are being provided to the respective councilmembers. This material will include precinct maps graphically displaying the boundary alterations.

If you have any questions, please contact Sonia Soelter, Acting Manager, Records and Elections Division at 296-1540.

Sincerely,

Tim Hill
King County Executive

Chapter 1.12
VOTING PRECINCTS AND VOTING SYSTEMS¹

Sections:

- 1.12.010 Establishment and revision of precincts.
- 1.12.020 Voting devices and tally systems.

1.12.010 Establishment and revision of precincts. A. Precinct Establishment. The voting precincts of King County are hereby established pursuant to state law and shall be as described in the attachments to this section which are hereby adopted, and which shall be retained officially on file in the division of records and elections.

B. Precincts Identified. An alpha-numeric system of identifying voting precincts using a combination of letters and numbers shall be established throughout King County. Those precincts located in unincorporated areas of the county which presently have names shall retain them for public purposes in addition to the alpha-numeric designation. Names shall be given only to those new precincts in unincorporated areas of the county which are created from portions of existing named precincts.

C. Precinct Revisions. Precincts shall be divided, new precincts created, and boundaries of existing precincts altered, as necessary, to implement precinct balancing, and to accommodate the incorporation and annexations of unincorporated county areas into incorporated cities and for the convenience of voters.

D. Precinct Balancing. In balancing precincts, voting precincts shall be constructed so as to consist of between two hundred and four hundred registered voters per individual precinct. Where necessary to construct a precinct with less than two hundred representation, it shall be noted on the revision proposal and a full explanation of this deviation provided.

E. Revision Approval. Proposed revisions to voting precincts, as provided for in this section, shall be submitted to the council for approval by ordinance no later than May 1st of the applicable year. The proposal shall include a replacement for the attachments to this section. (Ord. 9064 § 1, 1989: Ord. 9015, 1989: Ord. 8579, 1988: Ord. 8105, 1987: Ord. 7673 § 1, 1986: Ord. 7228 § 1, 1985: Ord. 6809, 1984: Ord. 6419, 1983: Ord. 6039 §§ 2-3, 1982: Ord. 5540, 1981: Ord. 4943, 1980: Ord. 3820, 1978: Ord. 3731, 1978: Ord. 3050, 1977: Ord. 2754, 1976: Ord. 2779, 1976: Ord. 2408, 1975: Ord. 1708 § 1, 1973: Ord. 1276 § 1, 1972: Ord. 884 § 1, 1971).

Chapter 29.04 RCW GENERAL PROVISIONS

RCW 29.04.050 Precincts—Restrictions on precinct boundaries—Designated by number. (1) Every voting precinct must be wholly within a single congressional district, a single legislative district, and a single district of a county legislative authority.

(2) Every voting precinct shall be composed, as nearly as practicable, of contiguous and compact areas.

(3) Except as provided in this subsection, changes to the boundaries of any precinct shall follow visible, physical features delineated on the most current maps provided by the United States census bureau. A change need not follow such visible, physical features if (a) it is necessitated by an annexation or incorporation and the proposed precinct boundary is identical to an exterior boundary of the annexed or incorporated area which does not follow a visible, physical feature; or (b) doing so would substantially impair election administration in the involved area.

(4) After a change to precinct boundaries is adopted by the county legislative authority, the county auditor shall send to the secretary of state a copy of the legal description and a map or maps of the changes and, if all or part of the changes do not follow visible, physical features, a statement of the applicable exception under subsection (3) of this section. For boundary changes made pursuant to subsection (3)(b) of this section, the auditor shall include a statement of the reasons why following visible, physical features would have substantially impaired election administration.

(5) Every voting precinct within each county shall be designated consecutively by number for the purpose of preparation of maps and the tabulation of population for apportionment purposes. These precincts may be identified with names or other numbers for other election purposes.

(6) After a change to precinct boundaries in a city or town, the county auditor shall send one copy of the map or maps delineating the new precinct boundaries within that city or town to the city or town clerk.

(7) Precinct maps are public records and shall be available for inspection by the public during normal office hours in the offices where they are kept. Copies shall be made available to the public for a fee necessary to cover the cost of reproduction. [1989 c 278 § 1; 1977

RCW 29.04.040 Precincts—Number of voters—Dividing, altering, or combining—Creating new precincts. (1) No paper ballot precinct may contain more than three hundred voters. The county legislative authority may divide, alter, or combine precincts so that, whenever practicable, over-populated precincts shall contain no more than two hundred fifty registered voters in anticipation of future growth.

(2) Precinct boundaries may be altered at any time as long as sufficient time exists prior to a given election for the necessary procedural steps to be honored. Except as permitted under subsection (5) of this section, no precinct boundaries may be changed during the period starting on the thirtieth day prior to the first day for candidates to file for the primary election and ending with the day of the general election.

(3) Precincts in which voting machines or electronic voting devices are used may contain as many as nine hundred registered voters, but there shall be at least one voting machine or device for each three hundred registered voters or major fraction thereof when a state primary or general election is held in an even-numbered year.

(4) On petition of twenty-five or more voters resident more than ten miles from any place of election, the county legislative authority shall establish a separate voting precinct therefor.

(5) The county auditor shall temporarily adjust precinct boundaries when a city annexes county territory to the city. The adjustment shall be made as soon as possible after the approval of the annexation. The temporary adjustment shall be limited to the minimum changes necessary to accommodate the addition of the territory to the city and shall remain in effect only until precinct boundary modifications reflecting the annexation are adopted by the county legislative authority.

The county legislative authority may establish by ordinance a limitation on the maximum number of registered voters in each precinct within its jurisdiction. The limitation may be different for precincts based upon the method of voting used for such precincts and the number may be less than the number established by law, but in no case may the number exceed that authorized by law.

DRAFT

INTRODUCED BY RON SIMS

PROPOSED NO. 93-473

ORDINANCE NO. _____

AN ORDINANCE adopting the revision of voting precincts of King County for the year 1993 and declaring an emergency.

Filled Only

PREAMBLE:

RCW 29.04.040-050 establishes the statewide criteria for the division, alteration or combination of existing voting precincts and the creation of new precincts. It includes restrictions on the size of such precincts and on the precinct boundaries.

The statute requires that every voting precinct be wholly contained within a single congressional, legislative and county council district, and within the boundaries of an incorporated municipality. Therefore, changes to boundaries of the aforementioned districts or to any city or town within the county requires precinct boundary revisions.

K.C.C. 1.12.010 contains the county's policies regarding the establishment, identification, revision and balancing of voting precincts, and the provisions for the approval of revisions.

In as much as all of the County's Council districts underwent redistricting this year, extensive revision of the county's voting districts was necessary. A summary of the precinct revisions pursuant to the state and county criteria is contained in the attachment to this ordinance.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Pursuant to K.C.C. 1.12.010E, the 1993 revisions to the King County voting precincts as contained in the attachment to this ordinance are adopted and shall constitute an amendment to the official list of county voting precincts maintained by the records and elections division.

SECTION 2. The county council finds as a fact and declares that an emergency exists and that this ordinance is necessary for the immediate preservation of public peace, health or
