AN ORDINANCE authorizing the expansion of the project scope of the City of Issaquah Tibbetts Valley Trailhead 1989 Open Space Bond Project to include the 120-acre Pacific Topsoils site on SR 900 south of Issaquah.

PREAMBLE:

1. The City of Issaquah proposes expansion of the scope of the City's Tibbetts Valley Trailhead 1989 Open Space Bond project to include acquisition of the approximately 120-acre "Pacific Topsoils" site, located on State Route 900 in unincorporated King County, to help provide a trailhead and improved access to Cougar Mountain Regional Wildland Park, Squak Mountain State Park and the King County Cedar to Sammamish regional trail.
2. The King County Open Space Citizens Oversight Committee has reviewed the City's proposal and recommends the expansion of the City of Issaquah Tibbetts Valley Trailhead project.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. The council finds that the proposed 120-acre expansion of the City of Issaquah Tibbetts Valley Trailhead 1989 Open Space Bond project will enhance the scenic and wildlife corridor connection between Cougar Mountain Regional Wildland Park and Squak Mountain State Park and provide an improved site for a regional trailhead facility to serve these parks and the King County Cedar to Sammamish regional trail.

SECTION 2. There is hereby approved and adopted the expansion of the project scope of the City of Issaquah Tibbetts Valley Trailhead 1989 Open Space Bond Project to include the 120-acre Pacific Topsoils site on SR 900 south of Issaquah.
