AN ORDINANCE authorizing abandonment of the 1989 open space bond Maple Valley Riverside Park and the creation of a new 1989 open space bond Rock Creek project.

PREAMBLE:

1. Ordinance 10221 created the 1989 open space bond Maple Valley Riverside Park project to acquire the Watkins property.
2. King County has reached agreement with the owners of the Watkins property in the Maple Valley Riverside Park project whereby the owners have agreed to dedicate the open space resources required for protection of this property. This agreement to dedicate open space resources constitutes new information developed after approval of 1989 Open Space Bond Ordinance 9071 that clearly indicates that the Maple Valley Riverside Park project would no longer best serve its intended purpose within the meaning set forth in Section 11 of Ordinance 9071.
3. Acquisition of a 98-acre property known as the Rock Creek property is consistent with the purposes of the 1989 open space bond, within the meaning of Section 8.C of Ordinance 9071.
4. The King County Open Space Citizen Oversight Committee has recommended abandonment of the Maple Valley Riverside Park project and creation of a new 1989 open space bond Rock Creek project.
5. The King County Open Space Citizen Oversight Committee has further recommended reallocation of unexpended funds from the Maple Valley Riverside Park project to the new Rock Creek project.

1 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

2 SECTION 1. There is approved and adopted the abandonment  
3 of the 1989 open space bond Maple Valley Riverside Park and the  
4 creation of a new 1989 open space bond Rock Creek project.
