A. The Board of Sewer Commissioners of the Snoqualmie Pass Sewer District of King and Kittitas Counties, Washington, has determined that it would be in the best interest of the district to change its name to "Snoqualmie Pass Utility District" since the district's current name tends to confuse customers and others that they only provide sewer service, but, in fact, also provide water service.

B. The district filed Resolution No. 94-4 with the King County council, resolving to change the name of the district from Snoqualmie Pass Sewer District of King and Kittitas Counties to "Snoqualmie Pass Utility District" to eliminate the existence of any such confusion and to recognize that they do provide sewer and water service to local citizens.
