13 PREAMBLE:

14 In accordance with the provisions of K.C.C. 4.04.040, the King  
15 County council may adopt an ordinance permitting the county to  
16 enter into contracts requiring the payment of funds from the  
17 appropriations of subsequent fiscal years.

18 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

19 SECTION 1. The executive is hereby authorized to execute an Interagency  
20 Agreement and any amendments for installation and maintenance of telecommunications  
21 systems using fiber optic cable connecting multiple sites throughout King County serving  
22 the participating public sector organizations for twenty (20) years. Under the terms of this  
23 agreement, the City of Seattle, Department of Administrative Services, shall serve as the  
24 lead agency and shall manage any fiber installation and maintenance of the project. King  
25 County shall pay its proportionate share of installation costs as well as annual maintenance  
26 costs based on the number and length of the fiber strands it owns. Included in the  
27 maintenance cost is annual rent of underground conduit facilities. The maintenance cost

does not include the cost of expanding or extending the fiber optic system. The installation cost is \$198,393 and the annual maintenance cost for 1997 is estimated to be \$15,000.

The agreement provides for annual review of maintenance costs and is subject to periodic revision based upon City of Seattle amendments to its ordinance setting rates for underground conduit occupancy.

SECTION 2. The executive is authorized to execute a project amendment and its underlying project agreement with general terms and conditions in substantially the form attached, with the participating agencies identified herein, for the

1 installation and use of fiber optic cable and to utilize the attached general terms and  
2 conditions for the development of future fiber installation and maintenance agreements.
