31 facility specified by the county in a manner specified by the  
32 manager.

33 B. The manager or his/her designee is authorized to assure  
that vendors remain in compliance with all terms of King County's

1 contract(s) for CDL waste handling services. If the manager  
2 determines the contractor is not in compliance with the contract,  
3 the manager will notify the executive and the council, and may  
4 designate an alternative CDL receiving facility during the period  
5 of noncompliance.

6 C. Recyclable CDL waste may be transported to any CDL

13 applicable law; provided that, if mixed CDL waste is taken to a  
14 CDL recycling facility, all residual CDL waste must be taken to a  
15 designated CDL receiving facility or backup facility designated by  
16 the county.

17 E. Notwithstanding subsections A, B, C, and D, the county  
18 may continue to accept small quantities of CDL waste at its solid

22 8,000 pounds, or are contained in loads of mixed municipal solid  
23 waste and do not exceed ten percent (10%) of the load by weight.

24 F. The county guarantees no minimum volume of non-recycled  
25 CDL waste to be delivered to the CDL receiving facilities. The  
26 county intends and expressly reserves the right to encourage  
27 reductions in the waste stream through increased recycling.

29 are hereby amended to read as follows:
